**Miami Beach** Horacio Silva,2020-10-01 Considered by many as the country's most dynamic, fastest growing and sexiest city, Miami is more popular than ever before. Yet, it is a city that doesn't merely change but evolves, never rewriting the past, just adding to its illustrious heritage. And this is the real beauty of Miami. The chic Surf Club and the vibrant Faena Hotel did not replace the emblematic Raleigh of the 1940s nor the Ritz Carlton of the 50s, rather they complement them. Classics like Joe's Stone Crab continue to serve their signature fare to sell-out crowds each night, as new establishments attract with name chefs. The iconic art deco architecture remains on full display as the modern Herzog & de Meuron-designed Perez Art Museum stands in stark contrast. Replete with arts and culture year round from the international art at The Bass to the street art of Wynwood Walls, each December, the city is taken over by the global cultural elite for Art Basel Miami Beach, a fair that attracts over 80,000 visitors who turn out for the momentous art, such as Maurizio Cattelan's show stopping "Comedian", and the exuberant festivities hosted each evening.

**Trompe Loeil Today** Ursula E Benad, Martin Benad, 2004 From a countryside panorama in a windowless room to a faux mosaic wall, an intricately painted Oriental carpet to a soaring cathedral dome in a single-story room, Trompe l'oeil painting offers an art form ideal for contemporary interiors, adding color and aesthetic atmosphere and responding to specific architectural needs and situations. Trompe L'Oeil Today offers a fascinating overview of the range of styles and techniques of illusionistic painting for private residences and public spaces, restaurants and other commercial interiors, and even indoor swimming pools. It covers unusual techniques, such as anamorphism, and bold geometric patterns, as well as more traditional Trompe L'oeil subjects, including Pompeian-style wall paintings, classical arches and colonnades, landscapes, statues and reliefs, and elaborate ceiling treatments. The book defines the categories of illusionistic painting: material imitation, or faux finishes, ranging from marble and wood finishes to snake and crocodile skin; grisaille, including imaginary moldings, reliefs, and statuary; small-format trompe l'oeils, such as those painted in niches and on doors; and large panoramic murals. Experienced professionals, the authors address practical questions and offer helpful tips and tricks for choosing the right materials, technique, and style. They examine the use of perspective and the psychology of visual perception, presenting a visually beguiling array of painting possibilities. Trompe L'Oeil Today is an essential reference for artists and designers working in trompe l'oeil and in search of suggestions or inspiration, interior architects and decorators looking for an outline of what can be done to create new and different ambiances, and clients who plan to commission a work. Over 150 four-color photographs illustrate the architectural and aesthetic impact of professional illusionistic work. Trompe L'Oeil Today is an invaluable survey of an impressive, popular art form.

**Deceiving Darkness** Sarra Cannon, 2018-10-31 In this war, trust is a dangerous game... The Order's plan to wipe out the Resistance in one massive set of coordinated attacks has Harper on edge, because news of the upcoming assault comes from the most unlikely source. The ruby priestess, Magda Thorn. Is Magda telling the truth? Or is this all an elaborate trap? Harper, Jackson, Lea, and Aerden are finally reunited, only to face their deadliest challenge yet. Because trusting your enemy is madness, but sometimes trusting your friends will get you killed. Don't miss this intense installment in the Bestselling Shadow Demons Saga. *Somebody's Listening* Larry J. Sarantha,2019-05-15 Somebody's Listening is the awe-inspiring true story of a seeker's mystical journey of awakening and fulfillment. This enlightening journey traces a long arc from a revealing California childhood in the fifties through the sixties and on to adulthood, when a decades-long spiritual journey begins under the tutelage of a Chinese Taoist-Buddhist priest in the summer of 1980. A truly auspicious and mystical event happens that summer, the first of many illuminating experiences during the long apprenticeship. Written with grace and expansion, this book brings the reader along a journey of inconceivable wonder, filled with spiritual insights, practical guidelines, and revelatory realizations that are both current and ancient. Somebody's Listening is spiritual nourishment, intended to inspire the cultivation of spiritual values in daily life through Taoist and Buddhist principles and practice and to bring awareness of something greater than ourselves in the hopes all might find peace.

Old-House Journal ,1994-03 Old-House Journal is the original magazine devoted to restoring and preserving old houses. Each issue explores hands-on restoration techniques, practical architectural guidelines, historical overviews, and homeowner stories--all in a trusted, authoritative voice.

*Hard Sell* Colin Clark,2014-08-01 Market pitchers routinely transform a patch of bare ground into a sea of eager purchasers using little more than their 'gift of the gab' and some homespun 'psychology' to convince passers-by to stop and buy their goods. Employing some of the world's most successful selling techniques, in one of the oldest and most difficult of all marketing situations, their rhetoric and social skills have to equal that employed by the most accomplished salespersons, politicians and professional persuaders. Between 1984 and 1994 sociologists Clark and Pinch recorded over 75 pitching routines on street markets and other sales sites throughout the UK, mainland Europe and the United States. Using examples of pitchers attracting a crowd, describing and demonstrating their goods, building bargains, cajoling the unconvinced to make a purchase and coping with problem customers, the authors reveal, for the very first time, the reasons for these traders' extraordinary success-both on and away from the markets. Comparing their findings with more orthodox sales situations-direct response TV home shopping and infomercials, as well as other forms of grass-roots selling (fly pitching, the mock auction sales con, street entertaining and urban 'hustling')-the authors highlight many important lessons that have relevance for everyone involved in all types of marketing, advertising and persuasion. In this revised, updated and extended edition the authors also reveal why, today, pitching on markets appears to have become a dying art. Original, authoritative and highly readable, *The Hard Sell* is an essential and often hilarious guide for anyone who wants to understand how real-life selling really works.

**Design Mixology** Chase Reynolds Ewald, Heather Sandy Hebert,2023-10-03 Imaginative interiors with character and soul from award-winning San-Francisco-based designer Tineke Triggs. "A visual catalyst for readers to tap into

their own tales, heritages, and personalities to decorate their spaces.”—Library Journal Inspired by designers who break away from the pack, Tineke Triggs is known for creating soulful, artistic and imaginative interiors. By mastering both the art and science of design, her work gives rise to a distinct form of design mixology—each home as individual as each of her clients. This book includes an eclectic mix of projects from ski houses in Lake Tahoe and beachfront getaways in Northern and Central California, to reimagined period Victorians to modern homes in Marin County and Silicon Valley. An award-winning veteran of six San Francisco Decorator Showcases, Tineke Triggs is an artist with an eye for function, adept at the highly inventive and original. Within each design lies a story—a through line that one can follow through the home. Her personality-driven approach, and her affinity for art and craft, have enabled her to build a portfolio of work that is eclectic and exciting—a visual delight that will appeal to a broad audience of the creatively curious who long to fully express themselves through the places they call home. Design Mixology: The Interiors of Tineke Triggs is both a rich feast for the eyes and an illuminating look at inspiring design that is as livable as it is dramatic. Infused with energy, color, texture and grace, these are places sure to inspire.
