Best iPad Apps Peter Meyers,2010-12-08 What really wows iPad fans is when their touchscreen does what's impossible on other gadgets: the finger-painting app that turns a cross-country flight into a moving art class, the mini music studio (two-dozen instruments strong, each with motion-induced warble effects), and the portable fireworks display that you sculpt by swiping. Problem is, with tens of thousands of apps available for your iPad, who knows what to download? You can try to sort through a gazillion customer reviews with a mix of 5- and 1-star ratings, but that's a head-hurting time-waster. The stakes are getting higher, too: instead of freebies and 99-cent trinkets, the price of iPad apps is steadily creeping up and beyond their iPhone predecessors. Best iPad Apps guides you to the hidden treasures in the App Store's crowded aisles. Author Peter Meyers stress-tested thousands of options to put together this irresistible, page-turner of a catalog. Inside these pages, you'll find apps as magical as the iPad itself. Flip through the book for app suggestions, or head directly to one of several categories we've loaded up with best of selections to help you: Get work done Manipulate photos Make movies Create comics Browse the Web better Take notes Outline ideas Track your health Explore the world No matter how you use your iPad, Best iPad Apps will help you find the real gems among the rubble -- so you make the most of your glossy gadget.

The Everything Guide to Remote Work Jill Duffy,2022-02-08 Discover the secret to being productive and successful no matter where you are with this essential guide to remote work. During COVID-19, working from home became the new normal. Now, both employers and employees find that the remote work they were forced to adjust to may be, well, better—financially, sustainably, and even in terms of overall morale and productivity. But working from home is not without its challenges. It can be difficult to eliminate distractions, strike a solid work/life balance, and maintain social connections that are crucial in the workplace. Whether you're trying to find and land a job from the comfort of your home, learning to manage a virtual team, or dream of living a digital nomad lifestyle, The Everything Guide to Remote Work has everything you need to be successful. You'll learn to optimize your own workplace culture, whether it's in your home office or a constantly changing backdrop. So whether your company continues to work remotely full time or you only have to go to the office a few days a week, you'll be armed with all the tools you'll need to make the most out of this new lifestyle.

Five-Star Apps Glenn Fleishman,2010-11-02 It can be a concierge, camera, flashlight, game console, magazine, photo editor, panorama maker, note taker, travel planner, radio, bookstore, night-sky guide, GPS, music player, music maker, and plenty more...if only you could figure out which of the 250,000 (and counting) apps to put on your iPhone or iPad or iPod touch. Author Glenn Fleishman set out to discover how to use your device to find a movie, read a book, retrieve a distant file, make a phone call, play a strategy game—to accomplish a host of useful, and sometimes completely unuseful, tasks. Glenn sifted through and road tested thousands of apps to find the nearly 200 programs that fit his criteria for interesting, entertaining, useful—and essential—five-star apps. His clear-eyed selections will surprise and charm you and help you complete tasks, have fun, be creative, and learn something. Want to read a book or PDF or follow your Twitter, RSS , or Facebook feeds? You'll find the perfect app for the job. Ready to find the best action, word, and strategy games—so good, you may never put down your iPhone? We know the ones. Yearning for Thai food in an unfamiliar neighborhood or looking to reserve a table at a local restaurant? This book points you to the perfect apps. Need to track the delivery status of a package or turn your device into a barcode reader? Start reading and start scanning. Want to watch a movie—either from the studios or of your own creation? Glenn can direct you to the perfect app. Plus essential apps that will stream music, make you more productive, keep track of files, and much, much more.

Rock Breaks Scissors William Poundstone,2014-06-03 A practical guide to outguessing everything from multiple-choice tests to the office football pool to the stock market. People are predictable even when they try not to be. William Poundstone demonstrates how to turn this fact to personal advantage in scores of everyday situations, from playing the lottery to buying a home. ROCK BREAKS SCISSORS is mind-reading for real life. Will the next tennis serve go right or left? Will the market go up or down? Most people are poor at that kind of predicting. We are hard-wired to make bum bets on trends and winning streaks that are illusions. Yet ultimately we're all in the business of anticipating the actions of others. Poundstone reveals how to overcome the errors and improve the accuracy of your own outguessing. ROCK BREAKS SCISSORS is a hands-on guide to turning life's odds in your favor.

The Logic Of Sports Betting Matthew Davidow,Ed Miller,2019-05-17 How do sportsbooks make their lines? Which types of bets are the best? Can you beat the house? The Logic Of Sports Betting answers all these questions and more with a dash of humor and a whole lot of real talk about how it all works. Peek behind the counter and learn how sportsbooks operate. Combine that insider knowledge with why-didn't-I-think-of-that sports betting logic, and you have the winning formula. Ed Miller is a best-selling (over 300,000 copies sold) author of books on poker and gambling. This is his first book on sports betting, but maybe his favorite book to write so far. Matthew Davidow is a sports modeler, using proprietary methods to beat major sports betting markets for over 15 years, and co-founding two leading private sports analytics firms along the way. What people are saying about The Logic Of Sports Betting Matt and Ed are two of the smartest minds in sports betting. - Rufus Peabody, professional sports bettor As a sportsbook employee for 30-plus years, I find it difficult to read or watch anything about sports betting. But I could not put The Logic Of Sports Betting down. It's that good. - Robert Walker, Las Vegas bookmaker

The Annotated Turing Charles Petzold,2008-06-16 Programming Legend Charles Petzold unlocks the secrets of the extraordinary and prescient 1936 paper by Alan M. Turing Mathematician Alan Turing invented an imaginary computer known as the Turing Machine; in an age before computers, he explored the concept of what it meant to be computable, creating the field of computability theory in the process, a foundation of present-day computer programming. The book expands Turing's original 36-page paper with additional background chapters and extensive annotations; the author elaborates on and clarifies many of Turing's statements, making the original difficult-to-read document accessible to present day programmers, computer science majors, math geeks, and others. Interwoven into the narrative are the highlights of Turing's own life: his years at Cambridge and Princeton, his secret work in cryptanalysis during World War II, his involvement in seminal computer projects, his speculations about artificial intelligence, his arrest and prosecution for the crime of gross indecency, and his early death by apparent suicide at the age of 41.

Getting Things Done David Allen,2015-03-17 The book Lifehack calls The Bible of business and personal productivity. A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'—Fast Company Since it was first published almost fifteen years ago, David Allen's Getting Things Done has become one of the most influential business books of its era, and the ultimate book on personal organization. “GTD” is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of Getting Things Done will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

Windows 10: The Missing Manual David Pogue,2015-09-17 With Windows 8, Microsoft completely reimaged the graphical user interface for its operating system, which now runs on both desktop PCs and tablets, but the overhaul was not without hitches and its dueling UIs (one designed for touch, the other for keyboards and mice) created significant confusion for users. Windows 10 (a free update to users of Windows 8 or Windows 7) fixes a number of the problems introduced by the revolution in Windows 8 and offers plenty of new features, such as the new Spartan web browser, Cortana voice-activated “personal assistant,” new universal apps (that run on tablet, phone, and computer), and more. But to really get the most out of the new operating system, you're

going to need a guide. Thankfully, Windows 10: The Missing Manual will be there to help. Like its predecessors, this book from the founder of Yahoo Tech, previous New York Times columnist, bestselling author, and Missing Manuals creator David Pogue illuminates its subject with technical insight, plenty of wit, and hardnosed objectivity for beginners, veteran standalone PC users, new tablet owners, and those who know their way around a network.

Best App Picks Introduction

In the digital age, access to information has become easier than ever before. The ability to download Best App Picks has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Best App Picks has opened up a world of possibilities. Downloading Best App Picks provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Best App Picks has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Best App Picks. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Best App Picks. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Best App Picks, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Best App Picks has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
