**America, the Band** Jude Warne, 2020-05-15 As if recovering from a raucous dream of the 1960s, Gerry Beckley, Dewey Bunnell, and Dan Peek arrived on 1970s American radio with a sound that echoed disenchanted hearts of young people everywhere. The three American boys had named their band after a country they'd watched and dreamt of from their London childhood Air Force base homes. What was this country? This new band? Classic and timeless, America embodied the dreams of a nation desperate to emerge from the desert and finally give their horse a name. Celebrating the band's fiftieth anniversary, Gerry Beckley and Dewey Bunnell share stories of growing up, growing together, and growing older. Journalist Jude Warne weaves original interviews with Beckley, Bunnell, and many others into a dynamic cultural history of America, the band, and America, the nation. Reliving hits like "Ventura Highway," "Tin Man," and of course, "A Horse with No Name" from their 19 studio albums and incomparable live recordings, this book offers readers a new appreciation of what makes some music unforgettable and timeless. As America's music stays in rhythm with the heartbeats of its millions of fans, new fans feel the draw of a familiar emotion. They've felt it before in their hearts and thanks to America, they can now hear it, share it, and sing along.

She brings rich, biblical teaching that will encourage readers and compel them to dig deep into the beautiful songs, prayers, and poetry of Scripture—the same words through which the people of the Bible flourished in impossible circumstances. *Singing in the Dark* includes reflection and journaling prompts at the end of each chapter.

**Three Pianos** Andrew McMahon, 2021-10-26 From beloved indie musician Andrew McMahon comes a searingly honest and beautifully written memoir about the challenges and triumphs of his life and career, as seen through the lens of his personal connection to three pianos. Andrew McMahon grew up in sunny Southern California as a child prodigy, learning to play piano and write songs at a very early age, stunning schoolmates and teachers alike with his gift for performing and his unique ability to emotionally connect with audiences. McMahon would go on to become the lead singer and songwriter for Something Corporate and Jack's Mannequin, and to release his debut solo album, *Andrew McMahon in the Wilderness*, in 2014. But behind this seemingly optimistic and quintessentially American story of big dreams come true lies a backdrop of overwhelming challenges that McMahon has faced—from a childhood defined by his father's struggle with addiction to his very public battle with leukemia in 2005 at the age of twenty-three, as chronicled in the intensely personal documentary *Dear Jack*. Overcoming those odds, McMahon has found solace and hope in the things that matter most, including family, the healing power of music and the one instrument he's always turned to: his piano. *Three Pianos* takes readers on a beautifully rendered and bitter-sweet

American journey, one filled with inspiration, heartbreak, and an unwavering commitment to shedding our past in order to create a better future.

*The Book of Drugs* Mike Doughty, 2012-01-10 Mike Doughty first came to prominence as the leader of the band Soul Coughing then did an abrupt sonic left turn, much to the surprise of his audience, transforming into a solo performer of stark, dusky, but strangely hopeful tunes. He battled addiction, gave up fame when his old band was at the height of its popularity, drove thousands of miles, alone, across America, with just an acoustic guitar. His candid, hilarious, self-lacerating memoir, *The Book of Drugs*—featuring cameos by Redman, Ani DiFranco, the late Jeff Buckley, and others—is the story of his band's rise and bitter collapse, the haunted and darkly comical life of addiction, and the perhaps even weirder world of recovery.

**Saved by a Song** Mary Gauthier, 2021-07-06 A handbook for compassion... a Must-Read Music Book." —Rolling Stone Country Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share. —Wally Lamb, author of *I Know This Much Is True* Gauthier has an uncanny

ability to combine songwriting craft with a seeker's vulnerability and a sage's wisdom." —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

*Postcards From a Rock and Roll Tour* Gordy Marshall, Graeme Edge, 2012-09-03 *Postcards From a Rock& Roll Tour* is drummer Gordy Marshall's witty and wry take on life on the road touring with legendary rock band The Moody Blues. Part memoir, part travelogue, it's a candid, unexpected and often hilarious account of just what it's like to travel around the world playing to sell-out

audiences, living out of a suitcase and spending days and days on a tour bus. If you thought being in a rock band was all sex, drugs and rock and roll, then think again. *Postcards From a Rock & Roll Tour* gives a rare insight into the reality of life as a travelling musician. Includes a foreword by the legendary Graeme Edge of The Moody Blues.

**What I Found in a Thousand Towns** Dar

Williams, 2017-09-05 A beloved folk singer presents an impassioned account of the fall and rise of the small American towns she cherishes. Dubbed by the *New Yorker* as one of America's very best singer-songwriters, Dar Williams has made her career not in stadiums, but touring America's small towns.

She has played their venues, composed in their coffee shops, and drunk in their bars. She has seen these communities struggle, but also seen them thrive in the face of postindustrial identity crises. Here, in an account that reads as if Pete Seeger and Jane Jacobs teamed up (New York Times), Williams muses on why some towns flourish while others fail, examining elements from the significance of history and nature to the uniting power of public spaces and food. Drawing on her own travels and the work of urban theorists, Williams offers real solutions to rebuild declining communities. What I Found in a Thousand Towns is more than a love letter to America's small towns, it's a deeply personal and hopeful message about the potential of America's lively and resilient communities.
