J. Lyn Jackson

Battlefield 3 Andy McNab, 2011-11-01 As bullets whiz by, walls crumble, and explosions throw you to the ground, the battlefield feels more alive and interactive than ever before. In Battlefield 3, players step into the role of the elite U.S. Marines where they will experience heart-pounding missions across diverse locations including Paris, Tehran and New York... Since 2002, EA's series of Battlefield games have set the standard for realism and ambition. And in Autumn 2011, with the global release of the hotly anticipated Battlefield 3, they're raising the bar even higher. Battlefield 3 will be the most authentic, vivid, all-action first person shooter ever. To be published alongside the game, Battlefield 3: The Russian is also best in class - the first time that a games publisher has worked so closely with an internationally bestselling author. Never before has a tie-in book benefitted from this level of collaboration from the creative team behind the game itself. Nor has it been written by a thriller writer with such a strong track record and reputation. Displaying all of McNab's trademark grit, authenticity and insight, Battlefield 3: The Russian is a scorching top-of-the-line military thriller and a heart-stopping race against time. Prepare to be blown away... ANDY MCNAB joined the infantry as a boy soldier. In 1984 he was 'badged' as a member of 22 SAS Regiment and was involved in both covert and overt special operations worldwide. During the Gulf War he commanded Bravo Two Zero, a patrol that, in the words of his commanding officer, 'will remain

in regimental history for ever'. Awarded both the Distinguished Conduct Medal (DCM) and Military Medal (MM) during his military career, McNab was the British Army's most highly decorated serving soldier when he finally left the SAS in February 1993. He wrote about his experiences in three books: the phenomenal bestseller Bravo Two Zero, Immediate Action and Seven Troop. He is the author of the bestselling Nick Stone thrillers. Besides his writing work, he lectures to security and intelligence agencies in both the USA and UK. He is a patron of the Help for Heroes campaign. www.andymcnab.co.uk PETER GRIMSDALE is a multi-award-winning television producer with a raft of major documentaries to his credit. He is married to the writer Stephanie Calman and lives in south London.

Midnight Wolf J. Lyn Jackson, 2023-12-19 About the Book Jasmine is a young girl who desires to be normal, but her family lineage and future responsibilities do not allow for her to lead a normal life. Jasmine is a hybrid werewolf and witch, heir to the largest pack on the American continent and the main seat on the witches' council. On Jasmine's 18th birthday she discovers she also has her father's powers when she shifts into her wolf. This is when Jasmine discovers what she thought to be a bedtime story is a prophecy for the supernatural race. Jasmine, along with her friends, family, and protectors, must fight for the rights of the supernatural world against their own, those who want to segregate the species and have only pure bloodlines. Midnight Wolf has it all—wolves, vampires, witches, Fae, elves, trolls, and others working together to secure the futures of all. This story hopefully has individuals thinking about race issues, that there are good and bad people in every walk of life, no race is inherently bad. About the Author J. Lyn Jackson is a mother to three amazing kids: two daughters and a son. Her girls are grown and discovering the world around them. One is getting married and the other is in her second year of college. Her son is in second grade, constantly teaching her new things in life. He was diagnosed with autism and a speech disorder at three. The learning curve never ends—it is

amazing. Being a mother is the best blessing she has had bestowed on her. J. Lyn spent over twenty years serving in the military: Air Force and Air National Guard. Her job there was as a medic and EMT, and she retired in 2018. She is part of a federally recognized tribe, the Cow Creek Band of Umpqua Tribe of Indians, which is a small tribe in Oregon. As far as hobbies, J. Lyn does enjoy getting out in nature, be it for hiking, camping, fishing—it doesn't matter. She does a lot of beadwork, some for their regalia and some just because it is calming to her. She spends a lot of time in her backyard gardening and, of course, she writes.

Playful Virtual Violence Christoph Bareither,2020-10-29 Violence in video games has been a controversial object of public discourse for several decades. The question of what kind of emotional experiences players enact when playing with representations of physical violence in games has been largely ignored however. Building upon an extensive ethnographic study of players' emotional practices in video games, including participant observation in online games, qualitative interviews, an analysis of YouTube videos and gaming magazines since the 1980s, this Element provides new insights into the complexity and diversity of player experiences and the pleasures of playful virtual violence. Instead of either defending or condemning the players, it contributes foundational, unprejudiced knowledge for a societal and academic debate on a critical aspect of video gaming. This

Game Dynamics Oliver Korn, Newton Lee, 2017-03-29 This book offers a compendium of best practices in game dynamics. It covers a wide range of dynamic game elements ranging from player behavior over artificial intelligence to procedural content generation. Such dynamics make virtual worlds more lively and realistic and they also create the potential for moments of amazement and surprise. In many cases, game dynamics are driven by a combination of random seeds, player records and procedural algorithms.

Games can even incorporate the player's real-world behavior to create dynamic responses. The best practices illustrate how dynamic elements improve the user experience and increase the replay value. The book draws upon interdisciplinary approaches; researchers and practitioners from Game Studies, Computer Science, Human-Computer Interaction, Psychology and other disciplines will find this book to be an exceptional resource of both creative inspiration and hands-on process knowledge.

Cultural Responses to Occupation in Japan Adam Broinowski, 2016-01-14

Cultural Responses to Occupation in Japan examines how the performing arts, and the performing body specifically, have shaped and been shaped by the political and historical conditions experienced in Japan during the Cold War and post-Cold War periods. This study of original and secondary materials from the fields of theatre, dance, performance art, film and poetry, probes the interrelationship that exists between the body and the nation-state. Important artistic works, such as Ankoku Butoh (dance of darkness) and its subsequent re-interpretation by a leading political performance company Gekidan Kaitaisha (theatre of deconstruction), are analysed using ethnographic, historical and theoretical modes. This approach reveals the nuanced and prolonged effects of military, cultural and political occupation in Japan over a duration of dramatic change. *Cultural Responses to Occupation in Japan* explores issues of discrimination, marginality, trauma, memory and the mediation of history in a ground-breaking work that will be of great significance to anyone interested in the symbiosis of culture and conflict.

Ugly War, Pretty Package Deborah L. Jaramillo, 2009-09-25 Deborah L.

Jaramillo investigates cable news' presentation of the Iraq War in relation to high concept filmmaking. High concept films can be reduced to single-

sentence summaries and feature pre-sold elements; they were considered financially safe projects that would sustain consumer interest beyond their initial theatrical run. Using high concept as a framework for the analysis of the 2003 coverage of the Iraq War -- paying close attention to how Fox News and CNN packaged and promoted the U.S. invasion of Iraq -- Ugly War, Pretty Package offers a new paradigm for understanding how television news reporting shapes our perceptions of events.

Beachhead Don Don Whitehead, 2009-08-25 Winner of two Pulitzer Prizes, Don Whitehead delivered battlefield dispatches that were classics of frontline reporting. One of the legendary reporters of World War II, Whitehead covered almost every important Allied invasion and campaign in Europe—from landings in Sicily, Salerno, and Anzio on the Italian front to Normandy, where he went ashore with the First Army Division. Writing for the Associated Press, he covered the brutal beachhead fighting and followed the Allied sweep to victory across France, Belgium, and Germany. Daring, valiant, and fearless, Beachhead Don was one of sixteen correspondents awarded the Medal of Freedom by Harry S. Truman. Collected here for the first time, his dispatches are classics of war journalism. This book, long overdue, will help a new generation discover Whitehead's vivid, powerful, and unforgettable stories of men at war. John Romeiser provides a richly detailed introduction and background to the man, his work, and his world.
