*Love Riot* Sara Barratt,2020-05-05 Young people are walking away from the church and those still in the church often struggle with indifference about their faith. But it doesn't have to be this way. It's time for a revolution, a holy uprising. A riot. With passion and authenticity, teen author Sara Barratt calls on her generation to reject apathy and embrace a daring, costly faith. Not content with safe religion that demands nothing of us, Sara shows teens how they can stop giving in to the status quo and devote themselves fully to Christ, following him no matter what their friends do or the culture around them does. She challenges them to give everything over--their comfort zones, their time, their loyalties, their pride--and discover that in losing control they are gaining the life that was meant for them all along. Love Riot is a battle cry from one teen to another to embrace a life of wholehearted commitment and relentless abandon for Christ . . . no matter the cost.

**This Changes Everything** Jaquelle Crowe,2017-03-16 My name is Jaquelle, and I'm a teenager. I like football movies, sushi, and dark chocolate. But the biggest, most crucial, most significant thing about me is that my life's task is to follow Jesus. He is the One who changed my life. That's what this book is about. It's for teenagers eager to reject the status quo and low standards our culture sets for us. It's for those of us who don't want to spend the adolescent years slacking off, but rather standing out and digging deep into what Jesus says about following him. This book will help you see how the truth about God changes everything—our relationships, our time, our sin, our habits, and more—freeing us to live joyful, obedient, and Christ-exalting lives, even while we're young.

**True North** ,2023-04-22 Being a Christian teenager can be challenging in today's world. You may be faced with many questions and concerns that are unique to your age group and circumstances. You may be wondering about your purpose in life, how to deal with peer pressure, or how to overcome temptation. You may also be struggling with how to live out your faith in a secular world or how to maintain healthy relationships with friends and family while staying true to your Christian beliefs. As parents, pastor and friends, we often struggle to answer their questions. This book is written to address these and other questions that Christian teens commonly ask. Each chapter in this book focuses on a specific topic related to Christian living and offers practical advice and biblical insights, that will help you to deepen your faith, strengthen your relationships, and make a positive impact on the world around you. Whether you are seeking to grow in your relationship with God, engage with the broader Christian community, or make a difference in the world through service and mission work, this book will provide you with the tools and inspiration you need to pursue God's plan for your life and live out your faith with courage and conviction. Questions Answered: What is the purpose of my life, and how can I find and fulfil God's plan for me? I am struggling with peer pressure, what should I do? How can I overcome temptation? How to deal with the challenges of living out my faith in a secular world? How can I maintain healthy relationships with friends and family while staying true to my Christian beliefs and values? What should I do if I start liking someone or someone likes me? What does the Bible say about abortion and how should I respond to these issues as a Christian? Why should I bother to study?. What does the Bible say about racial justice and how should I respond to these issues as a Christian? How can I grow in my faith and deepen my relationship with God, and what spiritual practices and disciplines can help me do so?. How do I reconcile my doubts, questions, and struggles with my faith, and how can I find support and guidance in times of spiritual crisis?. What is the role of Christians in sharing the gospel and making disciples, and how can I effectively share my faith with others?. How can I serve God and make a difference in the world, and what opportunities are available for Christian teens to volunteer or engage in mission work? How can I develop a biblical worldview and discern truth from lies in a world of conflicting opinions and information? What is the importance of community and fellowship with other Christians, and how can I find or build a supportive Christian community as a teen?

**Almost Christian** Kenda Creasy Dean,2010-07-16 Based on the National Study of Youth and Religion--the same invaluable data as its predecessor, Soul Searching: The Religious and Spiritual Lives of American Teenagers--Kenda Creasy Dean's compelling new book, Almost Christian, investigates why American teenagers are at once so positive about Christianity and at the same time so apathetic about genuine religious practice. In Soul Searching, Christian Smith and Melinda Lundquist Denton found that American teenagers have embraced a Moralistic Therapeutic Deism--a hodgepodge of banal, self-serving, feel-good beliefs that bears little resemblance to traditional Christianity. But far

from faulting teens, Dean places the blame for this theological watering down squarely on the churches themselves. Instead of proclaiming a God who calls believers to lives of love, service and sacrifice, churches offer instead a bargain religion, easy to use, easy to forget, offering little and demanding less. But what is to be done? In order to produce ardent young Christians, Dean argues, churches must rediscover their sense of mission and model an understanding of being Christian as not something you do for yourself, but something that calls you to share God's love, in word and deed, with others. Dean found that the most committed young Christians shared four important traits: they could tell a personal and powerful story about God; they belonged to a significant faith community; they exhibited a sense of vocation; and they possessed a profound sense of hope. Based on these findings, Dean proposes an approach to Christian education that places the idea of mission at its core and offers a wealth of concrete suggestions for inspiring teens to live more authentically engaged Christian lives. Persuasively and accessibly written, *Almost Christian* is a wake up call no one concerned about the future of Christianity in America can afford to ignore.

*Set an Example* Tim Challies, 2017-10 If you are 16 or 18 or in your 20s, in school or just moving into marriage and career, there are many ways to invest your time. But the Bible is clear that none is better than the pursuit of godliness: in your speech, conduct, love, faith, and purity. As Paul told Timothy, set an example, be an example. Make your life a beautiful work of art.

*A Teenager yet a Christian* Jadeshala Harris, 2011-04-05 If being a teenager wasn't enough, try being a teenager and a Christian too! Fortunately God has given us an example that we should follow in order balance the two out. After exploring the topics discussed in this book and applying them to your life you will in turn be the example that God has called you to be. The demand is high and the time is now for teenagers to not use their age for an excuse, but for a reason to serve God. And to let the world know that it is possible to be a teenager, yet a Christian.

*10 Questions Every Teen Should Ask (and Answer) about Christianity* Rebecca McLaughlin, 2021-03-09 Written by Rebecca McLaughlin, Author of *Confronting Christianity* In a world of increasing ideological diversity, kids are being challenged to think through their own beliefs at an early age. Questions like How can you believe the Bible is true?; Why can't we just agree that love is love?; and Isn't Christianity against diversity? can seem like roadblocks for kids who are following Jesus, as well as for those who might otherwise consider faith in Christ. In this helpful book—written both for Christian kids and for those who think Jesus is just a fairy tale character—Rebecca McLaughlin invites readers ages 12–15 to dig deep into hard questions for themselves and perhaps discover that the things that once looked like roadblocks to faith might actually be signposts.

**Not Part of the Plan** Kristen Clark, Bethany Beal, 2021-10-12 God is still writing your story What happens when life doesn't turn out the way you always imagined? How do you stay hopeful when disappointments, unfulfilled longings, and frustrating detours come knocking on your door? Kristen Clark and Bethany Beal have asked these same questions themselves. In *Not Part of the Plan*, they open up their lives in the most raw and relatable way, sharing their own journeys through unexpected seasons of infertility, singleness, loss, and heartbreak. But in the midst of it all, they've learned that true hope doesn't come from getting the life you always dreamed of but from trusting God with the life He has for you and believing that His plans truly are good. Sister, wherever you are on your journey, your life has purpose and meaning in Christ, and thriving is possible--right now. If life has thrown you a curveball and your future feels hard and scary, *Not Part of the Plan* is the book for you. You'll laugh. You'll cry. But most of all, you'll appreciate the advice of these wise friends as they teach you how to walk through pain and uncertainty and lead you toward a hope-filled tomorrow.--Mary A. Kassian, author of *Girls Gone Wise in a World Gone Wild* Bethany and Kristen address the struggles we face when life takes unwanted detours and show us through Scripture and experience that our ultimate hope is found in Christ. Even in life's disappointments, we can be completely confident in God's greater plan that is for our good and for His glory.--Gretchen Saffles, author of *The Well-Watered Woman*, founder of *Well-Watered Women*

**All the Feels for Teens** Elizabeth Laing Thompson,2021 No one knows more about living with all the feels than teenage girls. They can flit from giddy to anxious to insecure to in love-oops, wait, just kidding, out of love-to chill to stressed to ecstatic to despairing to rebellious to penitent to cynical to naïve to independent to clingy to selfish to selfless-all with a heaping side order of angst and adorkability, all in a span of hours . . . sometimes minutes. In other words: all the feels all the time. Yep, no one knows about having all the feels quite like teenage girls-but few girls know what to do with all those feelings. Christian teens need Bible-based help to show them that it's okay to feel deeply (after all, God himself is the Author of all feelings), but each of us must learn to train our emotions in the ways of Christ. As they learn how to deal with all the feels, girls need scriptural foundations, practical strategies, and the assurance that they are not weird-and never alone--
