The Book of Beer Pong Ben Applebaum,Dan DiSorbo,2012-08-31 As any discriminating player will tell you, Beer Pong is not a fad—it's a True Sport of Champions. What is beer pong? Mash together ping pong, basketball, and darts, add copious amounts of cold beer and heated competition, and you're getting close. The creators of CollegeStories.com, GetBombed.com, and the Official Bombed Beer Pong Kit have written the first and only guide to the worldwide craze. Featuring everything from basic etiquette to expert techniques, tactics for smack talk, cutting-edge ball grips and flight paths, and tips for hosting a tournament, this invaluable tome will make anyone a champion of this burgeoning sport. So, drink up and game on!

Fantastic Drinking Games John Boyer,2011-09-01 Roll the dice. Slam the quarter. Flip the cup. Did you win, miss, lose, or guess wrong? Sounds like it's your turn to drink! Or maybe not, depending on the rules you learned to play by. If you've ever gotten into an argument with someone about rules for your favorite drinking game, or just wondered how that insane game at the table next to you is actually played, Fantastic Drinking Games is the book for you. With more than eighty different dice, card, quarter, and cup games, this is the ultimate book for party people!

Ping-Pong (Registered Trademark U. S. No. 36, 854) Arnold Parker,2017-09-12 Excerpt from Ping-Pong (Registered Trademark U. S. No. 36, 854): The Game and How to Play It Many people must have asked themselves, why ping-pong in SO short a time has become so amazingly popular. The answer, I think, is easy, and will be found in the following facts: Firstly, all who have played must allow that it is an excellent game, excellent because it affords amusement for hours together, and because there is no small amount of Skill required to play it at all well; this will account for much of its popularity. But there are other and, I think, weightier reasons. It has been called the poor man's billiards, not that it resembles that king of indoor games any further than that balls are used in the playing of both, but because it supplies its place in the houses of those whose rooms and means are too small to permit the adoption of billiards, since a very small outlay will purchase all accessories necessary for ping-pong; and if the proportions mentioned in a later chapter of this work be Observed as regards height of net, not only can an excellent game be had on a small table, but any one can learn to play it well and will find himself able to do SO on a larger table; play on a small table being excellent practice for play on the club-size table. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

We Should Have Kept the Dog Randy Oakes,2022-03-30 In the backwater flatlands of a small southern Indiana town on a storied, old nine-hole golf course hard on the banks of the Ohio River a 15-year-old boy enjoys the summer of 1961 playing golf and learning about life. For this young man, the summer starts in June as a contestant in an adult 36-hole tournament in southern Illinois, a tournament that he leads after the first hole. The summer ends in August in Louisville, Kentucky, on the 18th hole of his first match in his first men's match play tournament. It tells of the events that made up his summer and the last summer of the grand old golf course and its culture.

Sports from Hell Rick Reilly,2011-05-31 Bestselling author and ESPN star, Rick Reilly delivers a hilarious, unabashedly fun, and at times, skin-searing tour through some of the world's most amazing and outrageous sports From the physically and mentally taxing sport of chess boxing to the psychological battlefield that is the rock-paper-scissors championship, to the underground world of illegal jart throwing, Rick Reilly subjected himself to both bodily danger and abject humiliation (or, in the case of ferret legging, both) in order to personally find the world's strangest sporting event. Chronicling his adventures as only he can, Rick enters a world of

bizarre characters, fierce competition, and exotic locals--with stops in Australia, New Zealand, Finland, Denmark, England, and even a maximum security prison at Angola, Louisiana--and the result is a laugh-out-loud book perfect for any sport's fan.

Princeton Alumni Weekly ,1977
