Marziah Karch

Android for Work Marziah Karch, 2011-01-26 Android is new, Android is open, and Android is fun. It's also serious about business. Android for Work shows you how to harness the power of Android to stay productive and take your office on the road. This book also sheds light on the often daunting task of finding the right Android phone for the business user. Whether this is your first smartphone, your first Android smartphone, or your first attempt to make your phone into a productivity tool, Android for Work gets you started. You'll learn how to manage email and tasks, but you'll also learn how to weed through the sea of games to find specialized productivity tools for a variety of professions. For those that are more interested in an enterprise wide deployment, the book includes an appendix of information on administering Android phones, creating custom interfaces, and creating specialized apps for your enterprise. You'll also learn more about integrating Android with other Google Apps for enterprise.

Charging The Human Battery Mac Anderson, 2008-06-01 A message from the author, Mac Anderson, about Charging the Human Battery: I love stories that can engage our hearts and our souls! In Charging the Human Battery, I share in 50 Ways to Motivate Yourself. All the chapters are brief stories with high impact. My goal with this little book is to create many a-ha moments that can inspire, encourage and motivate you when you need it most! Self-motivation is a subject that has always fascinated me. It can be the differentiator between being energized by life, rather than controlled by its circumstances. Charging the Human Battery is filled with stories and quotes that are designed to engage your brain and your heart, to think about life in a new way...because one idea, if you're ready for it, can change your life forever. Just remember...people are like sticks of dynamite; the power's on the inside but nothing happens until the fuse gets lit. So take a few moments to light your fuse today...and see how you how high your life can soar. From Eddie Curley of Naperville, Illinois. There is more wisdom and inspiration in this book than any I've read in a long time. It can change the way you think about life.

Handbook on Battery Energy Storage System Asian Development Bank, 2018-12-01 This handbook serves as a guide to deploying battery energy storage technologies, specifically for distributed energy resources and flexibility resources. Battery energy storage technology is the most promising, rapidly developed technology as it provides higher efficiency and ease of control. With energy transition through decarbonization and decentralization, energy storage plays a significant role to enhance grid efficiency by alleviating volatility from demand and supply. Energy storage also contributes to the grid integration of renewable energy and promotion of microgrid.

Assessing Gender Based Violence under Rwandan Law. Case of Assault and Battery Muhire Faustin, 2022-12-23 Essay from the year 2022 in the subject Law - Public Law / Constitutional Law / Basic Rights, , language: English, abstract: This paper discusses physical violence, or assault and battery as otherwise referred to, as one of the forms of gender-based violence (GBV) in Rwandan law. The main objective is to determine and analyze the causes and effects of this form of GBV. The paper looks into the existing legal framework and various policies put in place to address the issue and determine how investigations and prosecution of the offence are effectively conducted. The existing relevant case law reveals there is an issue of qualification of the offence and its punishment due to the causes of this criminal behavior, including drunkenness, drugs, bad character, accidental event, etc. It also appears controversial to distinguish spousal harassment that has a battery and assault dimension of the assault and battery offence provided in the law determining offences and their Penalties in General. The paper concludes with suggestions on how these challenges of qualification and punishment of the offence can be overcome.
