Homemade Bath Bombs & More Heidi

Kundin, 2020-02-18 Easy-to-make, all-natural bath bombs and other beauty indulgences Imagine sinking into a tub filled with heavenly scented bubbles that lift away your stress. Or maybe you crave a bath with refreshingly fragrant fizz that wakes up your spirit and energizes your body. With step-by-step instructions and beautiful full-color photos, Homemade Bath Bombs & More will deliver an amazing bath experience that perfectly meets your needs. · Discover more than 75 easy recipes for delightful bath bombs, along with other fun and luxurious bath products such as sugar scrubs, body butter, and bath jellies. · Indulge for a small fraction of the prices at trendy bath and body stores. (Many of the bath bombs in this book can be made for just \$1 each!) · Feel good knowing that each recipe is made with naturally derived ingredients that nourish your skin and pamper your bath. · Make gorgeous, affordable bath gifts to keep on hand or customize for friends and family. The creative and colorful DIY recipes in this book are guaranteed to deliver the self-care you need on a smart budget!

Spa Menu Phebe Durand, 2008-07-08 Combining the techniques used by the world's leading resorts with the most effective, 100% natural massage and beauty products, this book presents something that has never been compiled before: A step-by-step guide to your own home or professional spa. Inside this book are the full techniques used to perform luxurious indulgence; from facials to full body massage followed by a specialty bath and ended

with exotic cremes and lotions, this book will lead you through some of the world's most revered spa treatments. Some of the treatments included are the Chocolate Indulgence Treatment, the Traditional Balinese Treatment, and the Aromatherapy Treatment. Each technique shows you what needs to be performed, and includes full recipes to create the natural beauty products yourself (things like a mochaccino body scrub, floral facial, and sacred milk & flower bath). Even if you have never created natural beauty products before, you will learn how with this book - and have inspiration galore!

Beauty Bath Ruth Logan, 2015-09-29 Beauty Bath - How to Create a Professional Quality Home Spa for Relaxation and Pure Indulgence
Glare at the clock
Dash into the bathroom and turn on the taps to fill the bathtub and dash out
Glare at the clock
Tear all the clothes off your body
Dash back in to check the temperature and glare at the clock again before shutting the bathroom door
Grab a random handful of bath supplies and get into a half-filled tub that has water that is either too hot or too cold
Finish up in the shortest possible time and dash out and glare at the clock
Does this scenario sound painfully familiar? If it does, it's probably because it is exactly what we all do on a regular basis. Even on the days when we are determined to not just 'grab a quick shower' and decide to relax in a perfect bath, the reality usually follows the pattern described above. As a result, we are no less stressed than we were before the 'relaxation effort' and have also harmed our skin in the process, by subjecting it

to harmful water temperatures and harsh treatment. So why does it happen? One clear reason is the sheer lack of precious minutes that are required to take a rejuvenating and refreshing bath. This is why the clock becomes the most important aspect of this activity. The second and more serious reason is a lack of knowledge about the amazing benefits of a beauty bath. Most people ignorantly assume that the only purpose of a bath (like that of a shower) is to just get clean in the shortest time possible. It is the desire to dispel this ignorance that is at the heart of this book. There is a truly mind boggling array of benefits to taking a thorough and relaxed bath. What's more, the benefits are certainly more than skin deep! A perfect Beauty Bath can significantly alter a person's mood, relaxation and sense of well-being for the better. Physically and emotionally, something as simple as an indulgent soak can prove to be a powerful antidote to fatigue, pain, stress and general irritability. As you pore over the pages of this book I hope that you will allow the contents to permeate deep within you. I hope that you will allow these ideas and thoughts to infuse a sense of joy and health into your bath time rituals and that you will protect that time as something precious and essential to your happiness and quality of life. Spa Bodywork Anne Williams,2007 This textbook guides massage therapists through each step of delivering a spa treatment—from consideration of the indications and contraindications to scope of practice issues, supplies, room set-up, specific procedure steps, and ideas for integrating massage techniques, spa products, and enhancing accents. While wet-room treatments are discussed, the focus is on dry-room treatments, which can be delivered in a wider variety of settings. More than 250 full-color photographs illustrate each technique and treatment. Treatment Snapshot boxes provide a quick overview of the treatment before the detailed step-by-step procedures section. Sanitation Boxes offer clean-up and sanitation tips. Sample Treatments include promotional descriptions, product recommendations, and recipes for creating inviting smell-scapes.

The Trans-Cosmic, Ultra-Organic Energy Spa for your Body, Mind, and Spirit: or Bathtub Magic You Can Practice at Home Brooke Palmer,

Oasis Eva Marie Everson,2007-03-01 Women have a

tendency to let the busyness of life distract them from taking good care of themselves. But both their physical and spiritual bodies need daily care. Oasis helps women focus on restoring beauty and vitality to their outward appearance as well as their inner being. Like a well-appointed spa, Oasis provides women with both immediate relaxation and tips on how to nurture a lifestyle of peace and rest for their souls. Packed with ideas that regenerate and replenish body and spirit, Oasis helps women understand and enhance their God-given beauty-inside and out.

Be Well Kari Molvar, Robert

Klanten, Gestalten, 2020 A showcase of the current culture and architecture, protagonists and ideas, and treatments and aims of twenty-first-century wellbeing. One of life's greatest pleasures is a day spent rejuvenating the body and nourishing the spirit. Humans have practiced self-care for centuries--in the sweat lodges of the American Southwest, Roman baths, the hammams of the Ottoman Empire, Japanese onsens, and Finnish saunas. Today, a new interest in self-care is redefining how we accomplish wellness, and there have never been more options. In our increasingly switched-on lives, a growing industry of highly choreographed experiences is geared to help us switch off. Be Well is a journey around the world's most extraordinary spaces for achieving this, looking at the innovative practices they offer and how to carry them into everyday life.
