Rediscovering Church Lynne Hybels,Bill Hybels,2016-05-03 Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth, from 100 members meeting in a Palatine, Illinois, movie theater to its present Sunday morning attendance of 15,000. Bill Hybels and his wife, Lynne, tell about Willow Creek's beginnings, its struggles, the philosophy behind its success, and the strategies that have made it a model for church growth. The first half of the book, written by Lynne Hybels, explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories. It offers an honest look at the ways God has used both the strengths and weaknesses of His people, creating a church of believers who have had tremendous impact for Christ in their community. In the second half of Rediscovering Church, Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission. From mission statements to developing leadership, making sound financial decisions, and handling growth, Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world, to be the body of Christ in real and tangible ways. Rediscovering Church draws on the experiences of Willow Creek

to show how one fellowship crystallized its mission and methodology, its vision and values. The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration, encouragement, and a means of uncovering the pattern for their own unique mission and ministry.

Grace Bomb Patrick Linnell, 2021-05-01 Chances are you don't need to read another book about Jesus before you start putting what you have already learned into practice. But taking Jesus seriously in everyday life is harder than it sounds in books. That's where Grace Bomb comes in as a new tool in your toolbelt to practically obey Jesus – starting with loving our neighbors. Yes, it is a book with biblical truth, inspiring stories, and some epic fails – but it is also a way to join a movement of obedience to Jesus – for the good of our souls, the flourishing of our neighbors, and the glory of God. Grab a copy – read it – live it.

How Can I Find Someone to Disciple Me? J. Garrett Kell, 2021-03-15 I eagerly commend this series. — R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary Many new believers have questions about what it means to live as a Christian in the context of a local church, and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life. Church Questions is a series by 9Marks that seeks to provide Christians with sound and accessible biblical teaching by answering common questions about church life. Each booklet offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment. Discipleship is an important part of the Christian life. As we follow Jesus, we learn the importance of pointing unbelievers

to Jesus and helping believers grow in their relationship with him. But how do you know where to start? In this addition to the Church Questions series, Garrett Kell explores the Bible's teaching on discipleship and how that plays out practically in the context of the local church.

Negotiating Conviviality Hay, Paula L., 2014-06-13 This book is an ethnographic study of a group of migrants in Cape Town from Malawi, Zimbabwe and South Africa. It seeks to understand how migrants overcome structural exclusion by forming and maintaining convivial relationships through the Bay Community Church and how this is facilitated by Information and Communication Technologies (ICTs). The book argues that ICTs are implicated in the negotiation of conviviality. ICTs allow for a negotiation of intimacy and distance; although their functions may facilitate more contact than is desired or further distance those already separated physically. This book interrogates the strict division between 'insiders' and 'outsiders' and highlights that migrants are able to sustain multiple networks and relationships, linking their home and host countries. Despite increasingly strict border control and animosity from host communities, migrants are able to overcome imposed identities such as 'outsider'. They do so by using ICTs such as cell phones and Facebook to emphasise their Christian identity, which is one of the main factors for inclusion in church-based networks. Membership with a mixed denominational church such as the Bay further challenges the notion that migrants stick to themselves. Inclusive communities such as the Bay and everyday desires for conviviality evoke the need to reconsider policies too narrowly articulated around the dichotomisation of 'foreigners' and 'nationals', 'home' and 'away', 'us' and 'them'.

How Can Women Thrive in the Local Church? Keri Folmar, 2021-03-15 I eagerly commend this series. — R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary Experience the Fullness of God's Grace in the Local Church Many new believers have questions about what it means to live as a Christian in the context of a local church, and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life. Church Questions is a series by 9Marks that seeks to provide Christians with sound and accessible biblical teaching by answering common questions about church life. Each booklet offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment. What does it look like for women to truly thrive as Christians? In this short booklet, Keri Folmar presents eight essential principles to help women fully engage in the context of the local church, such as prioritizing church membership and involvement, investing in meaningful discipling relationships, and not allowing conflict or bitterness to fester. Women will come

away with helpful ideas on how to experience the fullness of God's grace as they seek out biblical community with other believers.

Acts John Ortberg,1999 Today, some people think of the church as a powerless institution made of ancient traditions and stuffy buildings. They're wrong! The church is the new community of God's people. It's filled with the power of the Holy Spirit. And it has as much to say to the world today as it did two thousand years ago. In Acts, you will discover that God wants to do a fresh work among his people by the power of the Holy Spirit. You will find the pathway to authentic community. You will learn how to grow as a worshiper. And you will deepen your passion to invite others into the fellowship of Christ-followers we call the church. Sound exciting? Let's rediscover church together!

We Love Our City Raymond Beaty,Dave Patterson,2018-02-06 The subtitle of the book is an actual quote from one of our City Council members. I was asked to make a presentation to the City Council one evening on all the projects we as a church, had partnered with the city on to provide social services to our community. One of the reasons for the report was to introduce the newest partnership, in which we as a church would become the city's official graffiti abatement team. After everyone on the City Council took an opportunity to thank our church for the services we were providing to the community, one of them said, Because of all that The Fathers House is doing in our community, the city is a better place to live in. This is how a church in the community became the community's church.

Union Bay United Community Church ,2006

Community Is Messy Heather Zempel,2012-04-25 Heather Zempel oversees the community life at a

multisite church in Washington, D.C., a challenging population with one of the highest relocation rates in the United States. And yet under her leadership, National Community Church has become a model for creative, dynamic, deep small group ministry. Drawing from her background as an environmental engineer (including such bizarre experiences as monitoring a pig lagoon and the unintended slaughter of a hundred innocent fish), Heather Zempel assesses the perils and possibilities inherent in small groups and other environments for Christian community. The book helps leaders begin to see the inherent mess of such gatherings as raw material for arriving at something beautiful. Read this book and discover fresh insights into how we can support one another's unique paths to maturity in Christ while maintaining cohesion as a community and blessing the world around us.

The Church Clear Creek Community Church, Yancey C. Arrington, Bruce Wesley, Greg Poore, 2017-08-19 The church is a community on a mission. It's not just any community. It's not just any mission. Both center upon and revolve around God and the great Good News (or gospel) he offers in Jesus! This six-week study will seek to identify and explain exactly how Clear Creek Community Church exists as a missional community. You will read about who we are, what we believe, and how we seek to follow Christ together as the local church.

Connecting in Christ Brett Eastman, Dee Eastman, Todd Wendorff, Denise Wendorff, Karen Lee-Thorp, 2010-01-05 Fellowship. The word gets used a lot in church. But too often our understanding and practice of fellowship are shallow and stripped of the life-giving, life-transforming power God intended community to have. Jesus lived out and taught a deeper, more radical kind of fellowship—a way of

interacting that makes others sit up and take notice. These six sessions will show you Jesus' way of loving others "as I have loved you." Experiencing Christ Together helps your group explore the five biblical purposes that make up a high-impact Christian life —fellowship, discipleship, ministry, evangelism, and worship. Jesus perfectly lived out God's purposes for his life, and he taught his followers how to do the same. As you walk in the footsteps of those first disciples listening to and watching Jesus through these studies, you and your group will be transformed. One small group leader put it this way: "The Experiencing Christ Together series has motivated me more than any other Bible study that I have ever been to. This Bible study gets to the heart of the matter—my character in Christ—and that has created action on my part."

Turn Your Church Inside Out Walt Kallestad, Drawing on his experience at Community Church of Joy, Kallestad makes the case for transforming congregations into mission centers that bring Christian witness and practice into all the arenas of personal and civic life.

Beginning Life Together Brett Eastman, Dee Eastman, Todd Wendorff, Denise Wendorff, Karen Lee-Thorp, 2002 This introductory group study gives you an overview of the five biblical purposes that God intends for your life.
