Rev. David BLAIR (pseud. [i.e. Sir Richard Phillips.])

Truth Be Known Jananivasa dasa, 2018-06-28 “It is said that truth is stranger than fiction but this opinion is due only to incomplete knowledge.

Relative to the eternal spiritual reality, nothing is stranger than a world whose people are uneducated in conclusive spiritual truth. Lacking the qualifications required for reception of perfect knowledge, most people of this world are totally oblivious to the nature of spiritual subject matters, much less have they a clue of the identity of God. Spiritual understanding is lacking because the object of understanding is unknown. Indeed, most people of this illusory world would not know the Supreme Spiritual Person even if He were standing before them. It is instructed by the Vedic authority that the first qualification for reception of perfect spiritual truth and knowledge is simply to admit our bewildered condition. Because it is only the Absolute Truth who can save this world from certain destruction, this book was written to give people a chance to see what they do not know. References from the Vedic scriptures are provided as proof but the real fool proof approach to Absolute Spiritual Truth is to receive the knowledge directly from the Vedas. It is due to divine design that the Eternal Spiritual Reality has until now, until this dawning age of enlightenment, remained unknown to the conditioned residents of this criminal world. As instructed in the “Aquarian Gospel of Jesus the Christ”; “There are many mysteries in Christ consciousness, but there are no mysteries in God consciousness.”

The God Who Would Be Known John Marks Templeton, 2012-06-12 Until recently, science’s ability to describe and define our universe threatened to make religion obsolete. But the well-received hardcover edition of this book demonstrated that, increasingly, God is being revealed through science. Now available in paperback, this positive work is for all who ponder the mystery and wonder of our universe—and the God who plans and oversees it. Probing the philosophical and theological impact of scientific discoveries, the authors urge us to adopt an analytical and open posture toward both science and religion. In the spirit of Sir Francis Bacon, this fascinating exploration shows us how “the book of God’s works” (natural science) can tell us a great deal about “the book of God’s words” (Scripture). “We began this book with the idea that the God who has made this awesome and wonderful universe is utterly beyond our capacity to measure and yet is also the God who would be known. He has placed remarkable signs in the heavens, on Earth, and in ourselves: signals of transcendence. We conclude that this universe is here by divine plan, and that science itself, for decades a bastion of unbelief, has once again become the source of humankind’s assurance of intimate divine concern in its affairs.” —from the authors

Know and Be Known Brooke B. Collison,2007-03-01 People yearn for a sense of belonging. Congregations become places of belonging when people find ways to make connections, form relationships, and share their personal stories. That's hard to do in the hasty comings and goings around the typical worship service. It's even hard to do in a choir, committee, or ministry group. In **Know and Be Known**, Brooke Collison looks at the element missing in most group dynamics today: intentionality about relationships. Counselor, educator, and long-time leader and participant in small groups, Collison knows the power of small groups to create meaningful bonds of friendship and support.

If the Truth Be Known Boyd Wilcox,2008-12

If The Truth Be Known Sarah Flowers,

Let It Be Known to the World Eva O'Nay Brooks,2012-12-17 Euthella said to her friends this was the way for GOD JEHOVAH through JESUS CHRIST to show us and for us to tell the World that this is His World, His People and no one can change His World without Him (GOD) through (JESUS CHRIST) His way. His WRATH was a warning. His RAINBOW was his people of colors. Euthella said after all of her on-going saga, she wants to let it be known to the WORLD!!

To Know and to Be Known in the Kingdom James Lawson,2006-09 A real 'breath of fresh air' - a very Non-Traditional, Non-Religious approach to the Gospel. Required reading for the last days and future 'Tribulation' A must-have for all: * current ministers * up and coming ministers * Bible College students * all Christians alike The Beginning of the 'wisdom' of God. Mysteries: * of the Kingdom * from the Gospels of Thomas and Phillip hidden for years * Knowing yourself and others in the Kingdom All un-veiled in this book. This book is dedicated to: * the Christian Heavy Metal scene and culture * all who have been hurt or abused by religion * anyone involved in witchcraft or satanism * anyone involved in Goth * all artists in the Metal Music scene It's a new revolution, John 3:18.

To Know and to Be Known in the Kingdom Pastor James M. Lawson,2009-12-11 There are two major themes throughout the book. The first major theme involves the dual nature of the Kingdom being both here and now and yet to come, but with the focus being on the here and now aspect and learning to live everyday life in it. The second major theme involves knowing and being known in Christs Kingdom. Another significant focus is on all relationships, starting with our personal relationship with Jesus Christ, and then all other relationships with all people in our daily lives. Strong

comparisons and some examples attack the principles and practices of Religion, as true Christianity is shown by our personal relationship with Jesus Christ. This book is about Relationship-vs-Religion. This book is full of controversy as it actually faces and deals with real problems, issues, and lies instead of avoiding them. This book provides teaching on how to have better, stronger, and healthier relationships with all people from all walks of life. This book is very exciting because of its unique and aggressive attacks on institutionalized systems of religions and religious Churches and people. The approach and writing style is so Non-Traditional and Non-Religious that it stands alone, separate and unique, like no other Christian book has ever been written. This book reveals many secrets of the Kingdom, exposes many lies and false doctrines, and upholds the truth of Christ, His WORD, and His Kingdom, and supports the common people of the world. With the many problems and issues we face in our world today, this book addresses many of them and provides possible solutions to help and improve on them. This book draws from personal life experience and exposes our human inadequacies and faults, while demonstrating the Non-failing awesomeness of an all-powerful, all-knowing God.
