Here She Is Hilary Levey Friedman,2020-08-25 A fresh exploration of American feminist history told through the lens of the beauty pageant world. Many predicted that pageants would disappear by the 21st century. Yet they are thriving. America's most enduring contest, Miss America, celebrates its 100th anniversary in 2020. Why do they persist? In *Here She Is*, Hilary Levey Friedman reveals the surprising ways pageants have been an empowering feminist tradition. She traces the role of pageants in many of the feminist movement's signature achievements, including bringing women into the public sphere, helping them become leaders in business and politics, providing increased educational opportunities, and giving them a voice in the age of #MeToo. Using her unique perspective as a NOW state president, daughter to Miss America 1970, sometimes pageant judge, and scholar, Friedman explores how pageants became so deeply embedded in American life from their origins as a P.T. Barnum spectacle at the birth of the suffrage movement, through Miss Universe's bathing beauties to the talent- and achievement-based competitions of today. She looks at how pageantry has morphed into culture everywhere from *The Bachelor* and *RuPaul's Drag Race* to cheer and specialized contests like those for children, Indigenous women, and contestants with disabilities. Friedman also acknowledges the damaging and unrealistic expectations pageants place on women in society and discusses the controversies, including Miss America's ableist and racist history, Trump's ownership of the Miss Universe Organization, and the death of child pageant-winner JonBenét Ramsey. Presenting a more complex narrative than what's been previously portrayed, *Here She Is* shows that as American women continue to evolve, so too will beauty pageants.

"There She Is, Miss America" Elwood Watson,Darcy Martin,2004-08-21 Publisher Description

Six Key Communication Skills for Records and Information Managers Kenneth Laurence Neal,2014-09-06 Excellent business communication skills are especially important for information management professionals, particularly records managers, who have to communicate a complex idea: how an effective program can help the organization be better prepared for litigation, and do it in a way that is persuasive in order to win records program support and budget. *Six Key Communication Skills for Records and Information Managers* explores those skills that enable records and information to have a better chance of advancing their programs and their careers. Following an introduction from the author, this book will focus on six key communication skills: be brief, be clear, be receptive, be strategic, be credible and be persuasive. Honing these skills will enable readers to more effectively obtain support for strategic programs, communicate more effectively with senior management, IT personnel and staff, and master key forms of business communication including written, verbal and formal presentations. The final chapter will highlight one of the most practical applications of applying the skills for records and information managers: the business case. Based on real events, the business cases spotlighted involve executives who persuaded organizations to adopt new programs. These case histories bring to life many of the six keys to effective communication. addresses communication skills specifically for records and information managers while clarifying how these skills can also benefit professionals in any discipline includes case history examples of how communications skills made a difference in business and/or personal success focuses on written, verbal and presentation skills, where many books emphasize only one of these areas

Apple Turnover Murder Bundle with Key Lime Pie Murder, Cherry Cheesecake Murder, and Lemon Meringue Pie Murder Joanne Fluke,2011-02-01 *Apple Turnover Murder* The Luscious Los Angeles Times And USA Today Bestseller! Early summer brings plenty of work for baker Hannah Swensen, even before Mayor Bascomb's wife drops by The Cookie Jar to place an order for her charity event. . .for eleven-hundred cookies! And Hannah almost flips when her business partner, Lisa, suggests setting up an apple turnover stand. But she places her faith in Lisa and agrees to be a magician's assistant in the fundraiser's talent show. . . *Key Lime Pie Murder* New York Times Bestseller It promises to be a busy week for Hannah Swensen. Not only is she whipping up treats for the chamber of commerce booth at the Tri-County fair, she's also judging the baking contest;acting as a magician's assistant for her business partner's husband;trying to coax Moishe, her previously rapacious feline, to end his hunger strike, and performing her own private carnival act by juggling the demands of her mother and sisters. With so much on her plate, it's no wonder Hannah finds herself on the midway only moments before the fair closes for the night. After hearing a suspicious thump, she goes snooping--only to discover Willa Sunquist, a student teacher and fellow bake contest judge, dead alongside an upended key lime pie. But who would want to kill Willa and why? *Cherry Cheesecake Murder* Hannah Swensen and her bakery, The Cookie Jar, bask in the glow of Hollywood glamour when Main Street becomes a movie set. And although tensions simmer as the cameras roll, no one expects the action to turn deadly. . .until it's too late. . . There's no such thing as privacy in Lake Eden, but Hannah never thought things would go this far. Everyone has been telling her what to do ever since she got not one but two marriage proposals. Movie mania soon shoves Hannah's marriage dilemma into the background and even gives her cat a shot at stardom. The Cookie Jar serves as snack central with Main Street rented out for the week. She stirs lots of fresh gossip, whipping up treats for cast and crew, including demanding director Dean Lawrence's favorite--cherry cheesecake. *Lemon Meringue Pie Murder* Hannah Swensen thought she'd finally discovered the recipe for a perfect life. But her sometime beau Norman Rhodes tossesa surprise ingredient into the mix when he phones to tell her he's just bought

a house from local drugstore clerk Rhonda Scharf--which he plans to tear down in order to build the dream home he and Hannah designed. It seems the plan has been cooking for quite some time, and Hannah's shocked. Especially since her ring finger is still very much bare. . . The good news is that the soon-to-be-torn-down house is full of antiques--and Norman has given Hannah and her mother first dibs. They uncover some gorgeous old furniture, a patchwork quilt. . .and Rhonda Scharf's dead body. A little more sleuthing turns up the half-eaten remains of a very special dinner for two--and one of The Cookie Jar's famous lemon meringue pies. Now it's up to Hannah to turn up the heat--and get busy tracking down clues. Starting in her very own kitchen. . .

The People of God: Finding the Future in Your Bible - 26 Keys that Unlock Prophecy John Finkbeiner,2010-05-20 Wake up! A dangerous combination of spiritual sleep and paralyzing fear threatens humanity. Beset by a constantly growing number of disaster scenarios, failing leaders and voices of insanity, we must heed the Bible's comforting words of reassurance, "Jesus saves!" Using a literal, common sense approach to Scripture, prophecy comes alive in this exciting, faith-building book. The greatest enemy to our future survival is ignorance or a disregard for God's evacuation plan. The People of God cuts through the speculation, common misunderstandings, distractions and false teachings of today and shines the light of Biblical truth on "26 keys." With these keys, understanding tomorrow is achievable by studying with the backdrop of God's version of yesterday. The God of Scripture is all about saving our families and friends, not condemning them. In his Word, he has given clear warnings as well as many great and precious promises of deliverance. The world is not ending- this evil age soon will! Following their Lord's specific directions, hundreds of thousands of contemporary "Noah's" around the globe are preparing "their Ark." They are doing so with the living hope that a new kingdom, where Jesus' reign, lies just beyond, awaiting our arrival. Will you and your loved ones be among them? Finding the Future in Your Bible contains nearly a thousand quotes and verse citations, from Genesis to Revelation. Chapters, called Keys, include "Gazillions," "Land," "Cheap Sex," "The Lie," "Saints," "Mothers," and "Gathered Up," each opening doors and illuminating the path of God's prophetic plan of escape. The People of God is not for the faint-hearted or religious traditionalists. The surprising discoveries, from cover to cover, will be enthusiastically embraced by men and women that believe God's Word has the answer to their all-important question, "In the midst of this wicked and corrupt generation, what must I do to be saved?"
