Laura Hillenbrand

Churchill's Navy Brian Lavery,2016-06-02 In this remarkable book, now reissued in paperback, Brian Lavery examines every aspect of the Royal Navy, both ashore and at sea, during the Second World War, and casts a lucid eye over the strengths and weaknesses of an organisation that was put under acute strain during the period, yet rose to the challenge with initiative and determination. Divided into twelve sections, the book delves into the structure of naval power from the Board of Admiralty and shore commands to officers and crews, their recruitment and training, daily life and discipline. The roles of the Reserves, Merchant Navy, Royal Marines and Wrens within this structure are also explained. Developments in ship design and technology, as well as advances in intelligence, sensors and armament are all discussed and set in context. The different divisions are dealt with one by one, including the Submarine Service, Fleet Air Arm, Coastal Forces, and Combined Operations. The text is complemented by over 300 illustrations and the personal accounts of those who served.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

New York Review of the Telegraph and Telephone and Electrical Journal ,1916

Unbroken (Movie Tie-in Edition) Laura Hillenbrand,2018-08-21 #1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014's Unbroken and the upcoming Unbroken: Path to Redemption. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant's name was Louis Zamperini. In boyhood, he'd been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in Seabiscuit. Telling an unforgettable story of a man's journey into extremity, Unbroken is a testament to the resilience of the human mind, body, and spirit. Praise for Unbroken “Extraordinarily moving . . . a powerfully drawn survival epic.”—The Wall Street Journal “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—New York “Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page.”—People “A meticulous, soaring and beautifully written account of an extraordinary life.”—The Washington Post “Ambitious and powerful . . . a startling narrative and an inspirational book.”—The New York Times Book Review “Marvelous . . . Unbroken is wonderful twice over, for the tale it tells and for the way it's told. . . . It manages maximum velocity with no loss of subtlety.”—Newsweek “Moving and, yes, inspirational . . . [Laura] Hillenbrand's unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time.”—Maureen Corrigan, Fresh Air “Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter's pace.”—Time “Unbroken is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it.”—Christopher McDougall, author

of Born to Run

The Adventures of Beekle: The Unimaginary Friend Dan Santat,2014-04-08 Dan Santat's Caldecott Medal-winning *The Adventures of Beekle: The Unimaginary Friend* is a humorous and thoughtful celebration of friends. This magical story begins on an island far away where an imaginary friend is born. He patiently waits his turn to be chosen by a real child, but when he is overlooked time and again, he sets off on an incredible journey to the bustling city, where he finally meets his perfect match and--at long last--is given his special name: Beekle. The #1 New York Times bestselling and award-winning author and illustrator Dan Santat--creator of *After the Fall* and *Are We There Yet?*--combines classic storytelling with breathtaking art in an unforgettable tale about friendship, imagination, and the courage to find one's place in the world.

The Popol Vuh Lewis Spence,1908

Avengers of the New World Laurent DUBOIS,Laurent Dubois,2009-06-30 Laurent Dubois weaves the stories of slaves, free people of African descent, wealthy whites and French administrators into an unforgettable tale of insurrection, war, heroism and victory.

Microeconomics R. Glenn Hubbard,Anne M. Garnett,Philip Lewis,Anthony Patrick O'Brien,2014-09-01 Microeconomics is the most engaging introductory economics resource available to students today. Using real businesses examples to show how managers use economics to make real decisions every day, the subject is made relevant and meaningful. Each chapter of the text opens with a case study featuring a real business or real business situation, refers to the study throughout the chapter, and concludes with An Inside Look--a news article format which illustrates how a key principle covered in the chapter relates to real business situations or was used by a real company to make a real business decision. Solved problems in every chapter motivate learners to confidently connect with the theory to solve economic problems and analyse current economic events.

Princess Avenger Bernadette Rowley,2023-07-06 A princess in disguise. A shifter with a hidden agenda. Will they uncover the truth in time for romance to blossom? Alecia Zialni has sworn revenge against her father for having her first love murdered. Masquerading as a man to pursue her vendetta, the prince's headstrong daughter is soon in over her head. And when her handsome rescuer is assigned as her protector, her secret double life becomes complicated by their rapidly growing chemistry. Captain Vard Anton struggles to control his budding lust for the determined princess he's supposed to defend. And as an animal shapeshifter charged with killing her father, he knows he can never reveal his true identity. But the violent beast form he cannot master threatens to expose him and risk her safety. As her feelings for Vard continue to bloom, Alecia is devastated when she's betrothed to a lecherous lord. And wracked with guilt over his ultimate mission, Vard fears there is no way for them to ever be together. But her obsession with vengeance may be the death of them both... Can Alecia and Vard topple a tyrant to join their destinies and their hearts? Princess Avenger is the thrilling first book in the Queenmakers Saga epic fantasy romance series. If you like strong heroines, sexy shifters, and forbidden passion, then you'll adore Bernadette Rowley's enchanting adventure. Buy Princess Avenger to go undercover for justice today!
