Magic As a Million Dollar Business Wolfgang Riebe, 2017-11-25 THIS BOOK COMES COMPLETE WITH A 21 PART ONLINE VIDEO & AUDIO COURSE, PLUS LOTS MORE BONUS MATERIAL! Do you want to take your magic career to the next level? From whom would you like to learn the real secrets of success in the magic business? Someone that has a little theoretical knowledge and lives in one-bedroom apartment and claims to know it all! Or someone that started with nothing and today has the global hands-on experience, lives in the dream mansion, drives the big cars, walks the talk and has actually done it all? As a magician, you may not have heard of Wolfgang Riebe. Why? He never focused on the 'magic scene' - instead he focused on the 'layman out there' and building a mega career travelling the world on cruise liners, leading theatres, blue chip corporate companies and producing over 175 of his own TV shows. That's besides his 10 Million plus views on his You Tube Channel! This course can change your life as a magician/business man. No false promises are made here. Real, tried and tested business secrets of being a successful magician will be shared. However, knowing the secrets won't guarantee success. It's like knowing the secret of a trick - some magicians create miracles and become famous - others just don't seem to hack it. You need to realise right now that passion and talent is not enough! Above anything else, you need to have the ability to be honest with yourself in order to identify your USP or at least honest enough to start the journey of discovery as to what your USP is. Only then will this course be of real benefit. Learn to

David Copperfield's History of Magic David Copperfield, Richard Wiseman, David Britland, 2021-10-26 In this personal journey through a unique performing art, David Copperfield profiles some of the world's most groundbreaking magicians. From the sixteenth-century magistrate who wrote an early book on conjuring, to the roaring twenties and the man who fooled Houdini, to the woman who levitated, vanished, and caught bullets in her bare hands, David Copperfield's History of Magic takes you on a wild journey through the remarkable feats of some of the greatest magicians in history. The result is a sweeping tale that reveals how these astonishing performers were outsiders who used magic to escape class, challenge conventions, transform popular culture, explore the innermost workings of the human mind, and inspire scientific discovery. Their incredible stories are complemented by more than 100 never-before-seen photographs of artifacts from Copperfield's exclusive Museum of Magic, including a sixteenth-century manual on sleight-of-hand; Houdini's straitjackets, handcuffs, and water torture

chamber; Dante's famous sawing-in-half apparatus; Alexander's high-tech turban that allowed him to read people's minds; and even some coins that may have magically passed through the hands of Abraham Lincoln. By the end of the book, you'll be sure to share Copperfield's passion for the power of magic. -

How to Become a Professional Magician Sean Mitchell, 2012-07-26 Over the years, many books have been written on the topics of business and marketing for magicians, covering everything from restaurant magic to cruise ships to trade shows and more. Many of these books are excellent resources for a professional magician seeking to expand their business. So far, however, no book has ever been written on the hardest part of performing magic for a living: getting started. *How to Become a Professional Magician* is the first book of its kind: a complete guidebook for making the transition from an amateur to a working professional, step by step, with absolutely nothing left out. Most books on the business of magic simply tell you what to do if you're already a professional magician. They assume that you already have marketing

materials, a professional repertoire, a list of clients, a solid foundation of real-world performing experience, and all the other things required to be a working pro. Rather than assuming you already have these assets, *How to Become a Professional Magician* shows you how to actually get them. Topics covered include: Strategies for building a rock-solid professional repertoire that you can perform for anyone, anywhere, anytime, and count on getting great reactions. A detailed sequence of steps for approaching groups of people at strolling gigs and commanding their respect and attention, before you even perform a single trick. How to determine what to charge for your services (including specific guidelines and examples). Detailed discussions of various marketing materials (including which forms of marketing you should avoid in order to prevent wasting time and money). A complete breakdown of the process of booking a gig, from receiving the first email or phone call all the way up to collecting the paycheck. Specific guidelines and criteria for putting together a wardrobe of performing attire that creates a powerful, professional image and commands the respect of your audiences and clients. An entire section devoted to restaurant magic, detailing a range of strategies for locating restaurants that are well-suited for magic, approaching and selling your services, booking the gig, and keeping it long-term. A detailed discussion of negotiation principles, with a special emphasis on how these principles apply specifically to the world of magic. How to acquire a basic level of performing experience, so that your performing skills are razor-sharp from the very first time you do a professional show. How to start booking paid gigs, even if you have no prior experience marketing yourself. ...and much more. *How to Become a Professional Magician* is designed for performers of all kinds. Whether you want to perform large stage shows or

intimate close-up magic, for children or adult audiences, at colleges, corporate events, schools, private parties, or any other venue, the principles in this book will help you build the performing skills and business foundation necessary to pursue your personal, unique goals. Many books on the business of magic are only 20-30 pages long, and often consist of crudely photocopied pages stapled together by hand. Despite their minimal content and low production values, these small booklets often cost anywhere from \$30-\$60, and occasionally more. *How to Become a Professional Magician* is over 400 pages long, with absolutely no fluff or filler, and is professionally printed and bound to the same standards used by major literary publishing companies. This is a book that you'll be proud to keep on your bookshelf for years, and refer back to again and again as your business expands and grows. If you've ever wondered what it would be like to perform magic for a living, but simply didn't know where to start, then *How to Become a Professional Magician* will show you exactly how to go from amateur to professional as quickly and easily as possible, so that you can earn a living doing what you love and achieve your dream of becoming a professional magician.

The Magicians Lev Grossman, 2010-05-25 Lev Grossman's new novel *THE BRIGHT SWORD* will be on sale July 2024 The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY "The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this." —George R.R. Martin "Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy." —Joe Hill "A very knowing and wonderful take on the wizard school genre." —John Green "The Magicians may just be the most subversive, gripping

and enchanting fantasy novel I've read this century." -Cory Doctorow "This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story." -The New Yorker "The best urban fantasy in years." -A.V. Club Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book The Magician King and the #1 bestseller The Magician's Land, The Magicians is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.

The Wealthy Magician Richy Roy, 2018-04-28 HIGH PRAISE for The Wealthy Magician!!!! If you follow the book's advice, you will make up the cost on your very next show. If you want to be a full-time professional magician, invest in this book and read it carefully. HIGHLY RECOMMENDED -Kent Cummins, Linking Ring Magazine THE WEALTHY MAGICIAN isn't cheap, but he has made it worth the price. If you can learn to raise your fee even ten to twenty percent.. how much more will you make next year? This isn't an investment in your magic library, it's an investment in yourself and your future. -Rick Carruth, Magic Roadshow I would suggest this is compulsory reading for anyone

contemplating the move to being a full time professional magician. If that is one of your aspirations then this book would greatly help you take the right approach from a business point of view. -Phil Sweeting - Bicycle Cards.UKRichy Roy has provided us with a valid plan to actually make a living as a full time magician. -The Magic PortalRichy Roy has assembled some of the best advice to give anyone who is trying to go full time with their entertainment business. This is a book that will give you instant results, while at the same time being a resource you can return to again and again. - Magic OrthodoxyI am a fan of The Wealthy Magician and I believe that it is a valuable resource to entertainers that feel stuck and that are looking for a way to get to the next level. This is also a great book for magicians that are successful and don't mind looking at what they can do better. If every magician read this book, I believe the general public would have an increased appreciation for our art and its value. -Straight Talk MagicMaster the business of magic with this essential guide to becoming a full-time professional magician.Building an amazing magic act is only half the battle. Learn what you are truly worth and why you're not charging nearly enough for your services.If magic is your passion and you want to take it to the next level, this is the book for you. Start living your dream as a professional entertainer by learning the strategies and tools used by leaders all around the world.The skills and abilities gained from this book will give you the edge over your competitors and bolster your finances.The best part is, is that your career as a full-time professional magician can be accomplished in your local area. You don't need to perform in cruise ships, casinos, or sold out theatres to make a six figure income as a magician.You will learn: - What your price tag should be - Why you're not charging enough - How to add value

to your services - How to master social media marketing - The best way to negotiate higher prices ...and so much more! This is truly an inspiring and eye opening book. YOU have inspired ME to raise my prices again, as I've just raised all my prices across the board recently. But everything makes SO much sense in your book, I'm realising I'm not charging near enough for my experience. You've certainly put a lot of time and thought into this inspiring book. This should be a part of every entertainers library. - Tommy James Kidabra International Performer of the Year 2010 A really great and well written book. Really top advice and from experience I can tell you that you nailed it. HIGHLY RECOMMENDED - Paul Rohmany, Editor of Vanish Magazine & Grand Master of Magic 2015
