Find out why movies and television shows donat feature slot machine players. The gloves are finally off in telling the truth about these gamblers. The casinos cannot protect them any longer. Be prepared to learn about the ugly underbelly of Las Vegasathe average, everyday slot machine player. Along the way you will also learn what slot attendants really know about the slot machines. Not Just Another Slot Machine Strategy System Greg Elder,2012 The bad news is there is no secret system that exists where you can beat the casinos playing slot machines. The good news is there is a system (for some reason people love the word system when it comes to gambling methods, so I'll stick with it), where you can leave the casino with money in your pocket, and not have that empty hollow feeling inside because you just lost more money than you can afford to lose.This is where I come in. With the system I've developed, you can still play slot machines and have a good time, but using these methods, you're more than likely going to come home with some money.
