Overman,2012-02-13 This collection of fascinating biographies of outstanding women athletes past and present including superstars such as Nadia Comaneci, Mia Hamm, Jackie-Joyner Kersee, Danica Patrick, and Serena and Venus Williams. Icons of Women's Sport identifies and examines the individuals who have impacted history, challenged the status quo, influenced sport culture, and garnered wide public interest. Including stars from the past and present, ranging from Babe Didrikson Zaharias and Billie Jean King to Dara Torres and Venus and Serena Williams, the featured athletes are iconic not only because of their achievements in the sports arena, but also because of their contributions to society: advancing cultural diversity and gender equity, breaking class barriers, and transcending stereotypes. The book contains biographies of 36 women athletes—American and international—who excelled in competitive sports from the post-World War I era through the modern era in a dozen different sports. Icons of Women's Sport spotlights athletes across a wide range of women's sports, with appropriate attention given to the major sports. Readers will enjoy learning about stars from both amateur and professional sports arenas, including Olympic athletes, as well as female competitors who have reached the top of their game in newer arenas such as golf and snowboarding.

Win The Youth Sports Game John Yeigh,2022-01-11 How to Ensure That Your Children Are Given The Opportunity to Succeed at Sports Win The Youth Sports Game objectively narrates how ordinary kids can progress, survive, and thrive within today's \$20 billion, youth-sports industrial complex. The sixteen-year developmental trek from toddler to collegiate athlete is chronicled while juxtaposing the real-life challenges that athletes in all sports must endure and overcome. Win The Youth Sports Game is the first title ever to provide an honest reality-check for parents—a What to Expect When You are Expecting for youth sports. Fifty incredibly common, adult-imposed obstacles are exposed so that parents can help their athletes navigate and overcome these challenges along their own sports journeys. Fifty million parents may be hopeful their young athletes are on track to play college sports and win a scholarship, but only about 2 percent of elite high school athletes receive even a partial sports scholarship. Share this book's table of contents with any sports parent, and they'll immediately identify with some of the seemingly outrageous storylines. The unfortunate outcome is that more than 75 percent of kids quit sports by age fourteen, with over-zealous adults being a big contributor. The author will donate half of any profits to Project Play's youth-sports advocacy programs.
