The Managed Hand Miliann Kang, 2010-06-02 Two women, virtual strangers, sit hand-in-hand across a narrow table, both intent on the same thing-achieving the perfect manicure. Encounters like this occur thousands of times across the United States in nail salons increasingly owned and operated by Asian immigrants. This study looks closely for the first time at these intimate encounters, focusing on New York City, where such nail salons have become ubiquitous. Drawing from rich and compelling interviews, Miliann Kang takes us inside the nail industry, asking such questions as: Why have nail salons become so popular? Why do

so many Asian women, and Korean women in particular, provide these services? Kang discovers multiple motivations for the manicure—from the pampering of white middle class women to the artistic self-expression of working class African American women to the mass consumption of body-related services. Contrary to notions of beauty service establishments as spaces for building community among women, *The Managed Hand* finds that while tentative and fragile solidarities can emerge across the manicure table, they generally give way to even more powerful divisions of race, class, and immigration.

Spectacular Nail Art Larit Levy, 2014-09-02 With tips, tricks, and step-by-step how-tos, *Spectacular Nail Art* has 35 designs to give any look the perfect final touch. Novices needn't worry, either, because every project—from sparkling Champagne Chic to the wintry, Christmasy Snappy Snowflakes—includes easy-to-follow instructions and handy step-by-step photos, and most are really simple to create. Have a spooky Halloween with black-and-white cobwebbed nails; hail the red-white-and blue and stars-and-stripes forever with Positively Patriotic; and celebrate the coming of spring with vintage fancy flowers. Go wild with animal prints. Get playful with retro dots, or wedding-ready with pearly bubbles. Tips on nail care, products, and basic manicures (including a French one) help you keep your hands in tip-top shape. One thing's for sure: with this

art on your nails, you'll never want to wear gloves again!
