I Should Have Honor Khalida Brohi, 2018-09-04 A fearless memoir about tribal life in Pakistan—and the act of violence that inspired one ambitious young woman to pursue a life of activism and female empowerment “Khalida Brohi understands the true nature of honor. She is fearless in her pursuit of justice and equality.”—Malala Yousafzai, winner of the Nobel Peace Prize From a young age, Khalida Brohi was raised to believe in the sanctity of arranged marriage. Her mother was forced to marry a thirteen-year-old boy when she was only nine; Khalida herself was promised as a bride before she was even born. But her father refused to let her become a child bride. He was a man who believed in education, not just for himself but for his daughters, and Khalida grew up thinking she would become the first female doctor in her small village. Khalida thought her life was proceeding on an unusual track for a woman of her circumstances, but one whose path was orderly and straightforward. Everything shifted for Khalida when she found out that her beloved cousin had been murdered by her uncle in a tradition known as “honor killing.” Her cousin’s crime? She had fallen in love with a man who was not her betrothed. This moment ignited the spark in Khalida Brohi that inspired a globe-spanning career as an activist, beginning at the age of sixteen. From a tiny cement-roofed room in Karachi where she was allowed ten minutes of computer use per day, Brohi started a Facebook campaign that went viral. From there, she created a foundation focused on empowering the lives of women in rural communities through education and employment opportunities, while crucially working to change the minds of their male partners, fathers, and brothers. This book is the story of how Brohi, while only a girl herself, shone her light on the women and girls of Pakistan, despite the hurdles and threats she faced along the way. And ultimately, she learned that the only way to eradicate the parts of a culture she despised was to fully embrace the parts of it that she loved. Praise for *I Should Have Honor* “Khalida Brohi’s moving story is a testament to what is possible no matter the odds. In her courageous activism and now in *I Should Have Honor*, Khalida gives a voice to the women and girls who are denied their own by society. This book is a true act of honor.”—Sheryl Sandberg, COO of Facebook and founder of LeanIn.Org and OptionB.Org

A Jew Tourist in Pakistan M. Muzamal Naveed,2019-10-17 This is the story about the experience of a Jew during his visit to Pakistan. In Pakistan, I went on a journey in the Indian Himalayas: the northern part of Pakistan includes the western side of the Himalayas, the Hindu-Kush Mountains along the border with Afghanistan, and the high peaks of the Karakoram Mountains. As expected, the border crossing was almost deserted and, according to the behavior of immigration officials, it seemed as if I had violated the peace of their lunch. After rejecting the porters who were to carry my backpacks, I walked the only mile separating the two border stations, and my face received a large sign: Long live the Islamic Republic of Pakistan, which reminded me that I was entering a state that actually operates as a Muslim state.

Kahani Aamer Hussein, 2013-01-02 Pakistan's finest women writers - Jamila Hashmi, Mumtaz Shirin, and Fahmida Riaz, amongst others - introduce us to the compelling cadences of a rich literary culture. A naive peasant is left with a white man's baby; a frustrated housewife slashes her husband's silk pyjamas; a middle-class woman sees visions of salvation in the tricks of circus animals ... Equally at ease with polemic and lyricism, these writers mirror the events of their convoluted history - nationalism and independence, wars with India, the creation of Bangladesh, the ethnic conflicts in Karachi - in innovative and courageous forms. Influenced both by the Indian and Islamic traditions of their milieu and by the shocking impact of modernity, they are distinguished above all by their artistic integrity and intellectual honesty. 'An excellent anthology by Urdu's foremost women writers' Muneeza Shamsie, Newsline 'I hope that this engaging and diverse work will encourage other translations of contemporary Pakistani fiction.'
