Smith, J. Jaye

Batty, 2011-08-23 Batty's efforts to impress visitors at the zoo fail, but he is determined to be popular like the other animals. First he goes to the penguin pool but the water is cold and he doesn't like fish. Then he tries the gorilla enclosure but he doesn't have any fleas for the gorillas to pick off him. He tries to laze in the sun with the lions but it's far too bright for his sensitive eyes. When eventually he returns to his bat cave he finds that everyone else is trying to be like him, hanging upside down. Jane Goes Batty Michael Thomas Ford, 2011-02-01 After two hundred years undead, Jane Austen still has bite. But will her most recent literary success be her last? Life was a lot easier for Jane when she was just an unknown, undead bookstore owner in a sleepy hamlet in upstate New York. But now the world embraces her as Jane Fairfax, author of the bestselling novel *Constance*—and she's having a killer time trying to keep her true identity as the Jane Austen a secret. Even the ongoing lessons in *How to Be a Vampire*, taught by her former lover Lord Byron, don't seem to be helping much. Jane can barely focus on her boyfriend, Walter, while keeping him in the dark about her more sanguine tastes. To make matters worse, Walter announces that his mother is coming for a visit—and she's expecting Jane to be Jewish. Add in a demanding new editor, a convention of romance readers in period costume, a Hollywood camera crew following Jane's every move, and the constant threat of a certain bloodsucking Brontë sister coming back to finish her off, and it's enough to make even the most well-mannered heroine go batty!

Batty Betty KATHRYN. HAST, 2017-07-22 In a world that seems to encourage us all to look, talk, think, and act the same and is in a constant state of comparison, how can we teach children from a young age that their differences are actually their strengths, not their weaknesses? It all begins with what we show them and tell them, and a wonderful starting point for this important conversation is the engaging, beautifully illustrated new book *Batty Betty* by children's author Kathryn Hast (LuJu Books). What sets this book apart from others in the stack is its storyline - which is purposefully, delightfully whimsical even as it tackles tough subjects - as well as its lyrical style. Hast wanted to be sure it was just as fun for both parents and children to read while also illuminating ways to approach and take on real and often difficult scenarios. Enter: Abel, the tuba; Eve, the sad banana; and Betty, a giant who dances unapologetically to her own drum. When Abel goes out marching by himself, he finds a sad banana named Eve who has been bullied by local beavers. As it turns out, she's not alone. The beavers are also out for Betty, who stands out with her towering height and batty behavior. Abel sets out to defeat these beavers, but soon discovers it's not about winning - it's about finding your own music amidst the ruckus and noise.

From the author of *Licking Lizards* comes the second book in this kids' own adventure series where the stench of bat poo is never far away.
