Making the Weight Barry J Whyte,2014-11-29 Barry J Whyte examines the dangers of boxing's 24-hour weigh-in by looking into the far-reaching consequences of a fight between Joey Gamache and Arturo Gatti in February 2000. He shines a light on a controversial system which allows boxers to 'boil down' for the weigh-in the day before the fight then pile the weight back on in the time left before stepping into the ring. He exposes the extreme physiological dangers both boxers are subject to under this flawed system.

Bare Knuckle Stayton Bonner,2024-04-23 Father. Fighter. Champion. Outlaw. Hailed as an "exhilarating debut" by Publishers Weekly, Bare Knuckle by former Rolling Stone editor Stayton Bonner (nominated for the Dan Jenkins Medal of Excellence in Sportswriting) takes readers into a previously unknown world: the underground circuit of illegal bare-knuckle fighting. Bare Knuckle is the remarkable true tale of Bobby Gunn, the 73-0 undisputed champion of bare-knuckle boxing. An inspiring underdog story that reads like a real-life Rocky. Bobby Gunn has been fighting for his existence since a childhood spent living under the hand of his volatile father, and would do anything to give his seven-year-old daughter a better life—including betting on himself in the underground world of bare-knuckle boxing. In 1984, Gunn was an eleven-year-old boxer in Ontario when his father woke him in the middle of the night to fight grown men in motel parking lots for money, his old man pocketing the cash. From there, Gunn traveled to Las Vegas, Tijuana, and beyond, competing in ringed matches as well as in biker bars and mobster dens on the side, brawling to make ends meet. But it was only with the birth of his daughter—and his desire to help her avoid his fate—that Gunn entered the big-time world of underground Russian-mob matches of up to \$50,000 a night in New York City, hoping to finally raise his family above the fray. Former Rolling Stone editor Stayton Bonner travels the underground for years with Gunn, the world champion of bare-knuckle boxing with a 73-0 record, shining a light on a secret circuit that's never before been revealed. Along the way, we explore the fascinating history of this first sport in America, Gunn's Irish Traveler community—a sect of religious fighters best known through Brad Pitt's depiction in Snatch—as well as his part in the improbable rise of the Bare Knuckle Fighting Championship, the first legal revival of the sport. Bare Knuckle, a tale of triumph, loss, and a father's love for his family, is a heartbreaking but ultimately inspiring story that will have you rooting until the end.

Third Man in the Ring Mike Fitzgerald,Patrick Morley,2014-06-19 Officiating a professional boxing match can be a thankless job. When a match goes well, no one focuses on the referee. But when a controversy arises, everyone remembers the man who made the call. Third Man in the Ring explores the lives of thirty-three officials as they discuss what goes on inside the ropes and recount the disputes and clashes that have occurred when they worked at home and abroad. The referees share stories from the high-profile fights they worked, with such superstars as Oscar De La Hoya, Manny Pacquiao, Floyd Mayweather Jr., Muhammad Ali, Mike Tyson, Evander Holyfield, Larry Holmes, and Julio Cesar Chavez. Readers will hear from Rudy Battle, the first ref to officiate a title fight in an Eastern bloc country, and about Mills Lane, the third man during the infamous Mike Tyson/Evander Holyfield ear-biting match. Several officials reveal memorable moments such as arbitrating contests in nations experiencing civil unrest. One referee admits fearing for his life after disqualifying a hometown hero in front of a packed stadium, while another recalls his experience officiating in communist North Korea. MMA legend Big John McCarthy describes from his experience the differences between officiating a boxing contest in a traditional ring versus the increasingly popular mixed martial arts (MMA) events held in a cage. Readers will also hear stories from refs who have gone Hollywood, consulting on film sets alongside such legends as Sylvester Stallone. An old boxing adage states, The best referees are the ones no one

knows are there. Third Man in the Ring sheds much-needed light on these hardworking officials and their stories.

The Little Book of Boxing Graeme Kent,2009-11-02 Boxing has a long and eventful history and its drama, excitement and humour are covered in this fascinating account of the noble - and sometimes ignoble - art all over the world. From the bare-knuckle days when the Duke of Cumberland callously abandoned his protégé Jack Broughton when the latter could no longer fight on because he was blind, to 1964, when the charismatic Muhammad Ali knocked out Sonny Liston with a 'phantom punch' that no one in the audience saw thrown, and the advent in the twenty-first century of the dreaded 'Beast from the East', the 7ft tall Russian Nikolai Valuev who powered his inexorable way to the world heavyweight title, this book presents a vivid picture of the sport rightly known as the hardest game. Gallant stands, spectacular 'dives' audacious cons and heartbreaking defeats combine to present boxing in all its multi-faceted confusion and glory.

The Ageless Warrior Mike Fitzgerald,2004 This beautiful, limited-edition volume is hand-numbered and autographed by boxing legends Archie Moore and Jake Raging Bull LaMotta. Certificate of Authenticity included, only 125 copies printed! There was only one man who fought both Rocky Marciano and Muhammad Ali. There was only one man who recorded 141 professional Knock-Outs. There was only one man who trained both a young Ali and heavyweight champion George Forman. There was only one Archie Moore. With a seven-decade boxing career, including 27 years as a prize fighter, Moore's vast career and exploits are finally chronicled in *The Ageless Warrior*. Author Mike Fitzgerald spent months with Moore before the boxer's death in an effort to capture the full life story of one of the 20th Century's most colorful and accomplished athletes. And what a story it was. Moore's opponent list reads like a who's who of boxing; he fought nine world champions and seven Hall-of-Famers.

Ali Russell Routledge,2018-04-15 Not everything has been told about the life of Muhammad Ali. One fight has been forgotten and the extraordinary story - of racism, celebrity, an audacious crime and, above all, an important boxing match - is told here for the first time.

Boxing in Atlantic City John DiSanto and Matthew H. Ward,2021-11 During the early years of Atlantic City (AC) boxing, the fight game was bustling. An array of ring talent, from club fighters to champions, came to the shore to compete at thriving venues like the Northside's Waltz Dream Arena and Convention Hall on the boardwalk. Although ring action was plentiful, the biggest fights were still happening elsewhere, and boxing was just one of many entertainment options in AC. However, everything changed once gambling came to town. As casinos popped up along the boardwalk, Atlantic City fights got bigger and bigger. By the late 1970s, boxing was on the rise, and within a few years, business was booming. Heavyweight champion Mike Tyson ushered in the city's peak era in the late 1980s, a time when more than just fight fans turned their attention to Atlantic City for some of the biggest sporting events ever. Although AC never again topped the impact of those days, boxing action at the shore remained vital for decades to come.

The Black Lights Thomas Hauser,2000-01-01 Originally published in 1986 (McGraw-Hill), *The Black Lights* was the first book that fully explored the sport and business of professional boxing. Upon joining the training camp of superlightweight Billy Costello, Thomas Hauser was given unprecedented access to the fighter, his manager, and trainer as well as to the real heavyweights of the boxing world, promoter Don King, and World Boxing Council president Jose Sulaiman. The result, according to *Playboy* in their review of the original, is a book that explains why fighters fight, what they go through to win, and how they feel when they lose. It is a great book. In this gracefully written, fast-paced narrative, the author slips quietly into the background

and gives us a firsthand look at a business that is often cruel and exploitative and a sport that is at once violent and beautiful. As the San Francisco Chronicle points out, *The Black Lights* provides ammunition for both sides in the debate over boxing: Hauser has written what is clearly the most complete and fairminded work on the subject to date. In an age when the controversy surrounding the evils and merits of boxing still rages, this classic account is more timely than ever.

Cut Time Carlo Rotella, 2003-08-05 Carlo Rotella, an award-winning writer and ringside veteran, unearths the hard wisdom in any kind of fight, from barroom dustup to HBO extravaganza. He vividly describes the tough choices and subtle pleasures that come the way of every fighter, from perennial underdogs on the tank-town circuit to the one-time heavyweight champion Larry Holmes, who still spars to retching exhaustion daily. Rotella uncovers the often startling light that boxing sheds on the world beyond the ring. A college student's brief fistic career pinpoints the moment when adulthood arrives. The serenity of a fellow fan shows Rotella how to process the trauma of a car crash. The persistence of a wizened ex-champion reminds him of his grandmother and helps him accept her death. Throughout, Rotella achieves moving resonances between the worlds inside and outside the ropes. He also tackles fascinating questions that have gone largely unexplored until now: How do boxers endure the brutal punishment that is the sport's essence? And why do they come back for more, again and again? As Rotella traces his immersion in the fight world, he achieves what few other writers in that world have: he makes it relevant to us, whether we're fans or not.

Hit Man Brian Hughes, Damian Hughes, 2009-12-10 Thomas Hearn ranks as one of the greatest and most exciting fighters of all-time. From his explosion onto the pro boxing scene with seventeen straight knockouts, he struck fear into opponents and awe into spectators. He went on to feature in some of the most thrilling bouts ever and became the first champion to win six titles at different weights. He will forever be known by his chilling nickname: the Hit Man. Co-written by Brian Hughes, Britain's leading boxing trainer, *Hit Man* delves inside this complex, charismatic character to present a compelling portrait of a modern sports legend. Reviews 'Compelling.' -- DAILY STAR 'One of the best biographies of a professional fighter since 'Unforgiveable Blackness'. A must read for all boxing fans.' -- SADDoboxing.com 'A fine tribute to a great, great fighter.' -- DUBLIN EVENING HERALD 'The Hit Man unleashed.' -- THE RING 'An engrossing book on a thrilling fighter.' -- BOXING MONTHLY

Hangin' Tough Jawed Akrim, 2021-05-17 *Hangin' Tough* is a collection of essays and short stories that celebrate boxing. Jawed Akrim, a lifelong scholar and fan of the noble sport, answers an individual question with each essay or story. The question-and-answer format engages readers and encompasses a variety of topics, such as: • Was there ever someone more intimidating than Mike Tyson? • Were people scared to fight Muhammad Ali? • Has a boxer ever been so nervous that they didn't leave the dressing room? • Who would win in a match between Sonny Liston and Rocky Balboa? • What was the most unrealistic thing that happened in the Rocky movies? Filled with colorful personalities such as boxers Muhammad Ali, Canelo Alvarez, Sonny Banks, Trevor Berbick, David Bey, Joe Louis, and many others, the book also highlights trainers and other sports figures with a connection to the ring. Prepare to be shocked, amazed, and even horrified as you take a walk on the wilder side of boxing history.

Iceman Chuck Liddell, Chad Millman, 2008-01-29 "The New York Times bestseller from the baddest man on the planet—with photos and a brand new chapter. Chuck Liddell is the face of the Ultimate Fighting Championship, and superstar of Mixed Martial Arts -- the fastest growing sport in America. Here, for the first time, is the story of Chuck Liddell inside and outside the Octagon—from his childhood in the poor section of Santa Barbara to the bloodiest battles of his career, to balancing life as a father, a UFC champ, and a superstar. Scientific Boxing - Diet; Fight Training, Scientific Boxing, K.O. Punching Anon, 2011-10-01 Many of the earliest books, particularly those

dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Shadow Box George Plimpton, 2016-04-26 George Plimpton makes his riskiest foray into participatory journalism -- stepping into the ring against a champion boxer -- in *Shadow Box*, repackaged and including never-before-seen content from the Plimpton archives. Stepping into the ring against light-heavyweight champion Archie Moore, George Plimpton pauses to wonder what ever induced him to become a participatory journalist. Bloodied but unbowed, he holds his own in the bout -- and lives to tell, in this timeless book on boxing and its devotees, among them Ali, Joe Frazier, Ernest Hemingway, and Norman Mailer. *Shadow Box* is one of Plimpton's most engaging studies of professional sport, told through the eyes of an inquisitive and astute amateur. From the gym, the locker room, ringside, and even in the harsh glare of the ring itself, Plimpton documents what it is like to be a boxer, an artist of mayhem.

Bert Sugar on Boxing Bert Randolph Sugar, 2005-10-01 Entertaining, insightful, and eminently colorful-the next best thing to being at the fights.-- New York Sportscene . . . anyone taking a trip through the sport's hardscrabble past couldn't ask for a better guide...--The Ring Known as the guru of boxing, Bert Randolph Sugar is one of the most charismatic writers ever to capture the drama of the fight on paper. With a passion for the sport that is rivaled only by his talent for writing about it, Bert Sugar is also regarded as the unofficial historian of boxing. With his trademark fedora and always-handly cigar, Sugar is a guaranteed ringside presence. His colorful personality and flamboyant mannerisms are unforgettable whether you are meeting him in person or through his writing. *Bert Sugar on Boxing* brings out his best. Here's but a small sampling of what awaits readers: Many a troubled and troublesome youngster has embraced The Sweet Science as a way out, a social staircase out of the mean streets that formed his limited world, fighting his way, bloody hand over bloody hand, up the ladder of acceptance the only way he knows: with his fists. You see, I was raised in a society, many moons ago, which held to two general axioms: That men were stronger; and women, smarter. And if women are so damned smart, why are they interested in having their features rearranged and acquiring cauliflower ears so pronounced they can be covered with hollandaise sauce? I will not be dissuaded from attacking those with souls like the undersides of flat rocks any more than ice can be welded or iron melted. There is no shaking-knee factor here.

Irish Thunder Bob Halloran, 2010 Describes the boxer's childhood in Lowell, Massachusetts, his rivalry with his brother, his fifteen-year boxing career and its end in a string of defeats, and his return from retirement to win the world light welterweight title.
