de Gournay Claud Cecil Gurney, 2020-10-06 Renowned for its elegant hand-painted wallpapers and textiles, de Gournay creates some of the most beautiful interiors in the world. Celebrated for its hand-painted chinoiserie wallpapers, sumptuous patterns of colorful flora and varied birdlife, the company produces additional collections that explore historical themes, such as nineteenth-century French pastoral scenes or exotic Brazilian landscapes bursting with wildlife. De Gournay also crafts more abstracted designs that fit well with modern interiors. Collaborating with renowned tastemakers from across creative industries, de Gournay works with leading interior designers as well as noted trendsetters such as Kate Moss. This volume showcases de Gournay designs in situ, in beautiful interiors created by top designers in homes from San Francisco and New York to London, Paris, and beyond. The book explores de Gournay interiors in both city and country settings, how to take inspiration from English stately homes, and how custom wallpaper designs are created. Full of inspiring interiors and design ideas, de Gournay is an in-depth look at the stunning creations of one of the most prestigious and influential design houses of today.

Miami Beach Horacio Silva, 2020-10-01 Considered by many as the country's most dynamic, fastest growing and sexiest city, Miami is more popular than ever before. Yet, it is a city that doesn't merely change but evolves, never rewriting the past, just adding to its illustrious heritage. And this is the real beauty of Miami. The chic Surf Club and the vibrant Faena Hotel did not replace the emblematic Raleigh of the 1940s nor the Ritz Carlton of the 50s, rather they complement them. Classics like Joe's Stone Crab continue to serve their signature fare to sell-out crowds each night, as new establishments

attract with name chefs. The iconic art deco architecture remains on full display as the modern Herzog & de Meuron-designed Perez Art Museum stands in stark contrast. Replete with arts and culture year round from the international art at The Bass to the street art of Wynwood Walls, each December, the city is taken over by the global cultural elite for Art Basel Miami Beach, a fair that attracts over 80,000 visitors who turn out for the momentous art, such as Maurizio Cattelan's show stopping "Comedian", and the exuberant festivities hosted each evening.

Trompe Loeil Today Ursula E Benad, Martin Benad, 2004 From a countryside panorama in a windowless room to a faux mosaic wall, an intricately painted Oriental carpet to a soaring cathedral dome in a single-story room, Trompe l'oeil painting offers an art form ideal for contemporary interiors, adding color and aesthetic atmosphere and responding to specific architectural needs and situations. Trompe L'Oeil Today offers a fascinating overview of the range of styles and techniques of illusionistic painting for private residences and public spaces, restaurants and other commercial interiors, and even indoor swimming pools. It covers unusual techniques, such as anamorphism, and bold geometric patterns, as well as more traditional Trompe L'oeil subjects, including Pompeian-style wall paintings, classical arches and colonnades, landscapes, statues and reliefs, and elaborate ceiling treatments. The book defines the categories of illusionistic painting: material imitation, or faux finishes, ranging from marble and wood finishes to snake and crocodile skin; grisaille, including imaginary moldings, reliefs, and statuary; small-format trompe l'oeils, such as those painted in niches and on doors; and large panoramic murals. Experienced professionals, the authors address practical questions and offer helpful tips and tricks for

choosing the right materials, technique, and style. They examine the use of perspective and the psychology of visual perception, presenting a visually beguiling array of painting possibilities. Trompe L'Oeil Today is an essential reference for artists and designers working in trompe l'oeil and in search of suggestions or inspiration, interior architects and decorators looking for an outline of what can be done to create new and different ambiances, and clients who plan to commission a work. Over 150 four-color photographs illustrate the architectural and aesthetic impact of professional illusionistic work. Trompe L'Oeil Today is an invaluable survey of an impressive, popular art form.
