*AI for Sports* Chris Brady, Karl Tuyls, Shayegan Omidshafiei, 2022-01-28 It seems that artificial intelligence (AI) is always just five years away, but it never arrives. Recently, however, developments have made the practical utility of game theory a genuine reality. Will sport provide the petri dish in which AI will prove itself? What do domain specialists like managers and coaches want to know that they can't currently find out, and can AI provide the answer? What competitive advantages might AI provide for recruitment, performance and tactics, health and fitness, pedagogy, broadcasting, eSports, gambling and stadium design in the future? Written by leading experts in both sports management and AI, *AI for Sports* begins to answer these and many other questions on the future of AI for sports.

**Guinness World Records 2017** Guinness World Records, 2016-11-15 The ultimate annual book of records is back and crammed with more than ever before! Guinness World Records 2017 is bursting with all-new records on topics as diverse as black holes, domes, owls, and killer plants. Want to know the highest anyone has travelled on a skateboard, or the largest loop-the-loop completed in a car? Dying to know just how many tricks a cat can do in one minute? The answers to these questions and so much more are right inside. New in this year's edition are exciting infographic features exploring the fascinating details on topics such as animals, the human body, sports, and explorations. And of course all your favorite record categories are updated for 2017, such as the world's new tallest dog! And as ever, our team of world-class photographers have traveled the globe to capture amazing images of the year's most impressive record holders. Let us know your favorite! Do try this at home... Want to be a record-breaker? Inside you'll find challenges you can try in the back yard, in the kitchen, in your bedroom, or even in the gym. Who knows, you may become a world record holder yourself! Bonus content for the US edition Find exclusive pages just for the USA featuring amazing records from

the X Games and a special look at the 125th anniversary of basketball.

Guinness World Records 2018 Guinness World Records, 2017-08-29 The record-breaking records annual is back and packed with more incredible accomplishments, stunts, cutting-edge science and amazing sporting achievements than ever before. With more than 3,000 new and updated records and 1,000 eye-popping photos, it has thousands of new stats and facts and dazzling new features. There is so much to explore inside. Go on a whirlwind tour of the planet's most amazing places, from the largest swamps to the deepest points on Earth. Find out what happens when you give an octopus a Rubik's Cube, and why all you need to defend yourself from a crocodile is a rubber band! You'll also find all your favorite records and categories such as Big Stuff, Collections, Mass Participation and Fun with Food, plus the year's most significant sporting achievements. Our editors have also taken inspiration this year from the world of superheroes - both fictional and real-world - so look out for our feature chapter charting your favorite caped crusaders in comic books, TV shows and movies. We also meet the real-life record-breakers with genuine superpowers, such as the Canadian strongman vicar who can pull a jumbo jet and an actual cyborg who uses technology to augment his senses. You'll also learn all about the science of superheroes, such as who the fastest and strongest superheroes would be if they came to life, and who would win in a royal rumble between Superman, Batman, Hulk and Dr Strange! Also new this year is a celebration of the superlative with infographic poster pages that explore the most exciting absolutes, such as the longest, tallest, fastest and heaviest. Does the longest sofa outstretch the longest train? Is the tallest Easter egg bigger than the tallest snowman? Find out in this amazing new edition.

You'll also find these special pages available as free poster downloads at [guinnessworldrecords.com](http://guinnessworldrecords.com)! From science to showbiz via stunts and sports, there are real-life heroes all around us in all shapes and sizes, achieving the extraordinary every day.
