Bikini Beach Butch Maki, 2023-04 Based on true events, author Butch Maki and his character, Huey helicopter Crew Chief, Sergeant Specialist Donald Mack Mackinen, display ordinary valor commonly found in a war that often gets overlooked. He brings us along on death-defying rides during some of the most brutal days of the war in Vietnam. Every morning, he heads into a nightmare all day long, where instinctual acts of heroism, mercy, and the sheer will to survive bring about a different kind of change, one that will last Mack way beyond the Southeast Asian conflict to conflict with his life upon his return.

Triton's Destiny Leah Ross, 2023-05-16 When the human and mer worlds collide in the maelstrom of the unforgiving ocean, destinies are intertwined. Tristan and Maki aren't meant to know the other exists, but neither can resist the siren call of fate. The sea is a cruel mistress, though, merciless with the defiant. Desperate to escape obscurity, two dreamers hope for a better life. Instead, they may be doomed to drown in disaster. Alone in a life he didn't choose, Tristan lives every day in obligation to a seaside town that's never felt like home. Overseeing the lighthouse was supposed to be his father's duty, not his. All Tristan wants to do is paint and go back to the excitement of the mainland where he'd always intended to make a name for himself. There's nothing for him in Vollendale and being forced to obey the whims of the ocean only reminds him of what he's lost. He has no objection to living quietly but he wants to set his own terms and right now, he feels like he's stuck in someone else's life. Haunted by the past with a hopeless future ahead of him, Tristan trudges through a tedious present with little to look forward to. He just wants something to break him out of the drudgery. Maki has nothing to complain about in his charmed life beneath the waves of Wyntos Key. He has good friends, a job he loves, and endless opportunities to pursue his passion. Unfortunately, his passion lies in exploring the surface world, which is all but forbidden to his kind. Tritons are a myth to humans, and the merfolk want it to stay that way. But Maki sees such potential in human innovation, dreaming up inventions to enhance the lives of his people as he experiences the wonders of life on land. The human world is fascinatingly rich in sensation and now that Maki's had a taste, his appetite has only grown. Indulging his insatiable curiosity is addictive but also dangerous, and he's unaware of the consequences his reckless impetuosity will bring. A triton oblivious to the dangers of the surface world. A human terrified of the ocean. There's no reason for them to fit together as well as they do. But destiny works in mysterious ways and they just might find a place in the world to accommodate them both. The difficulty lies in what they have to sacrifice to get there. An ideal entry point for new readers! The novelette Reflections in Ice -- picking up a mature Gonji, already well into his ca. 1600 A.D. European adventures, ensnared in a desperate crossfire between monstrous oppressors: the undead assassins of the Dark Company; and mysterious horrors residing in remote caves of the snowbound Pyrenees... The novella Dark Venture -- the most intense, action-packed and classic-pulp-worthy Gonji tale in the canon. The first-ever story of young Gonji, in dishonored exile from his native land. Now facing deadly peril during a bizarre and ghastly sea voyage; caught in the clutches of a hell where corrupted spells of evil magic go to die... ALSO included is the essay The GONJI Odyssey—the definitive chronicle of the series’ creation and publishing history... PLUS, a generous preview of the coming NEW Gonji novel: the audacious origin tale of Gonji’s world -- BORN OF FLAME AND STEEL! People will not know what hit them when they read 'Dark Venture.' It’s one of the most exciting (and gruesomely bonkers) sword-&-sorcery stories I’ve had the pleasure of reading. -- Fletcher Vredenburg, Black Gate Magazine One of the most original characters in heroic fantasy returns in all-new adventures that are truly epic. The return of Gonji Sabatake is a cause for epic celebration. --Joe Bonadonna, MAD SHADOWS
