**The Linwoods - Or, "Sixty Years Since" in America in Two Volumes** - Catharine Maria Sedgwick,2017-09-29 This is volume I of Catharine Maria Sedgwick's 1835 historical romance The Linwoods; or Sixty Years Since in America. Set during the American Revolution, it uses day-to-day city life to explore the American character, defined by its relationship with Britain and France. The novel also investigates the battle between Old World conceptions of class and the contemporary reality of American democracy. This fantastic book is highly recommended for those with an interest in American history, particularly the American Revolution. Catharine Maria Sedgwick (1789 - 1867) was an American novelist and prominent supporter of Republican motherhood whose work is frequently referred to as domestic fiction. Other notable works by this author include: Hope Leslie (1827), The Linwoods (1835), Live and Let Live (1837). Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.

Vain Fortune George Augustus Moore,2021-01-21 Book Excerpt: ... but there was something behind the outer envelope which led him to believe she had real talent, and would make a name for herself when she was given a part that would allow her to reveal what was in her.In the meantime, Rose had been told that the gentleman she had snubbed in the passage was Mr. Hubert Price, the author of Divorce.'Oh, it was very silly of me, ' she said to Annie. 'If I had only known!'"Lor', he don't mind; he'll be glad enough to speak to you when you meets him again.'And when they met again on the stairs, Rose nodded familiarly, and Hubert said--'I went to the Queen's the other night.'"Did you like the piece?"I did not care about the piece; but when you get a wild, passionate part to play, you'll make a hit. The sentimental parts they give you don't suit you.'A sudden light came into the languid face. 'Yes, I shall do something if I can get a part like that.'..

Mark consequently falls in love with Archie's forbidding yet bewitching young cousin. **Freaks of Fortune Or, Half Round the World** Oliver Optic,2018-07-14 Freaks of Fortune or, Half Round the World by Oliver Optic This is the spot, Bessie, said Levi Fairfield, as he paused on the bank of the brook which flows into the bay near Mike's Point. But what was the thing you made? asked Bessie Watson, as she looked with interest at the place indicated, though she could not see anything very remarkable, or even strange. It was a young saw-mill, laughed Levi. It rested on those flat stones you see there; but the dam is entirely washed away. I made it in Mr. Mogmore's carpenter's shop, near uncle Nathan's house. After a deal of fussing and tinkering, I got it so that it sawed through a board two feet long from one end to the other. It was the proudest day of my life when I showed Mr. Mogmore the two parts, separated by my machine; and he declared I should make a good machinist. Where is the saw-mill now? inquired Bessie, interested in the machine because it had been made by Levi, rather than because she had a taste for mechanics. It is up in the attic of uncle Nathan's house; at least it was there three years ago, when I went to live with Mr. Gayles. I should really like to see it. **The Lives of Diamond Bessie** Jody Hadlock,2022-04-05 Pregnant out of wedlock, sixteen-year-old Annie Moore is sent to live at a convent for fallen women. When the nuns take her baby, Annie escapes, determined to find a way to be reunited with her daughter. But few rights or opportunities are available to a woman in the 1860s, and after failing to find a respectable job, Annie resorts to prostitution in order to survive. As a highly sought-after demi-mondaine, Annie—now Bessie—garners many expensive gifts from her admirers, and eventually meets and marries the son of a wealthy jeweler. With her marriage, she believes her dream of returning to proper society has finally come true. She’s proven wrong when she suffers the ultimate betrayal at the hands of the man she thought would be her salvation. But Bessie doesn’t let her story end there. Inspired by a true story and set amid the burgeoning women’s rights movement, The Lives of Diamond Bessie is a haunting tale of betrayal and redemption that explores whether seeking revenge is worth the price you might pay. Perfect for fans of Emma Donoghue, MJ Rose, and Hannah Kent.
