*BEACH TIME* Charles Mitchell, 2005-02-18 *Beach Time* is a powerful collection of stories weaving a tapestry of the shore as a place of reflection, a sanctuary for addressing life's challenges and opportunities, and as a point of departure for life's many journeys. Whether finding romance among the canals and lanes of magical Venice, facing life, death, and ghosts along the Carolina coasts, honeymooning in the south of Portugal, or solving mysteries in the Greek isles, the stories will hold your interest across the miles and years. Additional tales speak to youth's desire to find direction in life, whether in the beach towns of Florida, at a Buddhist shrine on Cheju Island, Korea, or along the North Shore of Oahu. Darker tales reveal how outcasts prey upon the young or confused in the chaos of the beach. *Beach Time* (by the author of *Hues of Tokyo*) can be read straight through, engaging the themes linking the stories, or each story can be cherished individually as you travel to multiple shores in the US, Asia, and Europe-to be entertained by whimsical tales that both amuse and provoke deep thought about life's relationship with that in-between space where the land meets the sea and the sky.

*Beaches in Space and Time* Dr. Richard A. Davis Jr.,2015-02-01 Ever wonder, as you stroll along a beach, why the beach is there? Why is it shaped the way it is? What made the sand? Why are there rocks or no rocks? Why do those waves keep rolling in and rolling back out? Why does that delightful breeze shift? How can I keep my umbrella anchored in the sand? This book may not answer that last question, but it will answer all the others, and many more. 'This book by an internationally well-known coastal expert translates science into comprehensible popular language. Readers will especially appreciate the profusion and variety of illustrations from the entire globe.' -- Dr. Ervin G. Otvos, Head

Geology Section, Gulf Coast Research Laboratory and Emeritus Professor, Department of Coastal Sciences, University of Southern Mississippi This book explains how beaches originate, what they are made of, and how wind, waves, tides, storms, sea level change, and human development affect them. Includes a section on the most beautiful and interesting beaches in the world--a good many of them in Florida.

**Vacation Mode Activated** Roy Wyatt,2021-03-25 ♦55% Off For BookStores! NOW at \$ 29.95 instead of \$ 41.95! ♦ Do you want a passionate and mysterious tale? Then Vacation Mode Activated is for you. This book is about me and my relation with aunt Elizabeth in Florida keys. My aunt is Elizabeth, the woman with the most beautiful smile that I've ever seen. One day, when I was spending my vacation with her, she asked me to do her a favor. What ensures is a tale of mystery, a tale that shouldn't have been told; a tale that I wasn't even aware of until she asked me to do her the favor that I'm about to tell you about. As you perhaps have guessed already, but I am getting rather old myself and I haven't much time left. She told me that she was getting old and it was about time to tell everyone about her past life -- her dark past. She had called me and asked me a favor because it's not always that you can talk to your loved ones about dark secrets that you have kept as treasures in your pocket for years and years, so that you can enjoy her company every time you remember them. I remember that I was 9 years old the first time I went to Florida. My mother, her younger sister, had taken me there. My mother and Elizabeth were very close once upon a time; Elizabeth had made sure of it. At the time, she was only a few years younger than my mother, but I wanted to call her aunt just to feel her position in my family. This book explores the complex relationship between the aunt and me. Sometimes I can't even tell

if she's a real person or not. Anyway, I loved every moment with her. It's because this book describes every story that I had with her. As soon as I asked her what the favor is I want to do, her eyes filled with happiness, like she is too excited. It's all because she knows this favor is unbelievable. And after a while, I noticed how excited she is. I think I'm the one with the most beautiful smile. I'm sure you're curious about what the favor is. Things that this book explores. But, this is a book that I'm writing, and you should read it knowing everything about it. In my eyes, she's not the messy and rough man that I've first thought she is. In fact she is a very concerned woman and mischievous woman and is deeply in love with me. The book will answer all your questions about aunt. Not only is she a beautiful woman, who can make me laugh, she is also an amazing aunt. Elizabeth is my most loved aunt. This is the full text of the story. We hope you enjoy reading it. If you get the chance please say thanks to the author. We must be honest; you are looking at a very long story and you will need to be very patient with it. You might even be tempted to use your time machine to visit the characters at any point in time. If you are considering using it just put it down and read the story. So I guess you should buy and read this book. Ready to get started? ♦Buy it NOW and let your customers get addicted to this amazing book♦

Though they escape harm when the planes crash into the towers, husband and wife are suddenly cast into an unpredictable psychological space that allows their repressed selves, and their sharp differences, to rise to the surface. With their young son and nanny in tow, they head for the safety of the Hamptons. But despite their soft landing in this cocoon of privilege, the unleashed demons will push them to their psychic limits -- so much so that by the next morning they will hardly recognize each other. Taking place over a manic twenty-four hours, *A Day at the Beach* is a fast-paced, razor-sharp story whose personal tragedy contains sparks of dark humor about American life pre- and post-9/11. Helen Schulman has crafted a powerful portrait of a marriage in crisis, framed by one of the darkest events in our country's history.

*Lucky's Beach* Shelley Noble,2020-06-30 New York Times bestselling author Shelley Noble takes her readers on another

beach adventure where a young woman discovers the power of family and forgiveness. School teacher Julie Barlow and her two best friends, Beth and Aggie, are looking forward to an adults only beach vacation. Julie also plans to use the time to figure out why her perfectly planned life has gone terribly amiss. They've barely hit the road when a frantic call from Julie's mother hijacks their best laid plans. Uncle Tony Lucky Costa is missing. Always entertaining, often irresponsible, never reliable, Uncle Lucky was a favorite with her friends. For Julie, for whom he'd been a sometimes surrogate father, not so much. Her mother wants them to take a teeny detour to look for the irascible retired surfer. Julie makes excuses. After all, she was the one who decided she never wanted to see Lucky again. Overruled in this as she is in much of her life, Julie and her friends detour to Lucky's latest scheme, Lucky's Beach Bar and Grill. They find it tucked away in a quaint coastal town on the Delaware coast. With a crescent beach of white sand, large waves, plenty of tanned young men, a lively night life, it's a perfect beach getaway. Beth and Aggie see good times ahead, Julie is determined to get through it as quickly as possible. But that will change as she gets to know Lucky's friends and confidantes. The taciturn bartender, the loyal housekeeper, the local fortune teller, the whole town shares a determination to protect him. But from what? Soon Julie and her friends are swept up in an effort to save the town's--and Lucky's-- most closely guarded secret. And Julie begins to see her uncle in a new light. Julie Barlow has a few things to learn about life--and love--and sacrifice. Her lesson begins this summer at Lucky's Beach.
