FC Bayern Munich Players Encyclopedia - All Football Players Volume 1 Mutlu Topuz,2020-02-18 FC Bayern was founded in 1900 by 11 football players, led by Franz John. Although Bayern won its first national championship in 1932, the club was not selected for the Bundesliga at its inception in 1963.The club had its period of greatest success in the middle of the 1970s when, under the captaincy of Franz Beckenbauer, it won the European Cup three consecutive times (1974-1976). Overall, Bayern has reached ten European Cup/UEFA Champions League finals, most recently winning their fifth title in 2013 as part of a continental treble. Bayern has also won one UEFA Cup, one European Cup Winners' Cup, one UEFA Super Cup, one FIFA Club World Cup and two Intercontinental Cups, making it one of the most successful European clubs internationally and the only German club to have won both international titles. Since the formation of the Bundesliga, Bayern has been the dominant club in German football, winning 29 titles, including seven consecutively since 2013. They have traditional local rivalries with 1860 Munich and 1. FC Nürnberg, as well as with Borussia Dortmund since the mid-1990s.Since the beginning of the 2005-06 season, Bayern has played its home games at the Allianz Arena. Previously the team had played at Munich's Olympiastadion for 33 years. The team colours are red and white, and the team crest shows the white and blue flag of Bavaria. Pep Confidential Martí Perarnau,2014-10-16 'Access inside the changing room and behind the scenes that any journalist or writer would kill for - Perarnau's insights are astonishing' - Graham Hunter 'Write about everything you see. Be as critical as you like' - Pep Guardiola to Marti Perarnau, summer 2013 Marti Perarnau was given total access to Bayern Munich during season 2013-14. This book represents the first time in the modern era that a writer has got this close to one of the elite teams of world football. At the invitation of Pep Guardiola, he shadowed the Catalan, his staff and his superstar players during training and on matchdays. Bayern smashed domestic records on their way to the double, but were humiliated by Real Madrid in the Champions League semi-final. Perarnau was with them every step of the way. Perarnau is with Guardiola as he is courted by the world's greatest clubs during his sabbatical in New York. We hear Guardiola explain in detail the radical tactical moves which transform Bayern's season and reprogramme the players who will win the World Cup with Germany.Perarnau talks exclusively and in fascinating detail with players such as Arjen Robben, Manuel Neuer, Philipp Lahm, Thiago Alcantara and Bastian Schweinsteiger. Pep Confidential is much more than the story of a season - it is also a lasting portrait of one of the greatest coaches in sport.

Red Odyssey Rick D. Joshua,2017-01-04 Having started out as a potential magazine/blog article, Red Odyssey is a thirty-six year project in the making, charting the author's relationship with Germany's biggest and most well-known football team, FC Bayern München. Having fallen in love with FC Bayern in 1981 as a nine year old, the author charts the events season by season. During the 1980s, FC Bayern were flying high in Germany but victim of painful European Cup final defeats in 1982 and 1987. Meanwhile the author, one of the few supporters of the Bavarian club in the United Kingdom, was performing late-night television-watching escapades at boarding school in order to catch five minutes of potted highlights. Being an FC Bayern fan in the late 1980s and early 1990s was far from a glory hunt, and all of the pain as well as the glory is covered in equal depth with no emotions spared. The solid 1980s were followed by the painful nadir of the early 1990s, with names like Norwich City, BK 1903 Copenhagen and SpVgg Vestenbergsgreuth appearing like ghosts from a dark and horrible past. Then would come the agonising Champions League defeat against Manchester United in 1999. As fans of the club will already know and readers less familiar with the subject will discover, FC Bayern have almost made a habit of fighting back to overcome the pain. Two years after that last-gasp defeat in Barcelona, they would exact the perfect revenge on both United and their other old rivals Real Madrid before claiming that title in a dramatic penalty shootout against Valencia in Milan's San Siro. It was the final chapter in a dramatic season that had also seen them clinch the Bundesliga title in dramatic circumstances, leaving fans of rivals Schalke 04 shedding blue and bitter tears. As FC Bayern developed as a growing international brand and the German game became more popular outside its homeland following the massive development of satellite television, it became a lot easier to watch FC Bayern play. The dark days of scratching for brief highlights were all but forgotten, with almost every match available live. The Champions League triumph in 2001 was not to be the beginning of a new era of continental dominance for FC Bayern, and the club and its supporters would have to wait over a decade for its next victory in Europe's premier club competition - but when it came, it was a moment of history as the club claimed their first-ever treble. By now FC Bayern were being lauded as the best football team in the world, a team up there with the likes of Real Madrid and Barcelona in the battle for continental dominance. Red Odyssey has been written by an FC Bayern fan for FC Bayern fans, but there is plenty for everybody else who has a love for German football.

Reading The Game Moritz Rinke,2015-11-26 The writers' team – Autonomia for short – has created a written testament to their affinity and relationship with Borussia Dortmund. A different writer from the team was invited to each BVB home game in – as The Times describes it – the “best stadium in Europe”. Yet as the season began, no one could have predicted what was in store: memorable Champions League evenings, an inexplicable Götterdämmerung in the league, a bleak midwinter spent in the relegation zone, the shock against Augsburg, an exhilarating derby win, Jürgen Klopp's resignation, the league comeback, the peculiar cup semi-final against Bayern Munich, and the dream of lifting the DFB-Cup and finishing off the season in style celebrating on Borsigplatz, the public space that is the team's spiritual home. The

Autonoma, who were crowned European champions in Dortmund in 2010 at the Rote Erde stadium, accompanied the black and yellows, die Schwarzgelben as German fans know them, on perhaps the oddest – certainly the most memorable – season in the club’s history: cheering them along, loving them, suffering with them, and in a sense playing every game with them as well. “Juve were playing imperiously this evening, the Dortmund team in contrast in the same way I imagine the Greek democracies in their final twilight: tired, indecisive, and far too conscious of their own deficiencies. The melancholy way Sokratis lost possession ...” - Simon Roloff
