*The Barbados Travel Journal* Younghusband World Travel Journals Staff, 2013-04-05 I don't always design travel journals, but when I do they are the kind of travel journals that people throw parades

for. - Cormac Younghusband, The World's Most  
Legendary Nomad THE BARBADOS TRAVEL JOURNAL has  
been carefully crafted by the legendary nomad  
Cormac Younghusband to help make your trip  
unforgettable, fun and organized—with plenty of  
room to help spur spontaneity and document new  
discoveries. This journal can help you plan, live  
out and record every stage of your journey to  
Barbados—from pre-trip, to getting there, to being  
there, to getting home, and afterwards. Barbados  
food is among the world's finest. They do this  
thing with the thing! - Cormac Younghusband, The  
World's Most Legendary Nomad The first part of the  
journal is for PRE-TRIP PLANNING and contains  
sections for important information, a page to  
write about what inspired you to make the trip, a  
page to write about the who, where, what, when,  
how of the journey, a page to make note of your  
travel companions, a number of pages to organize  
your travel research.\* Plus, you will find  
sections for drafting an itinerary and keeping a  
journey to-do checklist. The second part of the  
journal deals with GETTING THERE, containing  
sections to describe getting there and arriving.

THERE. There are sections for: tracking the stuff  
you buy and for your daily adventures there are 50  
two-page daily records to keep notes on: day #,  
date, weather, places visited, what happened today  
+ thoughts on what happened, the highlight of the  
day and extensive notes (with a handy reminder  
list of things to write about). Because there are  
about 287,733 people in Barbados, there's also a  
section to record the names and contact info of

the people you meet along the way. The fourth part of the journal is for GETTING HOME, that fateful day you depart and the days that follow. There are sections for describing your departure, for making your own top 10 highlights lists, a country radar to help you create a signature review of the country, and an afterwards where you can sum up the meaning of your trip. When a trip is over, Cormac Younghusband recommends you start planning your NEXT TRIP. To help, there is a section where you can make a travel wish list. Also included is a COUNTRY BRIEF to give you important info on the destination and a MAP to give you an idea of the lay of the land. Plus, at the back of the book there are sections for: generic packing ideas, measures and conversions, and pages for notes, sketches, maps and such Find a place in the world you haven't been, and go there.
