Candace Johnson-Barrett

That's How Much God Loves You! Chris Shea,2008-04-29 God loves many things in so many different ways, but most of all, God loves you.

I Love You So Much, but God Loves You the Most! Abigail George,2019-02-07 I Love You So Much, but God Loves You the Most! By: Abigail George This book was written after Abigail George became a mother, with the realization that many children's books were written to be read to a healthy child by a parent. From her experience volunteering and over ten years working in child protection, George was very aware that this is not always the case. The book was started out of her desire for something that could be read by anyone who has a child in their life that they love, allowing adults to speak value, purpose, and hope into the life of any child. The title was inspired by the wisdom of the author's late mother, who taught her that God was the person she should depend on more than anyone else. This allowed God to be the source of her strength in a challenging five-year period where she dealt with her mother's sudden passing, the breakdown of her marriage, breast cancer treatment, and an autism diagnosis for her youngest child. While thankful for the support of her church, family, and friends throughout that time, it was her relationship with God, and the assurance of His love, that carried her through.

God Loves You Kathleen Long Bostrom,2001 Book contains simple rhymes and pictures designed to teach children about God's unconditional love.

The God Who Loves John F. MacArthur,2008-07-06 God is love. It's the most basic definition of God in Scriptures, but so profound that it's often misunderstood. In this probing book, a brilliant Bible expositor brings us into the very heart of God by answering such questions as: If God is love, how could He send anyone to hell? What's the difference between the loving God of the New Testament and the angry God of the Old Testament? If God is love, why did He require His Son to die such a cruel death on the Cross? How can God be both loving and jealous? The author argues against the two polar views of God as a sentimental grandfather whose doting love could not bring him to punishment of the disobedient and God as an angry tyrant who would rule by threats. Both extremes paint a distorted picture of God and further confuse the issue of understanding God's love, Dr. MacArthur writes. He insists that what God loves is actually defined by what He hates, and that neither His love nor His wrath can be understood in isolation from the other. Although the author is clearly aware of the way great men have grappled with these issues in the history of the Church, his doctrinal presentations arise more from the biblical text than from dogmatic theology. He examines in detail the way John?the apostle of love?treats love in his First Epistle, then fleshes out the doctrine of God's love in vivid representations of real people interacting with divine love.

Oh, How God Loves You! Betsy Ross Brown,2008-05 Oh, How God Loves You is a compilation of thoughts written over a number of years. Each thought highlights the fact that we are deeply loved and cherished by God. In this computer age, when individuals are more and more isolated, this book encourages the reader to stop and perhaps begin to realize they are not alone, that every hair on their head is counted.... that is just how precious they are to God.

God Loves You! Marie Turner,2017 Photos of baby faces show toddlers that God loves them no matter how mad or sad or messy they get--

God Loves Me... Dorene Pittman,2015-12-29 God Loves Me...So I Can Love You Too! is a fun book that helps children understand God's unconditional love for everyone. In recognizing God's love for them, children can in turn love others even when someone acts unlovable!

My Mommy Says God Loves Me Ashley Horn,2022-11-03 Have you ever felt like everyone seems to know God better than you or that their day-to-day is somehow more Christ-centered than yours? Discovering how God can manifest His love in our daily lives is no easy feat. Early childhood provides a great opportunity to instill the idea that we can find God in everyday activities as long as we look in the right places. Children see God through their family and friends and have the opportunity to see their loved one's experience a personal and special relationship with God. This book shows firsthand that baseball, hot dogs, and lots of glitter can all be unexpected examples of God's love for us.
