Michigan Beer: A Heady History Patti F. Smith,2022 Michigan's beer history is as diverse as the breweries themselves, and the stories behind them are as fascinating as their tasty concoctions. A few enterprising women found themselves at the forefront of early brewing in the state, and several early Detroit brewers also served as mayor. Pfeiffer's mascot was designed by Walt Disney Studios. Jackson's Eberle Brewing Company took its fight against local prohibition all the way to the Supreme Court, and the Silver Foam trademark embroiled disputants in a different legal fight. Renowned modern craft brewers grew from humble beginnings, often staving off financial disaster, to establish themselves as local, or even national, juggernauts. Grab your favorite brew and join author Patti F. Smith for a look at Michigan's distant brewing past and its recent triumphs.

We've selected some of the finest tap rooms, bars and breweries that thirsty travellers can visit in 30 countries around the world. Discover how to find them, which beers to sample, and learn about local places of interest with our recommended itineraries. Each country is introduced by a beer expert and includes regional beverages that shouldn't be missed. There's a world of great beer to taste - go and discover it! So why go beer touring, especially when it's easy and cheap to find interesting craft beers in your local shop? Firstly, craft beer doesn't travel too well and is affected by changes in temperature and long distances. And secondly, due to the explosion in small-scale breweries, many great beers aren't distributed outside their city or region. Beer often tastes better the closer it is to home, especially if that's straight from a tap in the actual brewery. The craft beer revolution has seen waves of breweries open up to the public, not just in the United States, the UK and Australia, where the trend is well established, but all over the world. Visit European beer capitals like Belgium, Italy and Germany, and sample local favourites in Canada, Australia and New Zealand. In Asia, explore hotspots in Japan, Vietnam and China, then venture to South America, Africa and the Middle East. Each brewery is accompanied by a selection of sightseeing ideas and activities, from local museums and galleries, to great hikes or bike rides. The book also features fun sections on beer trails, hangover cures and the world's wildest beers. There's also practical advice like how to ask for a beer in the local language and the ideal snacks to accompany your drink.
