English Vocabulary - Set #1 Interactive Flashcards Book The Editors of REA,2013-01-01 REA's Interactive Flashcard books represent a novel approach which combines the merits of flash cards with the ease of using a book. One side of each page includes questions to be answered, with space for writing in one's answers — a feature not usually found on flash cards. The flip side of the same page contains the correct answers, much as flash cards do. English Vocabulary (Set #1) is fully indexed making it easy to locate topics for study. Thanks to the book form, there is no need to look for and fish out appropriate questions from a box and put them back in the proper order, and there is no need to carry around a box of 1,000 flash cards. The book is easier to take along and carry.

Key Words Flash Cards, Level 1 Philip Gibson,2017-06-19 Just 25 most commonly used words make up about one-third of all words written or spoken in English. The first 100 most frequently used words make up about one-half of all written and spoken English. These are most commonly used and most important words when it comes to understanding and creating correct sentences. However, most of these words are not the nouns and verbs presented in most sight word collections. As well as the most commonly used nouns and verbs, they include the glue words without which understandable sentences cannot exist. These are words such as: Yes, No, the, not with, and, too, very, all and many others. All these and many more of the most important and most frequently used words are effectively presented in both word and sentence form in this book.
