**Beer Goggles** Brandon Wilkinson,2017-06-19 Traumatized after his father's mysterious suicide, twenty-nine-year-old Scotland native Stevie McDonald begins an irresponsible and dangerous foray into the dark world of alcohol and sex addiction.Stevie, a former rugby and football player is on a downward spiral initiated by the guilt he feels in not being able to prevent his father's tragic death. Plagued by nightmares, Stevie looks for answers and comfort from the bottle and, as a result, regularly blacks out from his excessive drinking. In a desperate attempt to shock Stevie into rehabilitation, a childhood friend and electronics guru designs beer goggles - fashion eyewear complete with a miniature camcorder that documents Stevie's every move - both in and out of the bedroom. Stevie is finally convinced to try the goggles after waking up one morning next to a redheaded stranger whose name he can't remember. When Stevie is finally able to view the embarrassing, random, and sometimes violent alcohol-induced events on his laptop, everyone crosses their fingers and hopes for the best, but only time will tell if Stevie can win the battle over his inner demons and turn his life around.

**Beer Goggles Anthology** C. A. Harms,2017-04-24 Have you ever had too much to drink? Everyone knows hooking up with someone while under the influence is a bad idea. But...sh\*t happens. What did I do? Who did I do? Where are my keys...and my underwear? Welcome to nights of not-so-innocent drinking gone awry. Find out where it all went wrong...so terribly wrong... From sexy neighbors to embarrassing advances-and that person who you know for a fact wouldn't be there in the first place had it not been for the alcohol. Remember or forget? It doesn't matter-because either way, those nights can still

follow you forever. Truth be told, when the night is over and the beer goggles are off, some things can never be unseen.

**Beer Whisperer - Retuned** Bad Bob,2012-12-06 This book is filled with the nonsense only a good ol' beer drinker from down south could come up with. Considering the amounts of the amber liquid I have quaffed on five of the seven continents with friends, family and enemies, I have chosen the title of the ultimate Beer Whisperer. So grab a cold one and stagger along with me as I share stories, thoughts and and twisted insight as the Beer Whisperer, looking at life through beer goggles..

**Stoopid Stuf** Kevin Minor, Bruce Gerlach, 2014-05-06 This is the first collection of the comic strip- Stoopid Stuf. In these 100 cartoons we poke fun at human foibles, silly aspects of pop culture, and everyday life. Our toons cover the mundane to the utterly absurd with our own "stoopid" twist. If you're looking for something simple, fun, and good for a few laughs- this is the book for you. If you'd like to know more about Stoopid Stuf before you buy, you can check out our official website: [www.stoopidstuf.com](http://www.stoopidstuf.com)

**Beer Goggles** Ava Campbell, 2019-01-04 Connor Callahan did his best work when it came to beer and babes. As long as life was full of laughs, he was good. It wasn't until some hot shot journalist started asking questions that his past that he'd tried so hard to forget came back to haunt him. Allison Drake, top notch reporter was bumped down to do a fun and leisure piece about a bar and new up and coming brew master. She was going to do everything in her power to hurry things along and go back to the big city where she belonged. However, a car accident, and a few beers later, things change between them. Things aren't always as black and white as they were before. Can the two of them face the truth about themselves, and be open to the future, or will they both live life with their beer goggles on?

From Jarrow to Jurong Joe Writeson, 2014-09-09 Irresponsible antics in South East Asia including many

cultural, carnal and currency exchanges with local ladies.

*Losing the Beer Goggles* Lucas Aaron Catton, 2004-10 Have you ever stopped to think about the state of our society today? Ever wondered why we have so much violence on our streets, why healthcare costs are so high and why states continue to spend too much tax-payers' money on criminals and not nearly enough on education for our children? The truth is that these situations and countless more can typically be traced back to a single source: drugs. The War on Drugs is such a played-out cliché that several generations have become apathetic to the notion that it could one day be won and people are taught that addiction is an incurable disease. *Losing the Beer Goggles: And Seeing the Truth for the First Time* is a collection of social and political commentaries and criticisms and the correlation of a young man overcoming related barriers in his life. The truths he discovers for himself are also demonstrably applicable to the tens of millions of Americans that are caught in the trap of alcohol and drug use, providing solutions to many of the problems we face as a nation.

*A History of Christmas Markets through Santa's Beer Goggles* Cyril O'Brien, 2023-12-08 A different spin on pub crawls and Christmas markets. All too often we miss what is right in front of us. This book hopes to open the reader's eyes, not only to drinking establishments, Christmas markets (home and abroad), but to provide you with some interesting facts, traditions, history and trivia to boot. Christmas and alcohol seem to have been in step for centuries, and this set of 'crawls' aims to make your trips to the Christmas markets a little bit different. Although we have left the EU, thousands still travel to Europe (as well as in the UK) to quench their thirst for all things Christmas. So, if you like socialising, having a tipple or two, enjoy finding

new places to eat and drink, and visiting Christmas markets, these reasons alone would be enough for you to dig further into this book. But if you are also interested in history, ghosts, traditions, trivia, around Christmas itself, and on top of that the locations, then look no further. Six crawls, six Christmas markets, lots of pubs, and so much more. Enjoy your crawling!

**Alcohol in Popular Culture** Rachel Black, 2010-10-14 This encyclopedia presents the many sides of America's ongoing relationship with alcohol, examining the political history, pivotal events, popular culture, and advances in technology that have affected its consumption. From the constant advertising messages from beer, wine and liquor manufacturers to parties, weddings, and other social gatherings where alcohol is served to after-work happy hours with coworkers, the influence and presence of alcohol are inescapable in the United States. According to a government source, 50 percent of American adults identified themselves as regular drinkers (having at least 12 drinks in the past year). This encyclopedia presents an overview of the entire history of alcohol in America from the first colonies to present day, focusing on the often-marginalized and pop culture aspects of alcohol use and misuse. Entries illuminate topics such as the favorite alcoholic beverages in America; how they are manufactured; the role of alcohol in everyday life, special events, and across history; the impacts of alcohol consumption on society and health; and much more. Connections and influences from outside the United States are also considered for some topics.
