Jane O'Connor

Beautiful Day Elin Hilderbrand, 2013-06-25 A summer wedding stirs up trouble on both sides of the family in this beloved bestseller from the queen of the summer novel (People). The Carmichaels and the Grahams have gathered on Nantucket for a happy occasion: a wedding that will unite their two families. Plans are being made according to the wishes of the bride's late mother, who left behind *The Notebook*: specific instructions for every detail of her youngest daughter's future nuptials. Everything should be falling into place for the beautiful event -- but in reality, things are falling apart. While the couple-to-be are quite happy, their loved ones find their lives crumbling. In the days leading up to the wedding, love will be questioned, scandals will arise, and hearts will be broken and healed. Elin Hilderbrand takes readers on a touching journey in *Beautiful Day* -- into the heart of marriage, what it means to be faithful, and how we choose to honor our commitments.

*Have a Beautiful Day* Bryan Arndt, PhD, 2014-11-26 I love early mornings, including that period of darkness before sunrise. It is during this special time of day that I can be alone with my thoughts, write uninterrupted, and feel as if I am at my most productive. Over the years I have also found the best way to begin each day is to thank the universe for the gift of a new day. These expressions of gratitude have a way of returning more of what it is I love about my life back to me. I have also found that a good quote, an affirmation or two, thoughts from our ancient

wisdom writers, or words of inspiration from a variety of people—especially creative people—are the best way to kick off my day. I make every moment special and meaningful. I make every moment productive and rewarding. I make every moment positive and life-affirming. Enjoying a lifetime's worth of beautiful days—this is what I Imagine, believe, and create for my whole self each and every day. You can do the same; you too can Imagine Believe Create a lifetime's worth of beautiful days. How? Open the book to today's date—it can all begin right now. Have a beautiful day.

They were on a major highway in Florida approximately five miles from their Florida residence. Traffic was heavy and moving at fifty-five miles per hour. The accident was catastrophic and left them near death. This story depicts how they survived through the excellent care of the trauma team at Osceola Hospital and through their arduous journey of coming back. It also describes how their children traveled more than eight hundred miles to step in to deal with hospital personnel and make important decisions regarding their care and survival. While hospital staff could not believe, the first one to reach their bedside was their pastor Dan Hopkins from Virginia. Dottie and Skip were not at all surprised. They believe God orchestrated their survival and recovery through excellent hospital personnel, family and friends. They also believe that God spared the young mother and her three young children from any injuries that day.

*Miracle Stories* Raouf Mama, 2017-03-13 It Was A Beautiful Day and Other Personal Quiet Miracle Stories is a collection of powerful, inspirational stories. It captures personal, life-changing moments of redemption from utter despair to radiant hope, of astonishing transmuting of sorrow into joy, agony into a song of thanksgiving. It is a celebration of our sense of the mysterious, which Einstein called the fundamental emotion of true art and true science. In an increasingly skeptical world, amid the rush and roar of technology, these stories echo John O Donahues call to all of us to celebrate the quiet miracles that seek no attention. They are a joyous song in praise of the human capacity to marvel and to wonder.
