Killing Lions John Eldredge,Samuel Eldredge,2014-09-16 The Challenge Before You Is a Bold One: To Accept the Wild, Daring Adventure of Becoming a Man We want to be self-sufficient. Find our own direction as we pursue our dreams. Know it all and never ask for help. Isn't this how most guys approach manhood? On our own, pretending we are doing better than we really are? But sooner or later the thrill of independence gets lost in the fog of isolation. It's time to take the pressure off. We were never meant to figure life out on our own. This book was born out of a series of weekly phone calls between Sam Eldredge, a young writer in his twenties, and his dad, best-selling author John Eldredge. Join the conversation as a father and son talk about pursuing beauty, dealing with money, getting married, chasing dreams, knowing something real with God, and how to find a life you can call your own. Killing Lions is more than fatherly advice. It is an invitation into a journey: either to be the son who receives fathering or the father who learns what must be spoken. Most important, these conversations speak to a searching generation: "You are not alone. Its not all up to you. You are going to find your way."

The Art and Making of The Lion King Michael Goldman,2019-07-16 Stunning concept art, powerful behind-the-scenes photography, and fascinating interviews with the cast and crew pack The Art and Making of The Lion King, offering an inside perspective on how director Jon Favreau and his talented team used the most advanced virtual cinematography and computer graphics techniques to craft a film of both legend and hyperrealism. The story of The Lion King has entered the pantheon of cultural mythology, as has its iconic music. In revisiting this tale, the filmmaking team set off for an adventure of a lifetime: an expedition across the southern portion of Kenya in Africa. These seasoned filmmakers gathered reference photographs, scans, and other materials to apply to the digital moviemaking process and in turn were immersed in the nuances of the real environment. Once back at the studio, they utilized common filmmaking tools with state-of-the-art virtual reality (VR) technology and new, ultrafast rendering technologies to create a virtual production, a concept they pushed further than it had ever been before. The Art and Making of The Lion King documents this captivating journey and closes the circle with a discussion on a modern-day conservation program called the Lion Recovery Fund (LRF).

In this timely and charming story about the importance of being true to yourself, mindfulness, and standing by your friends, we meet Leonard, a lion, and his best friend Marianne, a . . . duck. Leonard and Marianne have a happy life together—talking, playing, writing poems, and making wishes, But one day, a pack of bullies questions whether it's right for a lion and a duck to be pals. Leonard soon learns there are many ways to be a lion, and many ways to be a friend, and that sometimes finding just the right words can change the world . . . This sweet, funny, thoughtful, and much-needed story will open up readers' eyes to the importance of being who they are and not backing down to hurtful criticism. England Jack Gordon Brown, Philip Ross, 2018 Fully updated ahead of the 2018 World Cup in Russia, *England: The Complete Record* is the definitive account of one of the world's most recognisable and historic national teams. Participants in the first official international association football match ever played -- a 0-0 draw with Scotland at Hamilton Crescent on 30 November 1872 -- England have remained a domineering and pioneering force in the global game throughout their existence. Over 145 years since that groundbreaking meeting with Scotland, Philip Ross, Jack Gordon Brown and James Corbett have collaborated to detail the highs and the lows of the Three Lions: from the ignominy of defeat against Hungary at Wembley in 1953, to World Cup glory at the same venue thirteen years later, and penalty heartbreak throughout the ages -- every meaningful moment is recorded throughout these pages. This complete record includes statistical details of every England match, friendly or competitive, year upon year -- the result, the opponents, the scorers, the venue, the attendance -- complete with a weaving narrative throughout. Every England tournament appearance is documented, including the now-defunct British Home Championships, alongside the more recognisable European Championships and World Cup. Replete with in-depth player and manager databases and profiles, this book is an indispensable addition to the libraries of every England fan and to followers of the beautiful game everywhere.

The Lion Tracker's Guide To Life Boyd Varty, 2019-10-22 Somewhere deep inside, you know what your gift, purpose, and mission are. Boyd Varty, a lion tracker and life coach, reveals how the wisdom from the ancient art of tracking can teach you how to recognize these essential ingredients in a meaningful life. Know how to navigate, don't worry about the destination, and stay alert. These are just a few of the strategies that contribute to both successful lion tracking and a life of fulfillment. When we join Boyd Varty and his two friends tracking lions, we are immersed in the South African bush, and, although we learn some of the skills required for actual tracking, the takeaways are the strategies that can be applied to our everyday lives. Trackers learn how to use all of their senses to read the environment and enter into a state of "greater aliveness." When we learn to find and follow our inner tracks, we learn to see what is deeply important to us. In the same way the trip in the classic *Zen and the Art of Motorcycle Maintenance* was a vehicle to examine how to live out our values, the story of this one-day adventure—with danger and suspense along the way—uses the ancient art of tracking to convey profound lessons on how to live a purposeful, meaningful life of greater harmony.

In a Pit with a Lion on a Snowy Day Mark Batterson,2016-08-16 Your greatest regret at the end of your life will be the lions you didn't chase. You will look back longingly on risks not taken, opportunities not seized, and dreams not pursued. Stop running away from what scares you most and start chasing the God-ordained opportunities that cross your path. In a Pit with a Lion on a Snowy Day is inspired by one of the most obscure yet courageous acts recorded in Scripture, a blessed and audacious act that left no regrets: "Benaiah chased a lion down into a pit. Then, despite the snow and slippery ground, he caught the lion and killed it" (2 Samuel 23:20 -21). Unleash the lion chaser within! #InAPit "Mark has become one of the most important voices for a new generation. Anything he touches changes lives. I appreciate his willingness to take bold risks and go to extraordinary lengths to reach our culture with a message that is truly relevant." — Ed Young, senior pastor, Fellowship Church "Don't settle for a normal life. Conquer your fears, accept His anointing, jump into that pit, chase the lion, and watch God's Kingdom come in amazing ways." — Christine Caine, founder of Propel Women, author of Unashamed
