Personal Trainer's Curvy Client (An Age Gap First Time Alpha BBW Romance) Amber Branley,

Lance: I'm a fitness trainer. I never thought I'd want to get married, but now I'm head over heels for the sweetest woman I've ever met - but she's my client. I promised myself I wouldn't get involved with clients. But I can't resist her sweet, endless curves. I fell in love at first sight, and I knew I needed Amber in my life. I promised myself I'd always keep her safe. I promised her I'd always love her and treat her right. But she doesn't understand why I'm into her. She thinks I'm out of her league. She thinks she's too curvy for me... Truth is, she's everything I've ever wanted, and I can't get enough of her sexy body. Amber: I never thought I'd meet the guy of my dreams, but now he's standing right in front of me, watching me work out. He's the hottest trainer I could ever imagine, and I'm so shy around him... I wonder if he'd ever guess I'm a virgin. I'm sure he's super experienced with women, considering how good looking he is... I don't think a guy like him would be interested in a curvy girl like me. But then again, he keeps staring at me like he can't take his eyes off me... He looks at me like he wants me. Personal Trainer's Curvy Client is a steamy standalone new adult contemporary romance by Amber Branley.

Fat Sex Margaret Cho, Rebecca Jane Weinstein, 2015-06-30 If there are two subjects that are universally fascinating and rife with controversy, they are sex and fat. Though our culture is obsessed with both, the two commingling are sometimes seen as offensive, obscene, or even grotesque. Fat

people are not viewed as sexual beings. Of course, this perception is far from accurate. Fat people have normal and peculiar sex lives, just like everyone else. A compilation of true stories, cultural references, and narrative commentary, *Fat Sex: The Naked Truth*, tells the honest, and often heroic, heartbreaking, and hilarious experiences of large-size women and men in their romantic, intimate, and sexual relationships. Subjects touched on include heterosexual relationships, gay men and lesbian women, those who have gained and lost a great deal of weight, and the sexual “underground” such as fetishes. Although the people portrayed in *Fat Sex: The Naked Truth* sometimes face bigotry and experience shame—they are often valiant and live remarkably fulfilling lives. The stories are compelling and told with sensitivity and wit, connecting people on profoundly important aspects of their lives. This book is not just for large-size people. The stories and issues discussed touch all of us, each and every person who has ever experienced the trials and tribulations, as well as the ecstasies, of intimate relationships.
