An Exposition of the Creed John Pearson,1797

Dead Light Robert Gallinger,2001 During a violent September thunderstorm, a man's body falls from the Sabakina Tower, and crashes into the garden outside the Kremlin walls. Colonel Vladimir Antonovich from the SID, Special Investigations Department, rushes to the scene with his partners, Kulick and Frunze. At the wall, they discover that the man has no identification, but he does have a note in his hand, badly smudged from the rain. Since there's a hole in the man's head, and no gun is found, interesting questions arise. Did the man shoot himself and someone picked up the gun and ran off with it, or did someone else shoot him, and then push him over. As Colonel Antonovich investigates, he finds that there have been other suicides recently, most handled by the Militia. Strangely, the families of all of them are missing. Soon, he discovers that the family of the man found outside the Kremlin wall is missing, too. Antonovich also finds a trail of illegal exit visas, evidence of laundered money, multiple cases of unlawful death, and the questionabe disposition of nuclear waste. Now, he must find out who is reponsible before anymore suicides are found, or somebody makes a bomb from waste.

The Quick and the Dead Joy Williams,2010-09-01 PULITZER PRIZE FINALIST • From one of our most heralded writers comes the “poetic, disturbing, yet very funny” (The Washington Post Book World) life-and-death adventures of three misfit teenagers in the American desert. Alice, Corvus, and Annabel, each a motherless child, are an unlikely circle of friends. One filled with convictions, another with loss, the third with a worldly pragmatism, they traverse an air-conditioned landscape eccentric with signs and portents—from the preservation of the living dead in a nursing home to the presentation of the dead as living in a wildlife museum—accompanied by restless, confounded adults. A father lusts after his handsome gardener even as he's haunted (literally) by his dead wife; a heartbroken dog runs afoul of an angry neighbor; a young stroke victim drifts westward, his luck running from worse to awful; a sickly musician for whom Alice develops an attraction is drawn instead toward darker imaginings and solutions; and an aging big-game hunter finds spiritual renewal through his infatuation with an eight-year-old—the formidable Emily Bliss Pickless. With nature thoroughly routed and the ambiguities of existence on full display, life and death continue in directions both invisible and apparent. Gloriously funny and wonderfully serious, *The Quick and the Dead* limns the vagaries of love, the thirst for meaning, and the peculiar paths by which all creatures are led to their destiny. A panorama of contemporary life and an endlessly surprising tour de force: penetrating and magical, ominous and comic, this is the most astonishing book yet in Joy Williams's illustrious career. Joy Williams belongs, James Salter has written, in the company of Céline, Flannery O'Connor, and Margaret Atwood.

The Quick and the Dead Mairtin O Cadhain,2021-10-26 A collection of the finest stories from the Irish author of *The Dirty Dust*, published fifty years after his death These colorful tales from renowned Irish author Máirtín Ó Cadhain (1906–1970) whisk readers to the salty western shores of Ireland, where closet‘knit farming communities follow the harsh rhythms of custom, family, and land, even as they dream together of a kinder world. In this collection, the resilient women and men of the Gaeltacht regions struggle toward self‘realization against the brutal pressures of rural poverty, and later, the hollowing demands of modern city life. Weaving together tradition and modernity, and preserving the earthy cadence of the original language, this rich and heart-rending collection by one of Ireland’s most acclaimed fiction writers is a composite portrait of a country poised at the edge of irreversible transformation.

Light and Death Michael Sabom,2011-04-19 Begun in 1994, The Atlanta Study is the first comprehensive investigation of its kind into near-death experiences (NDEs). The study's name hardly captures what lies behind it: life-and-death dramas played out in operating rooms and hospital beds--and simultaneous events unseen by medical personnel but reported with astonishing clarity and conviction by nearly 50 individuals who returned from death's door. Now the founder of The Atlanta Study, Dr. Michael Sabom reveals their impact on the people who have experienced them. From both medical and personal perspectives, he shares the electrifying stories of men and women from all walks of life and religious persuasions. He explores the clinical effect of the NDE on survival and healing and discloses surprising findings. He questions some common conclusions about NDEs. And he scrutinizes near-death experiences in the light of what the Bible has to say about death and dying, the realities of light and darkness, and the Gospel of Jesus Christ.

Analyzing Social Interaction Lynn Smith-Lovin,David R. Heise,2016-05-06 First Published in 1988. This special issue of The Journal of Mathematical Sociology reports continuing work on affect control theory — a theory of social behavior that deals with role actions such as those of doctors toward patients, with deviant behaviors such as those of muggers toward victims, and with creative responses to events such as sanctioning a misbehaved child or labeling a deviant.
