But the city itself is in trouble now--the evil Pam wants to capture the bears and sell them, and it's up to the Council to move the city to a safe, new location.Except that Pam shows up right in the middle of their move, cutting off Spencer from his parents and kidnapping most of the Bearhaven bears. Spencer doesn't know how to keep the free bears safe, save the captured bears, and get word to his parents at the new Bearhaven all at once, but he's going to have to figure it out, fast, to stop Pam once and for all!
