Hope Heals Katherine Wolf, Jay Wolf, 2016-04-26 When all seems lost, where can you find hope? Katherine and Jay Wolf married right after college and sought adventure far from home in Los Angeles, CA. As they pursued their dreams--she as a model and he as a lawyer--they planted their lives in the city and their church community. Their son, James, came along unexpectedly in the fall of 2007, and just six months later, everything changed in a moment for this young family. On April 21, 2008, as James slept in the other room, Katherine collapsed, suffering a massive brain stem stroke without warning. Miraculously, Jay came home in time and called for help. Katherine was immediately rushed into brain surgery, though her chance of survival was slim. As the sun rose the next morning, the surgeon proclaimed that Katherine had survived the removal of part of her brain, though her future recovery was uncertain. Yet in that moment, there was a spark of hope. Through forty days on life support in the ICU and nearly two years in full-time brain rehab, that small spark of hope was fanned into flame. Hope Heals documents Katherine and Jay's journey as they struggled to regain Katherine's quality of life and as she relearned to talk, eat, and walk. As Katherine returned home with a severely disabled body but a completely renewed purpose, she and Jay committed to celebrating this gift of a second chance by embracing life fully, even though that life looked very different than they could have ever imagined. As you uncover Katherine and Jay's remarkable story, you'll be encouraged to: Find lasting hope in the midst of struggle Embrace the unexpected Welcome God's miracles into your everyday life In the midst of continuing hardships, both in body and mind, Katherine and Jay found what we all long to find: a hope that heals the most broken place--our souls. Let Hope Heals be your guide along the

way. Praise for Hope Heals: As I read this book, tears streamed from my eyes even as joy flooded my heart. Jay and Katherine are a raw yet refreshing testimony to the unshakable trustworthiness of God amidst the unimaginable trials of life. This book reminds all of us where hope can be found in a world where none of us know what the next day holds. --David Platt, author of the New York Times bestseller Radical and president of the International Mission Board Hope Heals is a beautiful, true story that illustrates the love and protection God has for us even in the darkest times of our lives. Katherine and Jay's dedication to each other and the Lord through their most devastating season is inspiring. This book will help your heart believe that He sees, He knows, He cares, and He is still working miracles today! --Lysa TerKeurst, New York Times bestselling author and president of Proverbs 31 Ministries

I Have Been Assigned the Single Bird Susan

Cerulean, 2020-08-01 Susan Cerulean's memoir trains a naturalist's eye and a daughter's heart on the lingering death of a beloved parent from dementia. At the same time, the book explores an activist's lifelong search to be of service to the embattled natural world. During the years she cared for her father, Cerulean also volunteered as a steward of wild shorebirds along the Florida coast. Her territory was a tiny island just south of the Apalachicola bridge where she located and protected nesting shorebirds, including least terns and American oystercatchers. I Have Been Assigned the Single Bird weaves together intimate facets of adult caregiving and the consolation of nature, detailing Cerulean's experiences of tending to both. The natural world is the "sustaining body" into which we are born. In similar ways, we face not only a crisis in numbers of people diagnosed with dementia but also the crisis of the human-caused degradation of the planet itself, a type of

cultural dementia. With *I Have Been Assigned the Single Bird*, Cerulean reminds us of the loving, necessary toil of tending to one place, one bird, one being at a time.

The Story of Arthur Truluv Elizabeth Berg,2017-11-21 “I dare you to read this novel and not fall in love with Arthur Truluv. His story will make you laugh and cry, and will show you a love that never ends, and what it means to be truly human.”—Fannie Flagg An emotionally powerful novel about three people who each lose the one they love most, only to find second chances where they least expect them “Fans of Meg Wolitzer, Emma Straub, or [Elizabeth] Berg’s previous novels will appreciate the richly complex characters and clear prose. Redemptive without being maudlin, this story of two misfits lucky to have found one another will tug at readers’ heartstrings.”—Booklist For the past six months, Arthur Moses’s days have looked the same: He tends to his rose garden and to Gordon, his cat, then rides the bus to the cemetery to visit his beloved late wife for lunch. The last thing Arthur would imagine is for one unlikely encounter to utterly transform his life. Eighteen-year-old Maddy Harris is an introspective girl who visits the cemetery to escape the other kids at school. One afternoon she joins Arthur—a gesture that begins a

surprising friendship between two lonely souls. Moved by Arthur's kindness and devotion, Maddy gives him the nickname "Truluv." As Arthur's neighbor Lucille moves into their orbit, the unlikely trio band together and, through heartache and hardships, help one another rediscover their own potential to start anew. Wonderfully written and full of profound observations about life, *The Story of Arthur Truluv* is a beautiful and moving novel of compassion in the face of loss, of the small acts that turn friends into family, and of the possibilities to achieve happiness at any age. Praise for *The Story of Arthur Truluv* "For several days after [finishing *The Story of Arthur Truluv*], I felt lifted by it, and I found myself telling friends, also feeling overwhelmed by 2017, about the book. Read this, I said, it will offer some balance to all that has happened, and it is a welcome reminder we're all neighbors here."—Chicago Tribune "Not since Paul Zindel's classic *The Pigman* have we seen such a unique bond between people who might not look twice at each other in real life. This small, mighty novel offers proof that they should."—People, Book of the Week

Suffer Strong Katherine Wolf, Jay Wolf, 2020-02-11 Is it possible to embrace suffering as a privilege, rather than a punishment? Beloved authors Katherine and Jay Wolf offer readers the bold invitation to trust a known God with an unknown future, as well as practical insights into surviving anything by redefining how we think about everything. After miraculously surviving a near-fatal brainstem stroke at age 26, as told in their memoir, *Hope Heals*, life for Katherine and Jay Wolf changed forever - and so did the way they viewed God, the world, and themselves in it. There was no going back to normal after such a tragedy. Yet Katherine and Jay learned that suffering is not the end, but rather the

beginning of a new story. In *Suffer Strong*, they invite us into this new story as they share universal lessons and helpful practices that will help us to: Recognize we are being equipped for an uncommon assignment, not cursed by our story. Transform our unmet expectations into brave anticipations. Disrupt the myth that joy can only be found in a pain-free life. Rewrite the narrative of hard circumstances by turning our definitions of suffering into declarations of strength. And, ultimately, thrive even in the lives we never imagined living.
