Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new

advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Hey Natalie Jean Natalie Holbrook, 2015-03-17 "Natalie Holbrook's sensibility is stylish and playful, as well as practical, loving, and down-to-earth. Hey Natalie Jean is a terrific read for anyone who wants to make her life more beautiful." - Gretchen Rubin The blog Hey Natalie Jean has won a cult following with writer Natalie Holbrook's honest, inspiring, and often witty posts on topics like marriage, babies, nesting, and style. Natalie's first book, Hey Natalie Jean is one part manifesto and three parts ideas, projects, and advice. Beautifully illustrated and whimsically designed, the book offers twenty-five essays and how-tos that serve as a guide to life: making date-night magic in the middle of the mundane, successfully exploring the city with a three-year-old, and creating a satisfying daily routine that still leaves room for little adventures and lots of magic. Natalie's optimism, creativity, keen eye, and zeal for life are palpable, and she encourages others to make their lives beautiful with ease. This heartfelt, personal collection of essays and photographs shows Natalie's ability to identify and describe life's lovely incidentals in the everyday routine of errands, play dates, and naps. Inspiring, moving, and whip-smart, Hey Natalie Jean is an honest look at the hard work and courage that go into creating a beautiful life.

Food Politics Marion Nestle, 2013-05-14 We all witness, in advertising and on supermarket shelves, the fierce competition for our food dollars. In this engrossing exposé, Marion Nestle goes behind the scenes to reveal how the

competition really works and how it affects our health. The abundance of food in the United States--enough calories to meet the needs of every man, woman, and child twice over--has a downside. Our over-efficient food industry must do everything possible to persuade people to eat more--more food, more often, and in larger portions--no matter what it does to waistlines or well-being. Like manufacturing cigarettes or building weapons, making food is big business. Food companies in 2000 generated nearly \$900 billion in sales. They have stakeholders to please, shareholders to satisfy, and government regulations to deal with. It is nevertheless shocking to learn precisely how food companies lobby officials, co-opt experts, and expand sales by marketing to children, members of minority groups, and people in developing countries. We learn that the food industry plays politics as well as or better than other industries, not least because so much of its activity takes place outside the public view. Editor of the 1988 Surgeon General's Report on Nutrition and Health, Nestle is uniquely qualified to lead us through the maze of food industry interests and influences. She vividly illustrates food politics in action: watered-down government dietary advice, schools pushing soft drinks, diet supplements promoted as if they were First Amendment rights. When it comes to the mass production and consumption of food, strategic decisions are driven by economics--not science, not common sense, and certainly not health. No wonder most of us are thoroughly confused about what to eat to stay healthy. An accessible and balanced account, Food Politics will forever change the way we respond to food industry marketing practices. By explaining how much the food industry influences government nutrition policies and how cleverly it links its interests to those of nutrition experts, this path-breaking book helps us understand more clearly

than ever before what we eat and why.

Risking It All Christi Barth, 2016-03-08 Who doesn't love Naked Men? In Christi Barth's irresistible series, a group of close-knit friends talk out their problems with naked honesty on a popular blog. Bonded by a high-school tragedy, they're moving on from the past—and fighting for the future with strong and sassy women. Griffin Montgomery helps people. As a teenager, he kept his best friends alive after their soccer team's bus crashed in the Alps. Now, as a Coast Guard search and rescue pilot, he saves lives with reckless abandon—until he goes too far and earns a lengthy suspension. Working on the Naked Men projects keeps his mind busy, but Griff's itching to get back in the action. That's when he finds his latest rescue mission: a

pretty wallflower who's stuck in her comfort zone. Chloe Widmore doesn't take risks. As a professional letter writer, she gets enough excitement out of expressing other people's emotions. So when the hottest man she's ever seen invades her coffee shop, Chloe surprises herself with how much she wants to be with him. Routines make her feel safe. Griff makes her deliciously unsafe, in so many ways. But falling for him is one risk she might just have to take . . . whether she's ready or not. Getting Wilde Jenn Stark, 2015-08-18 Using her well-worn Tarot deck, magical-artifacts hunter Sara Wilde can find anything—for a price. And the price had better be right, since she needs to finance her own personal mission to rescue several young psychics recently sold on the paranormal black market. Enter Sara's most mysterious client and occasional lover, the wickedly sexy Magician, with a job that could yield the ultimate payday. All she'll have to do is get behind Vatican walls... and steal the Devil himself. But play with the Devil and you're bound to get burned. Pressure mounts for Sara to join the Magician's ancient and mysterious Arcana Council, as militant forces unleashed by even darker powers seek to destroy all magic—including the young psychics Sara is desperate to keep safe. The Council may be their only hope. . . but it could also expose Sara's own dark past. From the twisting catacombs of Rome to the neon streets of Vegas, Sara confronts ancient enemies, powerful demigods, a roiling magical underworld about to explode... and immortal passions that might require the ultimate sacrifice. But oh, what a way to go. No matter how the cards play out, things are about to get Wilde.

Blank Spaces Cass Lennox, 2016-11-14 Absence is as crucial as presence. The decision to stop dating has made Vaughn Hargrave's life infinitely simpler: he has friends, an excellent wardrobe, and a job in the industry he loves. That's all he really needs, especially since sex isn't his forte anyway and

no one else seems interested in a purely romantic connection. But when a piece is stolen from his art gallery and insurance investigator Jonah Sondern shows up, Vaughn finds himself struggling with that decision. Jonah wants his men like his coffee: hot, intense, and daily. But Vaughn seems to be the one gay guy in Toronto who doesn't do hookups, which is all Jonah can offer. No way can Jonah give Vaughn what he really wants, not when Jonah barely understands what love is. When another painting goes missing, tension ramps up both on and off the clock. Vaughn and Jonah find themselves grappling not just with stolen art, but with their own differences. Because a guy who wants nothing but romance and a guy who wants nothing but sex will never work—right? Not unless they find a way to fill in the spaces between them.
