London Gig Venues Carl Allen, 2016-04-15 Everything you ever wanted to know about London's rock 'n' roll venues.

Alesha Sean Smith, 2012-08-16 Alesha Dixon has one of the most incredible stories of any star, yet she remains an enigma. Behind the fabulous smile and signature laugh is a private woman whose childhood was blighted by domestic violence, poverty and a lack of confidence. As a beautiful young woman, she has struggled to overcome professional failure and the devastating effect of her husband's infidelity. The UK's leading celebrity biographer Sean Smith has travelled to her home town to uncover the truth about her upbringing, her unconditional love for her mother, her loyalty to her extended family, her feud with her elder brother and her unsettled relationship with her Jamaican father, who left home for good when she was four. He discovers a sensitive and secretive woman, who managed to keep her long-term relationship with a member of one of the country's best-known boy bands hidden from public scrutiny. For the first time that love affair can now be revealed. He examines the circumstances that led to the break-up of her marriage to rapper MC Harvey and the effect that unhappy time has had on her life. Alesha describes a roller-coaster career that began when she was 'discovered' at a dance class in Central London. She achieved huge early success with Mis-Teeq, who had seven consecutive top ten hits before their record label went bust. Her subsequent solo career stalled when she was dropped by Polydor before her debut album was even released, but she turned things around with a spectacular victory on *Strictly Come Dancing*. Sean Smith lays bare her subsequent TV career, including the row over her appointment as a judge on the programme, as well as her triumphant switch to Britain's *Got Talent* in 2012. Alesha is the dramatic and uplifting account of her journey from a humble start in life and how she overcame all obstacles in her way to become an inspiration to women everywhere.

Hit Brands D. Jackson, R. Jankovich, E. Sheinkop, 2013-10-31 Companies and agencies spend vast amounts of money to advertise and brand products and music has been an important part of this. This book assesses how from selecting sound and music for individual products and adverts many large companies have moved to develop a music strategy to align their brand and create emotional impact.

With A Little Bit of Luck Sabrina Mahfouz, 2016-06-22 I want to be iconic. I want to be beautiful, reckless, feared, hated, ahead of the times. I want to be different, I want to be dangerous . . . London, 2001. Raves. Revision. Re-election. Nadia is swept up in one hot summer's night of love that promises endless possibilities. Drinking, dancing, hope, ambition, lust, greed . . . and decisions that will determine the rest of her life. Rhythmically underscored by a live mix of old-school UK Garage, With A Little Bit of Luck explores the legacy of a cultural movement that defined the hopes of a generation. It received its world premiere at the Latitude Festival 2015 and then was produced as a tour by Paines Plough and Latitude from 13 April 2016.

See how They Run Philip King, 1949 So swift is the action, so involved the situations, so rib-tickling the plot in this London hit that at its finish audiences are left as exhausted from laughter as though they had run a foot race. Galloping in and out of the four doors of an English vicarage are an American actor and actress (he is now stationed with the Air Force in England), a cockney maid who has seen too many American movies, an old maid who touches alcohol for the first time in her life, four men in clergyman suits presenting the problem of which is which (for disguised as one is an escaped prisoner), and a sedate Bishop aghast at all these goings-on and the trumped up stories they tell him. --

Little Wimmin Figs in Wigs, 2020-09-17 Figs in Wigs are back and this time they've got their period (dresses). After five years of creating avant-garde, boundary pushing, genre-bending contemporary performance, Figs in Wigs have decided the only way to go is backwards...

10 Nights Shahid Iqbal Khan, 2021-12-02 One man's spiritual journey is about to begin... after he's sent this tweet When Yasser decides to take part in itikaf, sleeping and fasting in the mosque for the last ten nights of Ramadan, he soon regrets his decision. But as he navigates smug worshippers, shared bathrooms, and recurring thoughts of chunky chips, Yasser's isolation forces him to confront a side of himself he's been trying to keep hidden. A moving and funny new play by Shahid Iqbal Khan, 10 Nights is the story of one man's journey of self-discovery and facing the consequences of your actions.

The Adulterants Joe Dunthorne, 2018-03-06 For readers of Roddy Doyle, Nick Hornby, and Mark Haddon, The Adulterants is a piercingly funny—and cringingly poignant—take on how hard it is to grow up and how hard it is when you don't. Ray Morris is a tech journalist with a forgettable face, a tiresome manner, a small but dedicated group of friends, and a wife, Garthene, who is pregnant. He is a man who has never been punched above the neck. He has never committed adultery with his actual body. He has never been caught up in a riot, nor arrested, nor tagged by the state, nor become an international hate-figure. Not until the summer of 2011, when discontent is rising on the streets and within his marriage. Ray has noticed none of this. Not yet. The Adulterants would be a coming-of-age story if its protagonist could only forget that he is thirty-three years old. Throughout a series of escalating catastrophes, our deadpan antihero keeps up a merciless mental commentary on the foibles and failings of those around him, and the vicissitudes of modern urban life: internet trolls, buy-to-let landlords, open marriages, and the threat posed by more sensitive men. But the wonder of The Adulterants is how we feel ourselves rooting for Ray even as we acknowledge that he deserves everything he gets.

Old Rage Sheila Hancock, 2022-06-09 THE SUNDAY TIMES TOP TEN BESTSELLER | WITH EXCLUSIVE NEW MATERIAL 'I want to be Sheila Hancock when I grow up' - Lorraine Kelly 'Wise, witty, kind and true' - Sunday Times 'A sparkling memoir as funny and insightful as it's moving' - Daily Mail 'A captivating memoir' - Mail on Sunday In 2016, Sheila Hancock sat down to write a book about a serene and fulfilled old age. This is not that book. In Old Rage, one of Britain's best-loved actors opens up about her tenth decade. Funny, feisty, honest, she makes for brilliant company as she talks about her life and takes an uncompromising look at a world so different from the one of her wartime childhood. And yet - despite age, despite rage - she finds there are always reasons for joy. 'The much-loved actor candidly shares the fear, joy and frustration she has found in her ninth decade' Guardian, Books of the Year 2022 'Sheila Hancock reflects upon her life and career with all the winning candour and warm-heartedness we have come to expect from the legendary actress' Waterstones

The Brand Innovation Manifesto John Grant, 2006-05-12 The days of the image brands are over, and 'new marketing' has gone mainstream. The world's biggest companies are pursuing a post-advertising strategy, moving away from advertising and investing in leading edge alternatives. In the vanguard of the revolution has been John Grant, co-founder of the legendary agency St. Luke's and author of The New Marketing Manifesto, whose radical thinking has informed a generation. Now Grant is set to stun the industry again. In The Brand Innovation Manifesto, he

redefines the nature of brands, showing why old models and scales no longer work and revealing that the key to success today is impacting people's lifestyles (think Starbucks, iPod and eBay). At the heart of the book is the concept of the 'brand molecule' to which new cultural ideas can be constantly added to keep pace with change. Cataloguing 32 classes of idea, Grant presents a practical approach to mixing and matching them within your own market to develop new brand ideas - and new ideas for existing brands.

Honest: My Story So Far Tulisa Contostavlos, 2012-09-27 Tulisa Contostavlos is one of the most talented and high-profile recording artists working in the UK today. She has three platinum N-Dubz albums, four MOBO awards, a groundbreaking drama series, two documentaries, a MIND award and an X Factor judge's win under her belt. Not bad for a girl who's not yet twenty-four. But this is not just a tale of glittering success. Tulisa grew up on a tough London estate and left school with no qualifications as she struggled to cope with deep-seated emotional problems while caring for her mother alone. She has seen first hand what drugs, alcohol, gang culture and violent relationships can do to young people, but she has come through it all to become the confident, inspiring artist she is today. After taking her little muffins Little Mix to the winning spot of the X Factor at the end of 2011, and with her long-awaited solo album being released later this year, the future is bright for Tulisa. Told in her own words, this is her story.

The House of Rothschild Niall Ferguson, 2000-09-01 A major work of economic, social and political history, Niall Ferguson's *The House of Rothschild: The World's Banker 1849-1999* is the second volume of the acclaimed, landmark history of the legendary Rothschild banking dynasty. Niall Ferguson's *House of Rothschild: Money's Prophets 1798-1848* was hailed as a great biography by Time magazine and named one of the best books of the year by Business Week. Now, with all the depth, clarity and drama with which he traced their ascent, Ferguson - the first historian with access to the long-lost Rothschild family archives - concludes his myth-breaking portrait of once of the most fascinating and powerful families of all time. From Crimea to World War II, wars repeatedly threatened the stability of the Rothschilds' worldwide empire. Despite these many global upheavals, theirs remained the biggest bank in the world up until the First World War, their interests extending far beyond the realm of finance. Yet the Rothschilds' failure to establish themselves successfully in the United States proved fateful, and as financial power shifted from London to New York after 1914, their power waned. A stupendous achievement, a triumph of historical research and imagination.-Robert Skidelsky, The New York Review of Books Niall Ferguson's brilliant and altogether enthralling two-volume family saga proves that academic historians can still tell great stories that the rest of us want to read.-The New York Times Book Review Superb ... An impressive ... account of the Rothschilds and their role in history.-Boston Globe Niall Ferguson's new book *The Square and the Tower: Networks and Power*, from the Freemasons to Facebook will be published in January 2018.
