**This Beautiful Book** Steve Green,Bill High,2019-11-12 In This Beautiful Book, Steve Green - founder of The Museum of the Bible - highlights life-changing themes woven through the mosaic of the Bible's various stories, reveals a new way to engage Scripture as a whole, and inspires deep appreciation for the Bible's connection to your life. The most popular and culture-shaping text in the world, the Bible is still the least understood book of all time. The Bible's collection of history, poetry, genealogy lists, and mystifying prophecies often prove puzzling to readers. And when this text is read in pieces, we're left with only a half-impression of the vibrant mosaic. This Beautiful Book highlights the thematic threads woven throughout the ancient writings and shows us a new way to engage with Scripture as a whole. Through insights gained from firsthand experiences in leading and developing the first world class Bible museum, Green invites readers to step back from the individual stories of the Bible and consider the Bible as a whole. He reveals the completeness, connection, and transformative power of Scripture. Along with stunning retellings of biblical stories, Green helps

readers see the story within the story, and draws the careful connections that help us appreciate the richness of the Bible story as a single story. Each page will spark or embolden your faith in a God who speaks to us across the centuries. A truly captivating experience, this book will instill in you a deep appreciation for Scripture and its profound connection to your own life story.

*Beauty Secrets of the Bible* Ginger Garrett, 2007-09-09 Every woman can accentuate her God-given beauty using the hidden treasures of the ancient Scriptures. Ginger Garrett reveals how every woman can accent her God-given beauty using the hidden treasures of the ancient Scriptures-where every scent and every act of beautification had spiritual and emotional significance. A woman's longing to present herself as physically beautiful is universal. Beauty is extolled throughout the Bible as complementing God's plan for women's lives. There are currently no books that examine the beauty practices of biblical women, the plants and products God created to accent their beauty, and the spiritual roots of feminine rituals. Beautiful women abound in the Bible: Queen Esther, the bride of Solomon, Delilah, Rachel, Sarah, and more. Their beauty was a gift from God, and God also supplied the many foods, spices, and oils that perfected each woman's appearance. In *Beauty Secrets of the Bible*, Ginger Garrett helps readers accent their God-given beauty using these secrets. Women who read the book will understand the essential oils and fragrances mentioned in Scripture (and why they are making a comeback) and will be able to create a regimen based on all-natural ancient products and techniques. *Beauty Secrets of the Bible* gives readers what other beauty books lack: the knowledge that a woman's unique earthly beauty is indeed a blessing from God that can be cultivated.

*The Skincare Bible* Anjali Mahto, 2018-04-05 'I now feel safe in the knowledge that I'm armed with the latest science-backed information about how to care for my skin' Chloe Brotheridge, author of *The Anxiety Solution* We all know that taking good care of our skin is the key to any effective health and beauty regime. But with so much conflicting information out there, the path to healthy skin can seem far from clear. Dr Anjali Mahto is one of the UK's leading consultant dermatologists. Equipped with years of expertise and the most up-to-date evidence, she sets out to cut through the noise and distinguish the nuggets from the nonsense. Chia seeds won't make your skin glow and lilac water is never going to reduce acne scarring. And, when it comes to the best products, high price doesn't necessarily mean high quality. Tackling common complaints such as acne and dryness, rosacea and aging, *The Skincare Bible* is your definitive companion to your body's biggest organ. Clear, concise and packed full of tips on the best products and routines, it will help you discover what works for you and find confidence in your own skin. This is your expert guide to great skin - pure and simple. 'A refreshing, fad-free guide to glowing skin. A must read for anyone struggling with their skin health' Dr Megan Rossi

*The Green Beauty Bible* Sarah Stacey, Jo Fairley, 2009-12-16 Sarah and Jo discuss all the relevant topics including what healing plants to use for your skin type.
