Image and Ideology in Modern/Postmodern Discourse David B. Downing, Susan Bazargan, 1991-09-27 This book addresses the function and status of the visual and verbal image as it relates to social, political, and ideological issues. The authors first articulate some of the lost connections between image and ideology, then locate their argument within the modernist/postmodernist debates. The book addresses the multiple, trans-disciplinary problems arising from the ways cultures, authors, and texts mobilize particular images in order to confront, conceal, work through, or resolve contradictory ideological conditions.
