The Best Seat in Baseball, But You Have to Stand! Lee Gutkind, 2014-03-11 DIVDIVA fascinating and revealing look inside the lives of umpires, from the godfather of creative nonfiction/divDIV In 1974. Lee Gutkind walked into Shea Stadium, then home of the New York Mets, with an unusual proposal. He wanted to chronicle one of the least celebrated cadres in professional baseball: the umpires. Gutkind spent one exhilarating season traveling with the officiating crew he found that day-Doug Harvey, Nick Colosi, Harry Wendelstedt, and Art Williams, the first African American umpire in National League history. Gutkind's narrative reveals much about the peculiarities of the men charged with the "thankless and impossible task of invoking order"—their work ethic, fallibility, and perhaps most strikingly, their pride./divDIV As resonant today as when it was first published, The Best Seat in Baseball, But You Have to Stand! is an engrossing story of the men who work on one of the nation's biggest stages, their victories and their failures, and their inner worlds that are rarely—if ever—explored./divDIV/div/div

Scoring from Second Philip F. Deaver, 2007-04-01 Why do accomplished writers (and grown-ups) like Ron Carlson, Rick Bass, and Michael Chabon (to name but a few of those represented here) still obsess over their baseball days? What is it about this green game of suspense that not only moves us but can also move us to flights of lyrical writing? In Scoring from Second: Writers on Baseball some of the literary lights of our day answer these questions with

essays, reminiscences, and meditations on the sport that is America's game but also a deeply personal experience for player, observer, and fan alike. Here writers as different as Andre Dubus and Leslie Epstein, Chabon and Floyd Skloot, Michael Martone and William Least Heat-Moon reflect on the game they grew up with, the players who thrilled them, and the lessons that baseball holds for us all. From the one-season wonder to the long-haul heroes to the hall of fame, the game that has framed so many American summers-and livescomes to quirky, instructive, and always entertaining life in these pages. Philip F. Deaver is the author of How Men Pray and Silent Retreats and winner of the Flannery O'Connor Award for Short Fiction. He is writer-in-residence and associate professor of English at Rollins College in Winter Park, Florida. Lee K. Abbott is the author of seven collections of short stories. including Wet Places at Noon and All Things, All at Once: New & Selected Stories. Dinner with DiMaggio Rock Positano, John Positano, 2017-05-09 Revealing and little-known stories of the great Yankees Hall of Famer from the man who knew him best in the last ten years of his life--

Dear Baseball Gods: A Memoir Dan Blewett, 2019-04-08 Dear Baseball Gods, Why didn't you look out for him? Didn't he deserve better? He hustled, competed, and played the game the right way. What happened wasn't fair. A Second Comeback Dan sat by a tree, staring at the ground trying to decide what he would do next. The doctor had just explained that everything he worked for was now ruined. A second Tommy John surgery? Does anyone come back from that? Is my career over? Is this it? A Winding Road to the Top As a walk-on in college, Dan had to earn everything. He pitched on three hours sleep, lived in the clubhouse, played for a team that collapsed mid-season, and endured more arm pain than any kid should. A Way to Move On When finally forced to hang up his cleats, Dan looked in the mirror and didn't recognize the man peering back. If no longer a ballplayer...what would he do? What had been the point of it all? Who was he? The Deeper Side of Life as an Athlete In this philosophical memoir, written as a series of letters, you'll learn that the pinstripes don't wash off so easily.

Baseball in San Diego Bill Swank,2005 Baseball in San Diego: From the Plaza to the Padres, takes the reader on a seven-decade journey from Horton Plaza, the site of San Diego's first base ball game in 1871, to lower Broadway and the future home of Lane Field. Before the Pacific Coast League, San Diego had three Class D teams. One was the Bears, whose frustrated owner Dick Cooley complained, I don't believe they'll make baseball pay here in a thousand years. With America's finest year-round climate, barnstorming and black baseball were popular attractions. Rube Foster's Chicago American Giants practically lived in San Diego in the winter of 1913. All the while, there were constant struggles between the forces of amateur and professional baseball for players, diamonds, and sports coverage.

From the return of National League baseball to New York to the publication of Ball Four, these are fascinating stories viewed from a unique perspective. The Pine Tar Game Filip Bondy, 2016-08-02 On July 24, 1983, during the finale of a heated four-game series between the dynastic New York Yankees and small-town Kansas City Royals, umpires nullified a go-ahead home run based on an obscure rule, when Yankees manager Billy Martin pointed out an illegal amount of pine tar, the sticky substance used for a better grip, on Royals third baseman George Brett's bat. Brett wildly charged out of the dugout and

chaos ensued. The call temporarily cost the Royals the game, but the decision was eventually overturned, resulting in a resumption of the game several weeks later that created its own hysteria. The Pine Tar Game chronicles this watershed moment, marking a pivot in the sport, when benign cheating tactics, like spitballs, Superball bats, and a couple extra inches of tar on an ash bat, gave way to era of soaring salaries, labor struggles, and rampant use of performance-enhancing drugs. Filip Bondy paints a portrait of the Yankees and Royals of that era, featuring two diametrically opposed owners, in George Steinbrenner and Ewing Kauffman; a host of bad actors and phenomenal athletes; and lots of yelling. Players and club officials like Brett, Goose Gossage, Willie Randolph, Ron Guidry, Sparky Lyle, David Cone, and John Schuerholz offer fresh commentary on the events along with their take on a rivalry that culminated in one of the most iconic baseball tantrums of all time. Rush Limbaugh, employed by the Royals at the time as a promotions director, offers his own insider's perspective. Through this one fateful game, the ensuing protest, and ultimate fallout, The Pine Tar Game examines a more innocent time in professional sports, as well as the shifting tide that gave us today's modern iteration of baseball.

Baseball Steven Philip Gietschier, 2023-07 Baseball: The Turbulent Midcentury Years explores the history of organized baseball during the middle of the twentieth century, examining the sport on and off the field and contextualizing its development as both sport and business within the broader contours of American history. Steven P. Gietschier begins with the Great Depression, looking at how those years of economic turmoil shaped the sport and how baseball responded. Gietschier covers a then-burgeoning group of owners, players, and key figures--among them Branch Rickey, Larry MacPhail, Hank Greenberg, Ford Frick, and several others--whose stories figure prominently in baseball's past and some of whom are still prominent in its collective consciousness. Combining narrative and analysis, Gietschier tells

the game's history across more than three decades while simultaneously exploring its politics and economics, including, for example, how the game confronted and barely survived the United States' entry into World War II; how owners controlled their labor supply--the players; and how the business of baseball interacted with the federal government. He reveals how baseball handled the return to peacetime and the defining postwar decade, including the integration of the game, the demise of the Negro Leagues, the emergence of television, and the first efforts to move franchises and expand into new markets. Gietschier considers much of the work done by biographers, scholars, and baseball researchers to inform a new and current history of baseball in one of its more important and transformational periods.

Baseball Ron Martriano, 2015-03-24 Jam-packed with cool baseball trivia, history-making records, unforgettable moments, and wacky true tales of your favorite games, players and events. Baseball is rich in anecdotes about team superstitions (from the black cat that haunted the Cubs to the Curse of the Babe), the antics of the superstars, and other facts that come out of left field. Think today's umpires have a temper? Wait till you read about the 19th century New Jersey ump who pulled out a gun and shoved it in the face of a player who came at him with a bat. Or about the time three Brooklyn Dodger runners found themselves at third base--together. Fans will laugh, they'll learn--and they

won't put this down! From the Trade Paperback edition.

American Legion Baseball William E. Akin,2021-12-15 In the wake of the 1919 White Sox scandal and the suspension for life of eight players, baseball saw a precipitous decline in popularity, especially among America's youth. To combat this, a group of World War I veterans who were members of the newly formed American Legion created an organization to promote teenage interest in baseball. Led by John L. Griffith, who became the first commissioner of the Big Ten Conference, the Legion undertook the revival of baseball. In the 1920s and through the Great Depression and World War II, Legion baseball grew steadily. By 1950 it had become the principal training ground for major league players, boasting at its peak more than 16,000 teams across the country. Tracing the long history of this uniquely American institution, this work details each year's American Legion World Series and the ups and downs of participation over nearly a century.

Making the Play Dave Winfield, 2008-02-05 Hall of Famer and former Yankee great Dave Winfield presents his compelling plan of action for saving baseball from self-destruction. Urbane and entertaining, this work inspires readers to get out of their armchairs and into the action.

<u>Baseball in the Classroom</u> Edward J. Rielly,2006-10-04 As scholarly interest in baseball has increased in recent years, so too has the use of baseball both as subject and as teaching method in college courses. In addition to lecturing on baseball history, professors are more frequently using baseball

as a pedagogical tool to teach other disciplines. Baseball's interdisciplinary appeal is evident in the myriad ways that diverse college faculty have made use of it in the classroom. In this collection of essays, professors from different disciplines explain how they have used baseball in higher education. Organized by academic field, essays offer insight into how baseball can help teach key issues in archival research, business, cultural studies, education, experiential learning, film, American history, labor relations, law, literature, Native American studies, philosophy, public speaking, race studies and social history.

Baseball, Battle, and a Bride James Bement, 2009 Robert Freese was twenty-five when the Japanese attacked Pearl Harbor. A month later, he was drafted. Following a few months of training in the States, Robert shipped out to Australia with the 32nd Infantry Division, the first US Army unit to take the fight to the Japanese. After playing baseball for the division and training for battle, Robert was transported north to New Guinea with the rest of the 32nd Infantry Division. In November 1942, after enduring a grueling two month journey through an unforgiving jungle environment just to get into position to attack, MacArthur's forces engaged the Japanese at the Battle of Buna, now known as Bloody Buna. Robert was in the thick of the action, as the mission of his regiment was to take the two Japanese airfields central to the whole operation. The title Baseball, Battle, and a Bride: (An Okie in World War II) comes from Robert's quest to play professional baseball before World War II

and his place on the 32nd Infantry Division's team, his role in the Battle of Buna and two amphibious operations, and his romance of Leona Nievar, which resulted in their wedding in November 1944 and, to date, sixty-five years of marriage.
