Play from Birth to Twelve Doris Pronin Fromberg,Doris Bergen,2021-12-13 First published in 1998. Play is pervasive, infusing human activity throughout the life span. In particular, it serves to characterize childhood, the period from birth to age twelve. Within the past twenty years, many additions to the knowledge base on childhood play have been published in popular and scholarly literature. This book assembles and integrates this information, discusses disparate and diverse components, highlights the underlying dynamic processes of play, and provides a forum from which new questions may emerge and new methods of inquiry may develop. The place of new technologies and the future of play in the context of contemporary society also are discussed.

Banana Ball Jesse Cole,2023-05-16 The Savannah Bananas have peeled back the game of baseball and made it fun again. This is their story. For his entire childhood, Jesse Cole dreamed of pitching in the Majors. Now, he has a life in baseball that he could have only imagined: he met the love of his life in the industry; they shaped Savannah, Georgia’s professional team into the league champion Savannah Bananas; and now the Bananas have restyled baseball itself into something all their own: Banana Ball. Fast, fun, and outrageously entertaining, Banana Ball brings fans right into the game. The Bananas throw out a first banana rather than a ball. Their first-base coach dances to Thriller or Britney between innings. Players run into the crowd to hand out roses. And the rules themselves are bananas: if a fan catches a foul ball it’s an out; and players might go to bat on stilts or wearing a banana costume. And their fans absolutely love it. But the reason this team is on the forefront of a movement is less about the play on the field and more about the atmosphere that the team culture creates. For the first time in this book, Jesse reveals the ideas and experiences that allowed him to reimagine America’s oldest sport by creating a phenomenon that is helping fans fall in love with the game all over again. This is a story that’s bigger than baseball and bigger than the yellow tuxedo Jesse wears as the “ringmaster” of every game. And to understand the movement, you have to understand the story at its core. In Jesse’s telling, it takes heart, innovation, and joy (and a bit of tropical fruit) to make something wholly original out of one of America’s great traditions. His story is part Moneyball, part Field of Dreams, part The Greatest Showman. It is a personal story, a creativity story, and the story of a business scrapping for every success. And it has several distinct love stories—love stories like Jesse and his father, Jesse and his wife, the team and the sport of baseball, the team and the fans. This is Jesse calling his dad from the outfield after each Bananas game, and putting unending creativity into a team with the ultimate goal of bringing the Bananas to the professional ballparks he himself never got to play in. This is his story of baseball, love, leadership, and going just a bit bananas for all.

Green Education Mahendra K. Satapathy,Sidhanta Sekhar Bisoi,2019-07-05 In earlier days, Children used to play outdoor games with natural resources such as plant parts (fruits, flowers, leaves, seeds, stems, etc.) and formed an integral part of nature. However with shrinkage of open spaces and play grounds, present day children are often seen putting their leisure hours with electronic gadgets such as computers, mobile phones and video games and consequently the indigenous knowledge associated with playing in nature is being lost and their social attitude is disturbed. From a wide survey of rural and tribal pockets, the authors have gathered the vanishing indigenous knowledge and have described 90 plant species with their fruits, flowers, leaves, seeds, stems etc. which are used for fun and games besides as learning materials supplemented with pictures, diagrams and photographs for the benefit of the readers, especially the plant lovers and Environmentalists.
