When the Moon Was Ours Anna-Marie McLemore,2016-10-04 Winner of the 2016 Tiptree Award! Longlisted for the 2016 National Book Award for Young People's Literature Stonewall Book Award Honor "McLemore's second novel is such a lush surprising fable, you half expect birds to fly out of the pages... McLemore uses the supernatural to remind us that the body's need to speak its truth is primal and profound, and that the connection between two people is no more anyone's business than why the dish ran away with the spoon." --Jeff Giles, New York Times Book Review Anna-Marie McLemore's debut novel The Weight of Feathers was greeted with rave reviews, a YALSA Morris Award nomination, and spots on multiple "Best YA Novels" lists. Now, McLemore delivers a second stunning and utterly romantic novel, again tinged with magic. To everyone who knows them, best friends Miel and Sam are as strange as they are inseparable. Roses grow out of Miel's wrist, and rumors say that she spilled out of a water tower when she was five. Sam is known for the moons he paints and hangs in the trees and for how little anyone knows about his life before he and his mother moved to town. But as odd as everyone considers Miel and Sam, even they stay away from the Bonner girls, four beautiful sisters rumored to be witches. Now they want the roses that grow from Miel's skin, convinced that their scent can make anyone fall in love. And they're willing to use every secret Miel has fought to protect to make sure she gives them up. Atmospheric, dynamic, and packed with gorgeous prose, When the Moon was Ours is another winner from this talented author.

Not many people in 1958 Louisiana have seen such a beautiful traveling case, covered with red roses, filled with jewelry, silk bedclothes, expensive soaps...and train tickets to California. But when disaster strikes back home, Leah and Ruth have to stay with Aunt Olivia permanently. Will freedom ever feel like home?

The Cats Who Crossed Over from Paris R. F. Kristi,2016-07-08 Inca, a Siberian puss, tells the story about her furry family - her brother Fromage, who is addicted to cheese and considers himself a cheese monger, and her sister, Cara, a gorgeous but timid Siamese. Inca, an avid fan of Dr. House, considers herself the leader of the troupe and responsible for the well-being

of the family. They own, according to Inca, Missy, a young humanoid who has a well-established cheese shop in Paris. The story revolves around how Missy decides to move to London with her co-partners, Jacques and Genevieve, to run their new cheese shop and café. Can Fromage leave his pal, Charlotte, behind? Soon after arriving in London, the three cats accompany Missy to their neighbor's house where they meet Monk, a blue Russian cat and Terrance, a golden retriever owned by their famous neighbor, a detective named Solo, living in the same compound in Kensington. Things start to get interesting when Monk tries to help their neighbor, Polo, a sad little Pekinese whose mistress, a formerly well-known opera singer who is pining for her lost husband, has her valuable diamond necklace stolen. Can Inca and her family assist Monk and Terrance to recover the diamond necklace and resolve Polo's problems?

Field, Flower, Vase Chelsea Fuss, 2021-03-02 Floral expert Chelsea Fuss shows you how to make beautiful, natural arrangements with foraged and seasonal greenery, branches, and flowers Based on her extraordinarily popular flower-arranging workshops, Chelsea Fuss's first book combines an alluring sense of place with everything readers need to know to forage, gather, and arrange fresh and dried botanicals. Each arrangement is addictively easy to make, and the featured centerpieces, wreaths, garlands, and bouquets are designed to bring the perfect amount of scent, color, and atmosphere to a room. The book features 28 eco-friendly floral projects, all using natural materials in lieu of floral foam and wire. Each arrangement is accompanied by foraging tips that can be applied to different locales. Photographed in the author's small village in Portugal, the book overflows with atmospheric images of flowers and foliage in the landscape to inspire readers to walk local trails (even if that just means the stalls of a city market) and gather ingredients in a pastime that is as much self-care and meditation as it is a practical pursuit.

Hope For the Flowers Trina Paulus, 2017-07-13 Hope for the Flowers: A must read during this time of the corona virus and civil unrest in 2020. Caterpillars, Butterflies, Life & a real Hope Revolution THE WORLD HAS BEEN COCOONING; LET US EMERGE WITH HOPE. We have all lived through months of strange relationships with ourselves and the world around us. Virtual gatherings have become the norm, while the pain, uncertainty and injustice goes on. What will our new normal possibly become? What new work? How can we do our part to heal the world from whatever limited space we have? How can our United States truly be one nation under God with liberty and JUSTICE FOR ALL? "What might I do to help others during this global crisis? Is likely still your question as well as still mine. I will continue to offer my e-book for \$2.99 with my hope that it can strengthen hope and courage in each of you and your children. We will need all we can get! If inspired, please join our Facebook group - Hope (For the Flowers) Revolution. Maybe we can inspire each other to build the better world that's possible. My hope for us is that, like our caterpillar heroes, Stripe and Yellow, we transform in the darkness of the cocoon to something new and totally unexpected. May we each find a way to use this time of darkness to light the way to justice and peace in the world. May we discover our own new beauty as we discover the beauty in our differences. May we each discover our purpose and live with passion this thing called life, while we still can. "How does one become a butterfly" Yellow asks pensively. "You must want to fly so much That you are willing to give up being a caterpillar." I can't think of anything more transformational and radical than the change that happens when a lowly caterpillar worm becomes a flying beautiful butterfly. And it doesn't end with flying! They find their true purpose, to carry the pollen of love from one flower to another and receive in return the sweet nectar that keeps them alive. What wondrous exchange! Sharing is the answer to so much! I'm so grateful the story seems to reach every culture, and over 3 million have loved and shared the paper version in English and countless more in other languages for 50 years. May each of us and the world flourish after this strange dark cocoon of isolation.
