*Barbara in Brittany* E. A. Gillie,2016-04-17 Here is the love story of a beautiful Irish girl who rode horses like an Arizona cowboy, whose hair was red as flame, and whose lover was an English gentleman. But then, there was the Spaniard, too! Hot-headed, he was, passionate and lawless as a Tartar. Needless to say the story takes some startling turns. The end is surprising. And the satisfying conclusion it all comes to is this, that the eternal feminine still responds to courage in the male.

**Journeying Home** Barbara Kilde Carlier,2023-12-10 In a future Brittany, Elin and Talla, the main characters, take parallel pilgrimages from the extreme west to their destination, Mont St. Michel. For both of them, it is a growing experience. Talla leaves her town after her grandmother's tragic death to find her aunt she has never met. The town's people don't trust her and think she has run off with her grandmother's inheritance that doesn't just belong to her. This inheritance is plastic bags which in this time are valuable treasures. Two young cousins follow her. Talla is alone and afraid until she meets up with Fen and his young sister Darling, both walking east. Fen has a treasure, too, books that belonged to his father. The three decide to continue their journey together, although Darling, at first, is suspicious of Talla. The walk is long and sometimes dangerous. Fen is separated from the two girls for several days, and Talla and Darling must learn to get along and work together to survive. They manage but are happy when Fen finds them again. Continuing their journey, they avoid other people when possible. Unfortunately, Talla's cousins are still following her. The trio follows the northern boundary of Brittany, staying fairly close to the coast. They meet Lance and are introduced to the Arthurian legend. Later, they help a grumpy man living alone who offers Darling a dog. Darling is ecstatic, but Fen is reticent. Just before arriving at Michelmont, tragedy spoils the end of their journey. Talla finds the aunt she was hoping to find at Miklemont. Elin leaves her home, also, after a tragedy. The man she was to marry died suddenly and her life seemed to be over. She first stops on her way east to visit an old friend, Rozenn, who is pregnant and waiting for her husband to return. Elin stays with her friend until the baby is born and the husband returns. Her visit over, Elin sets off for Miklemont (Mont St. Michel), and a new life begins for her. She becomes a companion to an invalid woman who teaches her herbal medicine. Later, as she wanders in the fields around Miklemont, she meets Leyla. Mona and Leyla were once friends but became rivals. Elin learns from both of them and in time she discovers the reason for their disaccord. They were in love with the same man. As the years pass, Elin finds her place in the workings of the Mont. She meets Jon. He becomes a perfect friend and something more, although she has difficulty forgetting her long-lost love. When Talla arrives, they are reunited - Elin is Talla's aunt. Talla has found family, and Elin has the chance to find in Talla a renewal with her family she left on bad terms so long ago.

A Dignified Ending M.D. Cohen, Lewis M.,2019-07-12 A Dignified Ending challenges the idea that prolonging life by every means possible is the only reasonable response to a dire diagnosis or to intractable suffering. It uses true accounts to illustrate how people have choreographed their deaths, and it recommends that death with dignity laws include dementias and other neurodegenerative disorders.

**Family Talk** Christy Monson,2014-06-03 Christy Monson, a retired family therapist, provides in concrete examples and clear language the keys to family success through family councils. While families are diverse and their needs are unique, a family council provides a safe and strong environment for every family to discuss issues and explore the best ways to have the family succeed. A family council is not just any meeting. It's a special event that provides a background and foundation to create healthy family synergy. Monson teaches families what a family council is and what it is not, why it's a perfect environment for teaching, for exploring difficult issues, learning how to play, and how best to solve problems at home, school, or work. Monson also includes information for families with special needs. Family councils are a great way to bring children and parents together in a positive environment where they can discuss and solve problems.

*Making New Mexico* Ed H Whorton,2011-11-16 The state of New Mexico, in the United States was originally part of Texas and the land included in the Louisiana Purchase of 1803. The lands were purchased from the French and included portions of fourteen current U.S. states and two Canadian Provinces. These lands were under French control from 1682 - 1763 and from 1803 1804; the area was named in honor of King Louis 14th. A Spanish expedition, in 1540 by Francisco Vasquez Coronado was formed in an attempt to find the ancient Seven Golden Cities of Ci. The rumor began with Cabeza de Vacas visit to what is now southern New Mexico. It is rumored that seven priest fled the city of Merida, Spain taking vast amounts of gold and other treasures to a far away land later to be called the Americas. Coronado, however, was, unsuccessful and returned home. Another expedition led by Juan de Onate Salazar in 1598 explored north of the Rio Grande and claimed most of modern day New Mexico for Spain. Santa Fe became the capital city of the territory and remains the capital of the state.

nattiq and the Land of Statues Barbara Landry, 2020-03-01 In this charming story that includes words in Inuktitut, a ringed seal returns to the Arctic with stories of discovery and friendship. A ringed seal, known in Inuktitut as ᐃᐃᐃᐃ nattiq, has returned to his Arctic home after a long journey south. His friends — a polar bear, caribou, raven, walrus and narwhal — gather round to hear about his trip. “What did you see beyond our land?” shouts the polar bear. ᐃᐃᐃᐃ nattiq describes the amazing sights he has seen — from crystal clear waters full of giant icebergs to the tundra in full summertime bloom to strange, tall statues, far to the south. The statues swayed in the autumn breeze, howled when winter storms set in and opened their arms to nesting birds in the spring. “They can never come and visit us,” ᐃᐃᐃᐃ nattiq explains to his friends, and so he plans to return south every year to tell them stories from the Arctic. Inspired by her travels, Barbara Landry has written an imaginative story about discovery and friendship. Martha Kyak brings her familiarity with the North to the stunning illustrations. Includes a glossary of Inuktitut words.
