

Ballet

Linda H. Hamilton, Ph.D., New York City Ballet

The Ballet Book Nancy Ellison, Hanna Rubin, 2003 Provides photographs of members of the American Ballet Theatre demonstrating positions and includes discussion and photographs of classwork, rehearsal, choreography, and major ballets.

The Crab Ballet Renée LaTulippe, 2022-03-08 When the tide is out, the curtain is up on this clever tale of an underwater, watercolor ballet featuring dancing crabs and all of their aquatic friends from children's book author and poet Renée LaTulippe and illustrator Cécile Metzger. "Beautiful, original, entertaining."—Midwest Book Review Welcome. Enter. Sit right there. The Crab Ballet is about to begin! This spectacular seaside show, starring dancing crabs, an aquatic corps de ballet, and a cast of French ballet terms, is sure to delight ballet dancers of all stripes.

Dance Film Directory John E. Mueller, 1979

The Ballet Companion Eliza Gaynor Minden, 2007-11-01 A New Classic for Today's Dancer The Ballet Companion is a fresh, comprehensive, and thoroughly up-to-date reference book for the dancer. With 150 stunning photographs of ballet stars Maria Riccetto and Benjamin Millepied demonstrating perfect execution of positions and steps, this elegant volume brims with everything today's dance student needs, including: Practical advice for getting started, such as selecting a school, making the most of class, and studio etiquette Explanations of ballet fundamentals and major training systems An illustrated guide through ballet class -- warm-up, barre, and center floor Guidelines for safe, healthy dancing through a sensible diet, injury prevention, and cross-training with yoga and Pilates Descriptions of must-see ballets and glossaries of dance, music, and theater terms Along the way you'll find technique secrets from stars of American Ballet Theatre, lavishly illustrated sidebars on ballet history, and tips on everything from styling a ballet bun to stage makeup to performing the perfect pirouette. Whether a budding ballerina, serious student, or adult returning to ballet, dancers will find a lively mix of ballet's time-honored traditions and essential new information.

Ballet in Western Culture Carol Lee, 2002 A history of the development of ballet from the origins of dance through the 20th century.

Technical Manual and Dictionary of Classical Ballet Gail Grant, 2012-04-30 From adagio to voyage, over 800 steps, movements, poses, and concepts are fully defined. A pronunciation guide and cross-references to alternate names for similar steps and positions also included.

Mirrors and Scrims Marcia B. Siegel, 2011-03-01 Winner of the Selma Jeanne Cohen Memorial Prize (2010) In this stunning new collection of reviews and essays, dance critic Marcia B. Siegel grapples with the floating identity of ballet, as well as particular ballets, and with the expanding environment of spectacle in which ballet competes for an audience. Drawn from a wide variety of published sources, these writings concentrate on canonical works of ballet and how the performances of these works have been changing in significant ways. Siegel writes with a keen awareness of the history and mythology that surround particular works, while remaining attentive to the new ways in which a work is interpreted and re-presented by contemporary choreographers and dancers. Through her readable and provocative writings, Siegel offers critical insight into performances of the past twenty-five years to give us a new understanding of ballet in performance. The volume includes over one hundred pieces on a variety of ballet topics, from specific dances and dancers to companies and choreographers, ranging from Swan Lake and The Nutcracker to Nijinsky, Balanchine, Tharp, and Morris to the Bolshoi, the Joffrey, the Miami City Ballet, the Boston Ballet, to name just a few. Ebook Edition Note: All images have been redacted.

Ballet Missy Mitchell, 2003-12-15 Explores the history of ballet, what is involved in becoming a ballet dancer, and what to look for when watching a ballet performance.

Making Ballet American Andrea Harris, 2017-10-02 George Balanchine's arrival

in the United States in 1933, it is widely thought, changed the course of ballet history by creating a bold neoclassical style that is celebrated as the first American manifestation of the art form. In *Making Ballet American*, author Andrea Harris challenges this narrative by revealing the complex social, cultural, and political forces that actually shaped the construction of American neoclassical ballet. Situating American ballet within a larger context of modernisms, the book examines critical efforts to craft new, modernist ideas about the relevance of classical dancing for American society and democracy. Through cultural and choreographic analysis, it illustrates the evolution of modernist ballet during a turbulent historical period. Ultimately, the book argues that the Americanization of Balanchine's neoclassicism was not the inevitable outcome of his immigration or his creative genius, but rather a far more complicated story that pivots on the question of modern art's relationship to America and the larger world.

Getting Started in Ballet Anna Paskevskaja, 2016-01-07 In *Getting Started in Ballet, A Parent's Guide to Dance Education*, authors Anna Paskevskaja and Maureen Janson comprehensively present the realities that parents can anticipate during their child's training and/or career in ballet. It can be daunting and confusing when parents discover their child's desire to dance. Parental guidance and education about dance study typically comes from trial by fire. This book expertly guides the parental decision-making process by weaving practical advice together with useful information about dance history and the author's own memoir. From selecting a teacher in the early stages, to supporting a child through his or her choice to dance professionally, parents of prospective dancers are lead through a series of considerations, and encouraged to think carefully and to make wise decisions. Written primarily as a guide book for parents, it is just as useful for teachers, and this exemplary document would do well to have a place on the bookshelf in every dance studio waiting room. Not only can dance parents learn from this informative text, but dance teachers can be nudged toward a greater understanding and anticipation of parents needs and questions. *Getting Started in Ballet* fills a gap, conveniently under one cover, welcoming parents to regard every aspect of their child's possible future in dance. Without this book, there would be little documentation of the parenting aspect of dance. Dance is unlike any other training or field and knowing how to guide a young dancer can make or break them as a dancer or dance lover.

Cuban Ballet Octavio Roca, 2010 Just as Russian dancers defected from the former Soviet Union in the 1970s, Cuban dancers are now fleeing Castro's regime in droves. Their unique style of ballet is galvanizing the world of dance. This beautifully illustrated book explores the history of Cuban ballet by focusing on the life and career of the indomitable Alicia Alonso. The author also spotlights many of the young dancers who are now part of the growing Cuban Diaspora and who are changing the face of ballet: Lorena Feijoo, Lorna Feijoo, Joan Boada, Taras Domitro, Jose Manuel Carreno, and Carlos Acosta to name but a few.

Ballet Jennifer Jackson, 2021-03-22 *Ballet* is a detailed guide to creative practice and performance. Compiled by ten leading practitioners, each chapter focuses on an aspect of ballet as a performing art. Together they outline a journey from the underpinning principles of ballet, through an appreciation of different styles and schooling, into the dance studio for practice in class and beyond. With additional insights from highly acclaimed dancers, choreographers and teachers, this practical guide offers advice on fundamental and advanced training and creative development. As well as providing information from dance science research into training well-being, this book supports the individual dancer in their artistic growth, offering strategies for exploration and discovery. Topics include: principles, styles and schooling of classical ballet; fundamental technique and advanced expression; developing versatility and creative thinking; advice on injury management, nutrition and lifestyle; choreography and music and, finally,

best practice in the rehearsal studio is covered. 'A wonderfully accessible and comprehensive resource about the individual disciplines involved in ballet', Leanne Benjamin OBE, former Principal of The Royal Ballet and international coach.

The Dancer's Way Linda H. Hamilton, Ph.D., New York City Ballet, 2015-09-22
In the current dance scene, performers contend with choreography that involves extreme dance, multiple techniques, and acrobatic moves, exemplified in the popular reality television show, *So You Think You Can Dance*. The dilemma for aspiring professionals is that dance class no longer provides sufficient preparation for performing at this level. Dancers who want to achieve their best, avoid injury, and perform at their peak will welcome the insight and advice in the pages of *The Dancer's Way*. The world-renowned New York City Ballet developed their proven wellness program to help dancers reach their potential without compromising their health. As one of the key designers of this program, former dancer and clinical psychologist Linda Hamilton, Ph.D. provides the essential principles of wellness that will help you achieve your goals in all levels and forms of dance. These include keeping yourself physically healthy, nutritionally sound, and mentally prepared as a dancer. New York City Ballet's celebrated program, here for the first time in book form, highlights every tool you'll need to stay in great shape.

Lili at Ballet Rachel Isadora, 1996 Lili loves to dance, and dreams of becoming a ballerina. In her ballet class she does stretches, works at the barre, and learns the five classical dance positions that are the basics for the roles she may dance when she is older. Enhanced by delicate watercolor illustrations, this lovely book is the perfect introduction for boys and girls who want to learn more about ballet. Full color.

The Encyclopedia of Dance & Ballet Mary Clarke, David Vaughan, 1977

The great history of Russian ballet Evdokia Belova, E. Bocharnikova, 2021-06-30 Although the techniques of classical ballets were invented by French and Italian masters two hundred years ago, the Russian Ballet refined these techniques, thus enhancing its already superb performances. This book uncovers the Great History of Russian Ballet, its art and choreography.

Ballet in the Cold War Anne Searcy, 2020-04-01 In 1959, the Bolshoi Ballet arrived in New York for its first ever performances in the United States. The tour was part of the Soviet-American cultural exchange, arranged by the governments of the US and USSR as part of their Cold War strategies. This book explores the first tours of the exchange, by the Bolshoi in 1959 and 1962, by American Ballet Theatre in 1960, and by New York City Ballet in 1962. The tours opened up space for genuine appreciation of foreign ballet. American fans lined up overnight to buy tickets to the Bolshoi, and Soviet audiences packed massive theaters to see American companies. Political leaders, including Khrushchev and Kennedy, met with the dancers. The audience reaction, screaming and crying, was overwhelming. But the tours also began a series of deep misunderstandings. American and Soviet audiences did not view ballet in the same way. Each group experienced the other's ballet through the lens of their own aesthetics. Americans loved Soviet dancers but believed that Soviet ballets were old-fashioned and vulgar. Soviet audiences and critics likewise appreciated American technique and innovation but saw American choreography as empty and dry. Drawing on both Russian- and English-language archival sources, this book demonstrates that the separation between Soviet and American ballet lies less in how the ballets look and sound, and more in the ways that Soviet and American viewers were trained to see and hear. It suggests new ways to understand both Cold War cultural diplomacy and twentieth-century ballet.

So, You Want To Be a Ballet Dancer? Jennifer Kronenberg, 2013-12-03 "A revealing book about the grueling-and glamorous-world of ballet" (Daily News, New York). Is everything really so beautiful at the ballet? For Miami City

Ballet principal dancer Jennifer Carlynn Kronenberg it is; but it wasn't always so. Learn how she made it through all of her high jinx mishaps, missteps, and tribulations, and continued on to a glorious career as a prima ballerina with an internationally acclaimed ballet company. Kronenberg shares her memoirs, hints, tips, and professional advice for aspiring dancers and their parents, hoping to ease them through the hard years of study as well as through the abrupt and challenging transition from student to professional. Covering everything from choosing a school and auditioning, to stage makeup and backstage basics, this books provides the answers young dancers need to help them survive in today's challenging ballet world. "Chock-full of tips and advice for aspiring dancers and their parents, and includes a personal account of the ballerina's rocky journey to fame." -Brooklyn Downtown Star "Entertaining, realistic, and practical-that big sister that you'd like to have beside you." -Ballet News

The Joffrey Ballet Sasha Anawalt, 1997 This is a comprehensive history of the American dance troupe, the Joffrey Ballet, and a portrait of Robert Joffrey, the creative personality who inspired it. Written in anecdotal style, the book probes the complex relationship which exists between a culture and its artists.
