*Christ and the New Covenant* Jeffrey R. Holland,2006-01-01 Introducing a major new doctrinal work written by Elder Jeffrey R. Holland who shares his apostolic witness of the central figure of the Book of Mormon-the Lord Jesus Christ. For most of a decade, Elder Holland has read the Book of Mormon repeatedly and thoroughly, focusing on all references to the Savior and his teachings. The result is an intelligent observation and thorough study of the Book of Mormon's contribution to our understanding of Christ. On the illustrated edition: Elder Holland's classic examination of Jesus Christ as the principal and commanding figure in the Book of Mormon is now available as an illustrated keepsake. This landmark book explores what the Book of Mormon reveals about the character, attributes, and mission or our Savior. In his warm and thoughtful style, Elder Holland explains why, more than any other book, the Book of Mormon has taught me to love the Lord Jesus Christ and to consider the full wonder and grandeur, the eternally resonating power of the atoning sacrifice he made for us. Stunning full-color illustrations by Walter Rane, Robert Barrett, Simon Dewey, Joseph Brickey, and others bring vibrant new life to this beloved volume.
