British Battleships of World War Two Alan Raven,John Roberts,1976 This lavishly-illustrated volume, first published in 1976 and back by popular demand, presents the full story of the design and construction of every British battleship and battlecruiser class that served in World War II--from the Queen Elizabeth class to the Vanguard. Noted authors Alan Raven and John Roberts include a comprehensive review of each ship's initial configuration and refits as well as developments in weapons, gunnery, fire control, radar, protection, and propulsion. There are also sections devoted to combat actions involving British battleships and comparisons with battleships of other navies. Six hundred photographs and illustrations, including sixteen fold-out

pages, complement the authoritative history of the vessels. For other books in the battleship series, see page 26.
