witnesses her mother’s plight from her hiding place. When her husband catches up to her, a deadly confrontation takes place which compels Mayuri to lie and reinvent her past. She faces unexpected challenges and adapts to a new religion and culture. When all her lies unravel, Mayuri pays a heavy price. But eventually, mother and daughter have to deal with the truth and its consequences. “Rukhsana Hasib’s beautifully written and passionate account of life in our world where so many cultures and religions are in conflict is like a brilliant ray of sunshine; it illuminates as it elevates. Above all, it is a reaffirmation of the beauty and courage of the human spirit.” - Professor Akbar Ahmend Ibu Khaldun chair of Islamic studies, American University, Washington, DC

Rabindranath Tagore's Ideational Universe Bidyut Chakrabarty,2023-12-01 This book explores Tagore’s socio-political ideas through his novels, short stories, and essays. It looks at Tagore beyond his literary achievements and examines his notions of friendship, religion, nationalism, civilization, and knowledge. It highlights his uniquely textured and innovatively argued views on critical aspects of humanity in the tumultuous phase of Indian nationalist campaign that also witnessed a kaleidoscope of myriad ideological voices, besides the hegemonic mainstream nationalist campaign, led by Gandhi. It captures the bard’s creative ideational priorities and his attempts to radically transform the prevalent socio-economic and politico-cultural environment. The volume will be of great interest to scholars and researchers of history, politics, literature, and South Asian studies.

Bengali Hanne-Ruth Thompson,2012 Bangla (Bengali), an Eastern Indo-Aryan Language, is the national language of Bangladesh with 150 million speakers and the state language of Paschim Banga (West Bengal) in India with 90 million speakers. There are sizeable communities of Bengalis scattered all over the world. Altogether, the number of native speakers make Bangla the fifth or sixth largest language in the world. Like Hindi and other South Asian languages, Bangla has subject-object-verb word order, postpositions, causative and compound verbs. Unlike Hindi it has no gender. This volume presents a systematic overview of the language, from the sound system to parts of speech, syntactic categories to reduplicative features and some short text passages. The book is written in transliteration throughout to provide ease and convenience to non-Bengali as well as to Bengali linguists and students. In order to connect linguistic analysis with the living language, the book is furnished with plenty of real language examples, demonstrating the spirit, grace and wit of the Bangla language.

Shadows at Noon Joya Chatterji,2023-11-21 A groundbreaking view of South Asian history in the twentieth century that underlines the similarities and intertwined cultures of India and Pakistan “[A] definitive new 20th-century thematic history of the Indian subcontinent that rejects hegemonic conceptions of national ‘difference.’”—Financial Times This radically original and ambitious history of the Indian subcontinent explores the region’s unique twentieth-century history and foregrounds the deep connections, rather than the well-publicized fissures, between the cultures of India and Pakistan. Taking the partitions of British India rather than the two world wars as the century’s inflection points, Joya Chatterji examines how issues of nationalism, internal and external migration, and technological innovation contributed to South Asia’s tumultuous twentieth century. Chatterji weaves together elements of her autobiography and family history; stories of such legendary figures as Tagore, Jinnah, Gandhi, and Nehru; and, in particular, the accounts of the many who were left behind and marginalized in relentless nation-building projects. Chatterji examines the countries’ mirroring patterns in state building, social and cultural life, modes of leisure, consumption, and oppression, and offers a timely course correction to our understanding of the dynamics of South Asian history. It reframes the events of the twentieth century that are continuing to play out in the present day.
