Small Business Owners Guide To Marketing Your Business On The Internet Ben Wheeler,2015-02-01 an easy to read book that helps non-marketing people understand how to market their business on the internet The importance of a powerful web presence for businesses is what compelled me to write this book. I have learned that only you as the business owner have the power to do it by educating yourself about internet marketing. Then you can take your business to the next level and achieve what you have set out to. My book will help give you a broad understanding of internet marketing and hopefully you can then ask the right questions of professionals and know the answers to expect so that you can get an effective website for your business, market it well and make your business grow. My advice is drawn from my 13 years' experience in the industry and many clients with successful websites and online marketing strategies. I hope you can glean some useful nuggets of information to empower you to grow your business with the help of the internet. I firmly believe that Digital Marketing, and a good understanding of general marketing, is what has allowed my to move from a one-man-band business into the market-leading marketing company Copper Bay Creative is today, with its 12-strong team.

Internet Marketing Tips for Busy Executives Peter Alexander,John Nobrega,2000-08 Book Description: A minority of the businesses in the United States has an Internet presence, and fewer than half of these companies are seeing a significant return on their Internet Marketing efforts. Why? Because these businesses don't know how to market their sites effectively to their target audience. They either take the "If you build it, they will come" approach or they expect their Web site developers to do the marketing for them. Unfortunately, most developers are graphic artists, not marketing specialists. The tips included in this book are intended to give those with minimal knowledge of Internet Marketing techniques a simple way to develop an active, effective Web site. Anyone from a small business owner to a senior marketing executive within a large, global organization can use this book to quickly and easily make their company Web site better.

International Sales Strategy. Maketing, Sales and Distribution Ben Messaoud,2015-03-17 Seminar paper from the year 2013 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: 1,7, University of Applied Sciences Esslingen (Wirtschaftsingenieurwesen), language: English, abstract: What is an international sales strategy? What about the current situation? How can I define a strategy? How do marketing and sales interact? How can a company define a sales process? What about the competition? Which tools can be used in order to optimize sales? The goal is to get an answer about all these questions. Also we should create an idea how we can companies keeping ahead of equal competitors. International Strategies and Sale are obviously two different functions in a company despite they must interact closely with each other. Exporting probably crates new markets, more sales, higher turnover and attracts new customers. That will only realize with a clear strategy. It is a fact that the global competition will increase. The European companies have to extend their international activities to stay on top in the competition with USA and Japan. The USA for example tries to get some market share in the European region and the new up coming developing Countries like the BRIC-States. Today no companies can win if its product and service resembles every other products and service of a company. Companies’ products must represent a big idea in the mind of the target market.
