Star Wars: Light of the Jedi (The High Republic) Charles Soule,2021-01-05 #1 NEW YORK TIMES BESTSELLER • Long before the First Order, before the Empire, before even The Phantom Menace . . . Jedi lit the way for the galaxy in The High Republic It is a golden age. Intrepid hyperspace scouts expand the reach of the Republic to the furthest stars, worlds flourish under the benevolent leadership of the Senate, and peace reigns, enforced by the wisdom and strength of the renowned order of Force users known as the Jedi. With the Jedi at the height of their power, the free citizens of the galaxy are confident in their ability to weather any storm But the even brightest light can cast a shadow, and some storms defy any preparation. When a shocking catastrophe in hyperspace tears a ship to pieces, the flurry of shrapnel emerging from the disaster threatens an entire system. No sooner does the call for help go out than the Jedi race to the scene. The scope of the emergence, however, is enough to push even Jedi to their limit. As the sky breaks open and destruction rains down upon the peaceful alliance they helped to build, the Jedi must trust in the Force to see them through a day in which a single mistake could cost billions of lives. Even as the Jedi battle valiantly against calamity, something truly deadly grows beyond the boundary of the Republic. The hyperspace disaster is far more sinister than the Jedi could ever suspect. A threat hides in the darkness, far from the light of the age, and harbors a secret that could strike fear into even a Jedi's heart.

Augie's Quest Augie Nieto,T.R. Pearson,2011-01-15 What happens to orphan diseases that aren't big enough profit centers for the pharmaceutical industry or get caught in the web of government funding and academic research? Augie Nieto found out in the spring of 2005: At forty-seven years old he was diagnosed with ALS. Devastated, Augie struggled with depression and attempted suicide. When he awoke from a coma, with friends and family surrounding him, his sense of faith and mission were renewed. Fast-forward one year: Augie and his wife, Lynne, were profiled as Real Heroes on the Today show. Their determination to beat the disease had already led to major overhauls in the way ALS research was conducted. In partnership with the Muscular Dystrophy Association, Augie had set up a foundation and lab to coordinate and oversee ALS research and testing across the globe. By centralizing operations and championing an entrepreneurial approach to medical research, Augie and his team accomplished remarkable results in less than two years. Part inspiration, part business innovation, Augie's Quest illustrates how one person can make a meaningful difference. Praise for Augie Nieto: George H. W. Bush, former U.S. president: Your contributions to the fitness industry are well known, and your dedication an inspiration. Lance Armstrong, seven-time Le Tour de France champion: I think it says a lot about Augie, the fact that everybody came together regardless of whether or not it's for competing gyms or competing companies that make equipment. They all say, this is one of our own; this is a guy who's committed his life to our industry and has been dealt a serious blow. We're going to be there for him, we're going to say, we're here for you and we're part of the Quest. Arnold Schwarzenegger, governor of California: Your success has been incredible. But you are so much more than just a successful businessman. You are the greatest husband, a great father, and a terrific friend. So,

Cain's Redemption Dennis Shere,2005-08-01 Formerly known as America's bloodiest prison, the 18,000 acres that comprise Louisiana's Angola State Penitentiary are now home to 5,000 inmates, a full range of seasonal crops, a 9-hole golf course, yearly rodeos, a Bible seminary, a museum, and much more. All of this came into being at the behest of Warden Burl Cain, who is now the longest-standing warden in the history of Angola prison. Under his leadership, the inmate population of 5,000 has gone from regular knife fights to Bible studies. Cain is a strong believer in the ability of the gospel to turn the most incorrigible of sinners into productive, moral citizens. Because eight out of ten prisoners are serving life sentences without parole at Angola, Cain has taken upon himself the task of making the lives of these prisoners productive and educational. Through a partnership with New Orleans Baptist Seminary, prisoners have the opportunity to get a bible degree and even be transferred to other prisons as a missionary. The Angola phenomenon has been covered by such media outlets as: Time Magazine, Christianity Today, and in the award-winning film documentary, The Farm: Angola, USA. Author Dennis Shere combines his background in journalism and law to bring readers this account of redemption and life change in the most unlikely of places: a maximum security prison.

The Big Book of Beastly Mispronunciations Charles Harrington Elster,2006 The definitive pronouncement on more than 1,500 of our most commonly mispronounced words. From the language maven Charles Harrington Elster comes an authoritative and unapologetically opinionated look at American speech. As Elster points out, there is no sewer in connoisseur, no dip in diphthong, and no pronoun in pronunciation. The culmination of twenty years of observation and study, The Big Book of Beastly Mispronunciations is more than just a pronunciation guide. Elster discusses past and present usage, alternatives, analogies, and tendencies and offers plenty of advice, none of it objective. Whether you are adamant or ambivalent about the spoken word, Elster arms you with the information you need to decide what is acceptable for you. The Big Book of Beastly Mispronunciations has now been expanded and revised and features nearly 200 new words, including: al-Qaeda bruschetta commensurate coup de grace curriculum vita exacerbate gigabyte hara-kiri machismo Muslim Niger Pinochet Pulitzer sorbet tinnitus w (as in www-dot) and many, many more. Charles Harrington Elster is the pronunciation editor of Black's Law Dictionary and the author of various books about language, including Verbal Advantage, There's a Word for It, and What in the Word? He has been a guest columnist on language for the Boston Globe and the New York Times Magazine and a commentator on NPR and hundreds of radio shows around the country.

Star Wars: The Fallen Star (The High Republic) Claudia Gray,2022-01-04 In this gripping sequel to Star Wars: The Rising Storm, the light of the Jedi faces its darkest hour. Time and again, the vicious raiders known as the Nihil have sought to bring the golden age of the High Republic to a fiery end. Time and again, the High Republic has emerged battered and weary, but victorious thank to its Jedi protectors-and there is no monument to their cause grander than the Starlight Beacon. Hanging like a jewel in the Outer Rim, the Beacon embodies the High Republic at the apex of its aspirations: a hub of culture and knowledge, a bright torch against the darkness of the unknown, and an extended hand of welcome to the furthest reaches of the galaxy. As survivors and refugees flee the Nihil's attacks, the Beacon and its crew stand ready to shelter and heal. The grateful Knights and Padawans of the Jedi Order stationed there finally have a chance to recover-from the pain of their injuries and the grief of their losses. But the storm they thought had passed still rages; they are simply caught in its eye. Marchion Ro, the true mastermind of the Nihil, is preparing his most daring attack yet-one designed to snuff out the light of the Jedi.

Pakersfield, Georgia, 1958: Thirteen-year-old Tangy Mae Quinn is the sixth of ten fatherless siblings. She is the darkest-skinned among them and therefore the ugliest in her mother, Rozelle’s, estimation, but she’s also the brightest. Rozelle—beautiful, charismatic, and light-skinned—exercises a violent hold over her children. Fearing abandonment, she pulls them from school at the age of twelve and sends them to earn their keep for the household, whether in domestic service, in the fields, or at “the farmhouse” on the edge of town, where Rozelle beds local men for money. But Tangy Mae has been selected to be part of the first integrated class at a nearby white high school. She has a chance to change her life, but can she break from Rozelle’s grasp without ruinous—even fatal—consequences?

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
